Re: File No. 061291 – An ordinance related to designated areas in which cruising is prohibited

Dear Council Members:

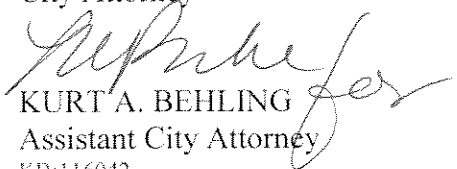

You have referred the above file to our office for approval as to the legality and enforceability of the proposed ordinance regarding designated areas in which cruising is prohibited.

We request that this matter be held over until the next council meeting, so that we have sufficient time to review the ordinance and advise you as to potential legal ramifications, particularly whether the request meets the standards for a permanent prohibition for cruising or whether the request could be addressed using the current ordinance section for "temporary designated areas".

Thank you for your consideration.

Very truly yours,

  
**GRANT F. LANGLEY**  
City Attorney
