Honorable Willie C. Wade  
Alderman, 7<sup>th</sup> Aldermanic District  
Room 205, City Hall

SUBJECT: 7<sup>th</sup> ALD. DIST. - FILE #141144  
INSTALL STOP SIGNS ON WEST SPENCER PLACE  
AT WEST RIDGE COURT

Dear Alderman Wade:

This is in response to a request we received from a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents that warrant the installation of the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Honorable Jose G. Perez  
Alderman, 12th Aldermanic District  
Room 205, City Hall

SUBJECT: 12<sup>th</sup> ALD. DIST. - FILE #141144  
INSTALL STOP SIGN ON SOUTH 3<sup>rd</sup> STREET  
AT WEST FRESHWATER WAY

Dear Alderman Perez:

Our traffic engineering staff recently reviewed the intersection of West Freshwater Way and South 3<sup>rd</sup> Street and found that a sight obstruction exists on the southeast corner of the intersection in the form of a building that would reduce the safe approach speed for motorists entering the intersection and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Honorable Joseph A. Dudzik  
Alderman, 11th Aldermanic District  
Room 205, City Hall

SUBJECT: 11<sup>th</sup> ALD. DIST. - FILE #141144  
INSTALL STOP SIGN ON WEST PLAINFIELD AVENUE  
AT SOUTH 54<sup>TH</sup> STREET

Dear Alderman Dudzik:

This is in response to a request we received from the Milwaukee Police Department and Walt Whitman School to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that due to the geometric configuration of the intersection the above-captioned control is warranted. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Honorable Michael J. Murphy  
Alderman, 10th Aldermanic District  
Room 205, City Hall

SUBJECT: 10th ALD. DIST. - FILE #141144  
INSTALL NO TRUCKING 3 TONS OR OVER ON  
NORTH 92<sup>nd</sup> STREET AT WEST BLUE MOUND ROAD  
NORTHBOUND

Dear Alderman Murphy:

This is in response to a request we received from a local resident to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that since this street is strictly residential and trucks are using it as a short cut, we recommend that heavy trucks be prohibited.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer
