

DNR to present plans for river project

Date: 2/26/1997; Publication: The Milwaukee Journal Sentinel;

The Wisconsin Department of Natural Resources will present the latest plans for the Milwaukee River reconstruction project at a 7:30 p.m. public hearing Thursday, March 6, in the cafeteria at Riverside University High School, 1615 E. Locust St.

The \$4.6 million project calls for the construction of a sediment stabilization structure in the Milwaukee River, between the North Ave. dam to the south and E. Keefe and E. Edgewood avenues to the north.
