PREAMBLE

1. THIS AGREEMENT, is made and entered into at Milwaukee, Wisconsin between the CITY OF MILWAUKEE, a municipal corporation, hereinafter referred to as "City", as municipal employer, and the MILWAUKEE POLICE ASSOCIATION, Local #21, I.U.P.A., AFL-CIO, hereinafter referred to as "Association", as the representative of certain non-supervisory employees of the City of Milwaukee in the Police Department.
2. The parties to this Agreement are desirous of reaching an amicable understanding with respect to the employer-employee relationship which exists between them and to enter into a complete Agreement covering rates of pay, hours of work, and conditions of employment.
3. The parties do hereby acknowledge that this Agreement is the result of the unlimited right and opportunity afforded to each of the parties to make any and all demands and proposals with respect to the subject of rates of pay, hours of work, and conditions of employment and incidental matters respecting thereto.
4. This Agreement is an implementation of the provisions of Section 111.70, Wisconsin Statutes, consistent with the legislative authority in effect on the execution date of this Agreement that is delegated to the City Common Council relating to: The Chief of Police and the Fire and Police Commission (as set forth in Section 62.50, Wisconsin Statutes); The Municipal Budget Law (as set forth in Chapter 65 of the Wisconsin Statutes); and any other statutes and laws applicable to the City. 5. It is intended by the provisions of this Agreement that there be no abrogation of the duties, obligations, or responsibilities of any agency or department of City government which is

now expressly provided for respectively either by: State Statute and Charter Ordinances of the City of Milwaukee except as expressly limited herein.

6. It is intended by the parties hereto that the employer-employee relationship which exists now and has heretofore existed by and between the City and the members of the Association who are employed by the City shall continue to be the same in the event this Agreement is terminated or by virtue of its terms becomes terminated.

## **ARTICLE 1**

### **DURATION OF AGREEMENT AND TIMETABLE**

1. This Agreement shall be in effect beginning at 12:01 a.m. on January 1, 2007, and ending at 12:01 a.m. on January 1, 2010. This Agreement will terminate on January 1, 2010, unless the parties hereto both agree to extend it beyond that date.

who is the subject of the request and to the Association prior to the Commission meeting at which the Chief's request is to be discussed; and

- b. At the meeting of the Fire and Police Commission wherein the matter of the extension is discussed, the affected employee will be given the opportunity to be heard if he or she so desires. A representative of the Association may also appear and be heard on behalf of the employee, if the employee so requests, and/or on behalf of the Association.

## **ARTICLE 7**

### **GRIEVANCE AND ARBITRATION PROCEDURE**

During the term of the 2007-2009 City-Association Agreement, if any change to §62.50, Wi. Stats. is enacted that affects the ability of the Association to arbitrate discipline, the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at mutually satisfactory modifications to Article 7 only.

#### **I. GRIEVANCE PROCEDURE**

##### **A. GRIEVANCES**

- 1. Differences involving the interpretation, application or enforcement of the provisions of this Agreement or the application of a rule or regulation of the Milwaukee Police Department affecting wages, hours, or conditions of employment shall constitute a grievance under the provisions set forth below. Matters of departmental discipline involving application of the rules or regulations of the Milwaukee Police Department which are not subject to appeal to the Board of Fire and Police Commissioners, shall constitute a grievance under the aforementioned provisions and matters of departmental discipline involving application of the rules or regulations of the Chief of Police which are subject to appeal to the Board of Fire and Police Commissioners shall not constitute a grievance under the aforementioned provisions. Matters involving approval of medical (or dental) insurance

claims filed by an employee, or medical (or dental) insurance claims filed by an employee on behalf of his/her dependents, shall not constitute a grievance under the aforementioned provisions.

Obligations of the City under Chapter 65, Wisconsin Statutes, and any pension matter under the exclusive jurisdiction or control of any duly constituted pension board shall not constitute a grievance under the provisions aforementioned.

2. Grievances over discipline shall be initiated at the level of the Grievance Procedure immediately above the level of the chain of command at which the discipline was administered, except that in cases of discipline administered by the Chief of Police the grievance shall be initiated at step 2 of the Grievance Procedure and be reviewed by the Chief of Police.
3. Steps 1 and 2, inclusive, of this Grievance Procedure shall be inapplicable to grievances involving health and life insurance benefits. A grievance concerning health insurance or life insurance benefits, other than a matter involving claims, shall be submitted directly to the City Labor Negotiator for review within fifteen (15) calendar days of the occurrence of the incident leading to such grievance. Within fifteen (15) calendar days following receipt of such grievance by the City Labor Negotiator, representatives of the MPA shall meet with the City Labor Negotiator, or his/her designee, at a mutually convenient time and place in an attempt to resolve the grievance. Following such meeting, the City Labor Negotiator shall answer the grievance in writing setting forth the reasons for his/her decision and submit same to the Association Grievance Committee Chairman within twenty-five (25) calendar days of such meeting. If the grievance is not settled, the Association may proceed to final and binding arbitration as hereinafter provided.
4. All grievances and grievance appeals shall set forth the provision of the

Agreement and/or the rule or regulation of the Chief of Police under which the grievance was filed. All appeals of duly filed grievances not submitted by the Association or employee (hereinafter referred to as "member") within the time limit specified shall be termed abandoned grievances and as such shall be considered as being resolved in favor of the City and not subject to provisions of this GRIEVANCE AND ARBITRATION PROCEDURE. By mutual agreement, the parties may waive any of the steps contained in this GRIEVANCE AND ARBITRATION PROCEDURE. With the consent of the Association, the City Labor Negotiator may waive any of the steps contained in this GRIEVANCE AND ARBITRATION PROCEDURE for grievances involving economic matters; this waiver provision shall not apply to grievances over matters of Departmental discipline.

5. In the event the Chief or Department takes a particular action which, in the Association's view, results in a violation of the agreement and such action adversely affects a number of members under circumstances that are essentially identical, the MPA grievance committee may file a group grievance on their behalf at the second step, within 15 calendar days of the occurrence of the incident leading to such grievance. The group grievance shall identify by name, all members alleged to have been adversely affected by such action. If the MPA grievance committee is unable to identify all members of the group, by name, within the time limit allowed for the filing of grievances, it shall specify those facts which cause the adversely affected members to be identically situated in its view. Before responding to the grievance, the Department shall provide the Association with information or access to information reasonably necessary for the Association to identify the members covered by the group grievance. The Association must identify all members covered by the group grievance before appealing

it to arbitration. Alleged violations occurring after the occurrence of the incident giving rise to the group grievance shall not be considered to be covered by the group grievance, even if the facts are alleged to be essentially identical. In such a case, separate grievances or group grievances must be timely filed in order to be considered. Nothing herein is intended to preclude the parties from agreeing to consolidate grievances and group grievances for purposes of arbitration.

## B. STEPS IN THE GRIEVANCE PROCEDURE

### STEP 1:

The aggrieved member shall reduce his/her grievance to writing on a provided numbered form and shall present such written grievance to his/her Association Steward. The Association Steward shall meet with the grievant and if the grievant so desires and the Association Steward so determines, the Association Steward shall present the written grievance to the grievant's district or bureau commanding officer within fifteen (15) calendar days of the occurrence of the incident leading to the grievance. Thereafter, the grievant, his/her Association Steward and his/her district or bureau commanding officer together with the grievant's immediate supervisor shall meet and discuss the grievance in a friendly manner and shall make every effort to resolve the grievance. The district or bureau commanding officer, if he/she deems it appropriate, may also discuss the grievance with the grievant's shift commander and may include him/her in the meeting. Following said meeting, the district or bureau commanding officer in consultation with the grievant's shift commander and immediate supervisor shall answer the grievance in writing, setting forth the reasons for his decision and submit same to the Association Steward and the aggrieved within fifteen (15) calendar days of receipt of the written grievance.

### STEP 2

If the grievance is not resolved in step 1 above, the MPA Grievance Committee Chairman, or his/her designee who shall be a member of the MPA bargaining unit, may within fifteen (15) calendar days of the receipt of the Step 1 decision appeal this decision to the Chief of Police. Failure to appeal said decision within said period of time shall constitute a settlement of the grievance. Said appeal shall be in writing and shall be submitted to the Chief of Police and therein a request shall be made for a meeting with the Chief of Police to consider the decision from Step 1. The Chief of Police and the Chief's Panel together with the MPA Grievance Committee Chairman, or his/her designee who shall be a member of the MPA bargaining unit, shall meet at a mutually agreeable time. The grievant shall be entitled to be present at such appeal meeting and shall have the right to be represented by the Grievance Committee Chairman, or his/her designee who shall be a member of the MPA bargaining unit, and the parties shall discuss the Step 1 decision in good faith and attempt to resolve the matter. Within thirty (30) calendar days of receipt of the written appeal to the grievance, unless the time period is mutually extended by the parties, the Chief shall, in writing, advise the Chairman of the MPA Grievance Committee and the grievant as to the Chief's decision with respect to the grievance. If an Association grievance is not settled at the second step, the Association may proceed to final and binding arbitration as hereinafter provided.

## II. GRIEVANCE ARBITRATION

- A. Final and binding arbitration may be initiated by serving upon the Chief of Police and City Labor Negotiator a notice in writing of an intent to proceed to final and binding arbitration within 30 calendar days of receipt of the second step answer. Said notice shall identify the grievance and the employees involved.
- B. Umpire

1. Grievance appeals properly submitted for final and binding arbitration shall be decided by an umpire mutually acceptable to the City and the Association.
  2. The umpire's term of office shall be six months and shall automatically be renewed for an identical term unless one of the parties submits to the other in writing an objection to such renewal no later than 30 calendar days prior to the expiration of the term. No renewal shall extend beyond the term of this Agreement. By mutual consent of the parties, an individual serving as umpire may be removed at any time. Upon non-renewal or removal of the umpire, either a new umpire, mutually acceptable to both parties, shall be appointed, or, in the event the parties, after 20 calendar days, are unable to agree on a mutually acceptable umpire, Part III, Section II. B. from the GRIEVANCE AND ARBITRATION PROCEDURE of the 1981-1982 City/Association Labor Contract shall be substituted for subsection B. of this Article and the word, "arbitrator" shall be substituted for the word, "umpire" wherever it appears in this Article.
  3. In accordance with the foregoing provisions and by their mutual consent, the parties agree to designate Byron Yaffe as umpire for the time period beginning on the execution date of the successor agreement to the City/MPA 2004-2006 Labor Agreement, and ending six (6) months thereafter.
- C. The umpire shall hold hearings at a time convenient to the parties, with the location of such hearings alternating between the MPA offices and the offices of the City Hall complex. The umpire shall take such evidence as in his/her judgment is appropriate for the disposition of the dispute. Statements of position may be made by the parties and witnesses may be called. In disputes involving application of rules or regulations of the Milwaukee Police Department, the Chief of Police or his or her representative shall be permitted to participate in the proceeding and to

state the Department's position on the dispute.

- D. The umpire shall neither add to, detract from, nor modify the language of the Agreement or of the rules and regulations in arriving at a determination of any issue presented that is proper for final and binding arbitration within the limitations expressed herein. The umpire shall have no authority to grant wage increases or wage decreases.
- E. The umpire shall expressly confine himself/herself to the precise issues submitted for arbitration and shall have no authority to determine any other issue not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching the determination.
- F. In reviewing any difference over application of a departmental rule or regulation under this grievance and arbitration procedure, the umpire shall take into account the special statutory responsibilities granted to the Chief of Police under Section 62.50, Wisconsin Statutes, 1977. The umpire shall not impair the ability of the Chief of Police to operate the Department in accordance with the Statutory responsibilities under Section 62.50, Wisconsin Statutes, 1977, nor shall he/she impair the authority of the Chief of Police to maintain, establish and modify rules and regulations for the operation of the Police Department, provided such rules and regulations are not in violation of the specific provisions of this Agreement. In addition, the umpire shall not prohibit the Chief of Police from executing Departmental rules and regulations in a fair and equitable manner.
- G. All expenses which may be involved in the arbitration proceedings shall be borne by the parties equally. However, the expenses relating to the calling of witnesses or the obtaining of depositions or any other similar expense associated with such proceedings shall be borne by the party at whose request such witnesses or depositions are required.
- H. For the purpose of receiving testimony and evidence, the provisions of Section 788.06 and 788.07 of the Wisconsin Statutes shall apply. The arbitration award

shall be reduced to writing and shall be subject to Sections 788.08 through and including 788.15 of the Wisconsin Statutes. All other sections and provisions of Chapter 788 are hereby expressly negated and of no force and effect in any arbitration under this Agreement.

- I. It is contemplated by the provisions of this Agreement that any arbitration award shall be issued by the umpire within sixty (60) calendar days after the notice of appointment unless the parties to this Agreement shall extend the period in writing by mutual consent.
- J. The umpire shall submit in writing his/her award to the parties.

## **ARTICLE 8**

### **PROHIBITION OF STRIKES AND LOCKOUTS**

- 1. The Association pledges itself to make every effort to maintain unimpaired the police service and protection of the community. It shall not cause, condone, counsel or permit its members, or any of them, individually or in concert, to strike, slow down, disrupt, impede or otherwise impair the normal functions of the Department.
- 2. Should one or more members of the bargaining unit, during the term of this Contract or any extension thereof, breach the obligations of Subsection 1, the City Labor Negotiator shall immediately notify the officers of the Association that a prohibited action is in progress.
- 3. The Association shall forthwith, and in any event, within twelve (12) hours, by the senior responsible officer of the Association, disavow said strike, shall order its member or members in writing to return to work or cease the prohibited activity and provide the City Labor Negotiator with a copy of its order, or alternatively accept the responsibility for the strike.
- 4. If the Association disavows the prohibited activity, the City shall not hold the Association financially responsible and the Association shall interpose no defense to the City's imposition of such penalties or sanctions as the City may assess against the participants.

Such penalties may include:

- a. Discharge
  - b. Loss of Compensation, vacation benefits and holiday pay.
5. There shall be no lockout by the City during the term of this Agreement.

4. Employees remaining in classifications they were in immediately prior to execution of this Agreement shall continue to be paid at the pay step at which they were paid immediately prior to execution of this Agreement. Employees entering new classifications during the term of this Agreement, where the biweekly pay rate of the maximum pay step for the new classification is greater than the rate for the maximum pay step of the classification the employee previously occupied, shall, upon entering these classifications, be paid at the lowest numbered pay step which pays more than the biweekly base salary they previously received. Employees entering new classifications during the term of this Agreement, where the biweekly pay rate of the maximum pay step for the new classification is less than or equal to the rate of the maximum pay step for the classification the employee previously occupied, shall continue to be paid at the pay step at which they were paid immediately prior to entering such new classification. Employees hired for employment during the term of this Agreement shall be paid at the lowest numbered pay step of the classification for which they are employed.
5. Employees completing one year of active service within a pay step other than the highest pay step shall advance to the next higher pay step of their classification. Employees in active service shall have time spent receiving a duty disability retirement allowance counted as active service for purposes of computing current and prospective pay step advancement.
6. Base salaries of employees shall be paid biweekly and shall be in compensation for the full performance of the regularly scheduled hours of work for the given biweekly pay period in accordance with the HOURS OF WORK provision of this Agreement. When less than the full schedule of hours is worked by an employee during any such biweekly pay period, the employee's biweekly base salary shall be reduced by an amount equivalent to one-eightieth (1/80) of his/her biweekly base salary for each hour or fraction thereof to the nearest 0.1 of an hour during which work is not performed.

7. The parties agree that where the City deems it necessary to aid recruitment, the City may make reallocations or change recruitment rates during the term of this Agreement; however, in such cases, the City agrees to inform the Association prior to implementing such changes.
8. The City reserves the right to make classification changes, but said changes shall not operate to reduce the salary of current incumbents. These changes shall not be subject to arbitration under any established grievance procedure.
9. While occupying the Police Matron classification, employees shall be entitled to the same biweekly base salary paid to employees occupying the Police Officer classification; they shall be paid at the numbered pay step for the Police Officer classification which corresponds to their pay step in the Police Matron classification.
10. Within sixty days following execution of the 2007-2009 Agreement, all employees shall participate in direct deposit of paychecks.
11. The parties elect not to be bound by the required frequency of wage payment provision of §109.03 (1) (a), Stats., in respect to retroactive wages payable under the terms of this Agreement. Retroactive wage payments under the terms of this Agreement shall be paid no later than sixty days from the execution of this Agreement. For purposes of this provision, the execution date of this Agreement shall be the date the resolution approving this Agreement is approved by the Mayor.

### **LONGEVITY PAY**

1. Except as provided in subsection 3 of this Article, below, each employee covered by this Agreement at the close of the calendar year who has completed at least ten (10) years of service but less than fifteen (15) years of service as of that time shall be eligible to receive \$250, each employee covered by this Agreement at the close of the calendar year who has completed at least fifteen (15) years of service but less than twenty (20) years of service as of that time shall be eligible to receive \$500, and each employee covered by this

Agreement at the close of the calendar year who has completed twenty (20) or more years of service as of that time shall be eligible to receive \$850. Effective for calendar year 2008 payments (paid in 2009), except as provided in subsection 3 of this Article, below, each employee covered by this Agreement at the close of the calendar year who has completed at least ten (10) years of service but less than fifteen (15) years of service as of that time shall be eligible to receive \$300, each employee covered by this Agreement at the close of the calendar year who has completed at least fifteen (15) years of service but less than twenty (20) years of service as of that time shall be eligible to receive \$550, and each employee covered by this Agreement at the close of the calendar year who has completed twenty (20) or more years of service as of that time shall be eligible to receive \$900. An employee's "years of service," as used herein, shall mean his/her active service as a member of the WERC-certified bargaining unit represented by the Association or its predecessor, the Professional Policemen's Protective Association.

2. Except as provided in subsection 3 of this Article, below, payments earned under these provisions shall be made as soon as is administratively practicable after December 31.
3. An employee retiring on normal pension, or resigning voluntarily from the Police Department shall be entitled to the benefits provided by subsection 1 of this Article, above, prorated on the basis of his/her active service in the calendar year he/she retired, computed to the nearest calendar month. For purposes of prorating, an employee on the Police Department payroll for at least 14 days in a calendar month shall be deemed as having been on the payroll for the full calendar month; in the event the employee is on the Police Department payroll less than 14 days in a calendar month, then the employee shall be deemed as not having been on the payroll at all during the calendar month. For purposes of determining eligibility for the benefits provided in subsection 1, above, years of service shall be computed as of the effective date of the employee's normal retirement or voluntary resignation. Payments earned hereunder shall be made as soon as is administratively practicable after the employee's retirement or voluntary resignation; the employee contribution required under subsection 5.b., below, shall be deducted from these

payments. All other provisions of this Article shall apply unchanged.

4. Except as provided in subsection 5 of this Article, below, payments made under the provisions of this Article shall not be included in the determination of overtime compensation or any other fringe benefits.
5. Employees in active service who retire from active service on normal pension shall have their Longevity Pay benefits included in final average salary for purposes of computing their service retirement allowance. For purposes of interpretation and construction of the provisions of this Article:
  - a. The Longevity Pay benefit to which the employee is entitled to include in the Final Average Salary computation shall be an amount equal to the Longevity Pay payment the employee received for December 31 of the calendar year immediately preceding the employee's effective date of retirement. For such employees who retire after December 31, 1997, and who have attained 20 years or more of service by the end of the calendar year which includes their effective date of retirement, that amount shall be the longevity pay payment the employee would have received had he or she remained in active service for the calendar year which includes his or her effective date of retirement.
  - b. Employees shall be required to contribute to their respective City pension funds \$1.00 of the Longevity Pay payment they received for that year. The contribution shall be a payroll deduction made at the time the payment is made.
6. Employees in active service shall have time spent receiving a duty disability retirement allowance counted as active service for purposes of computing current and prospective longevity benefits.
7. An employee who is on detached status under the Contract Administration provisions of this Agreement or an employee who has returned to active duty from detached status under the Contract Administration provisions of this Agreement, or a prior Agreement between the City and the Association, shall be entitled to these benefits under the terms and conditions set forth if the combination of his/her "years of service," as defined in

paragraph 1., hereof, and his/her service in detached status establish eligibility therefore.

8. An employee on a military leave of absence for performance of duty as a member of the State of Wisconsin National Guard or a reserve component of the Armed Forces of the United States shall be eligible for Longevity Pay benefits for a calendar year prorated on the basis of the employee's active service with the Department in that calendar year subject to the following:
  - a. The military leave is a result of being called to, or volunteering for, active duty under the authority granted to the President of the United States or the Congress of the United States for a period of more than 30 calendar days;
  - b. The length of service requirements provided in section 1., above, shall determine the amount of Longevity Pay benefits to which the employee is entitled;
  - c. Length of service shall be calculated as of the effective date the employee separated from active service with the Department and began his/her unpaid military leave of absence.
  - d. For purposes of prorating Longevity Pay benefits, an employee on the Police Department payroll for at least 14 days in a calendar month shall be deemed as having been on the payroll for the full calendar month; in the event the employee is on the Police Department payroll less than 14 days in a calendar month, then the employee shall be deemed as not having been on the payroll at all during the calendar month.

## **ARTICLE 12**

### **SPECIAL DUTY AND TEMPORARY ASSIGNMENT PAY**

1. Each employee in the Police Officer job classification shall be paid an additional amount for time spent underfilling the position of Desk Sergeant at the direction of his commanding officer. The additional amount for each hour of time so spent shall be equivalent to the difference between the base salary hourly rate of step one of Pay Range 808 and the Police Officer's base salary hourly rate.

2. Effective Pay Period 11, 1995, employees in the Police Officer classification who are assigned or continue to be assigned by the Chief to the Communication Operations Division to perform dispatch duties and the two Police Officers who are assigned or continue to be assigned to the Court Administration Section to perform work as court coordinators shall be entitled to receive temporary assignment pay for all active service in such assignments. For purposes of this paragraph only, temporary assignment pay is defined as a flat dollar amount equal to the difference between the maximum bi-weekly pay rate for pay range 801 and the maximum bi-weekly pay rate for pay range 804.
3. Any payment made under the provisions of this Article shall not have any sum deducted for pension benefits nor shall such payments be included in the determination of pension benefits or other fringe benefits.
4. Effective at the start of the first full pay period following execution of the 1998-2000 Agreement, the two individuals who are currently underfilling the position of Court Liaison Officer shall be appointed, through the appropriate procedures set forth by law, to that position.

## **ARTICLE 13**

### **MOTORCYCLE PAY**

1. Motorcycle traffic patrol duty shall also include the time spent performing the duties and responsibilities associated with winter storage of the officer's assigned motorcycle. Such duties shall be prescribed by the Chief of Police, who may, from time to time, change them. The duties shall include, but not be limited to, frequent visual inspection, periodic recharging of the motorcycle's battery, performing the prescribed shut down procedure at the beginning of winter storage and a start up procedure at the end of winter storage and washing and waxing the motorcycle. The duration of time spent by an employee in the performance of winter storage duties shall not exceed 1½ hours per month; no employee shall devote more time to such duties without obtaining prior authorization from the employee's commanding officer.

2. A motorcycle shall be stored only in a private storage area approved by the Chief. The period of winter storage shall be determined by the Chief of Police.
3. For the duration of the winter storage period, an officer who maintains his/her assigned motorcycle in an approved private storage area shall receive \$20.00 biweekly in addition to base salary in lieu of any other compensation for the duties (and the expected amount of time devoted to those duties) described in sections 1 and 2, above.
4. Except as modified by sections 1 through 3, all heretofore existing administrative procedures associated with the \$20.00 biweekly payments received by employees assigned to motorcycle traffic patrol duty shall remain unchanged.
5. Winter storage of City motorcycles and compensation therefore, as set forth in sections 1 through 4, may be terminated at any time at the sole discretion of the Chief of Police.

## **ARTICLE 14**

### **HOURS OF WORK**

1. The normal hours of work for employees covered by this Agreement shall consist of work shifts of eight (8) consecutive hours which in the aggregate results in an average normal work week of forty (40) hours.
2. Within the normal hours of work, any shift assignment of eight consecutive hours, which is of 10 consecutive eight-hour work shifts in duration or longer, with each eight-hour work shift starting at the same time or in the case of special assignments such as vice-squad with possible differing starting times for each eight-hour work shift shall be deemed to be a regularly scheduled eight-hour shift assignment; except that within the normal hours of work Christmas Store detail or Summerfest detail shall also constitute a regularly scheduled eight-hour shift assignment. The regularly scheduled eight-hour shift assignment of employees assigned to the Professional Performance Division (PPD) who perform duties traditionally performed by PPD, including criminal investigations of department members and investigations of claims to which the department is a party, shall be established in the same manner as that of employees assigned to the vice-squad as

stated above.

3. The regularly scheduled eight-hour shift shall be established by the Chief of Police in accordance with the requirements set forth above.
4. Except on those occasions when an emergency situation exists, if the Department desires to change the off days falling within a single pay period for a member who otherwise continues to be assigned to the same schedule and off day group, the member must be given personal notice of such change, at least seven days prior to the start of the pay period in question. If the Department fails to give such notice, all hours worked on either of the off days in question shall be treated as falling outside the regularly scheduled eight-hour shift, as provided in Article 15

## **ARTICLE 15**

### **OVERTIME**

#### 1. DEFINITION:

Overtime shall be all authorized assignments outside the regularly scheduled eight-hour shift as hereinbefore defined under the Article "Hours of Work." Notwithstanding the fact that trade off of work assignments or other rescheduling of work assignments authorized by the Department at the request of the employee results in work assignments outside of the regularly scheduled eight-hour shift, such time shall not be considered overtime.

#### 2. OVERTIME RATES

- a. Overtime earned as a result of training time or roll-call time shall be compensated for at base salary rates (1X).
- b. Overtime earned as a result of court time shall be compensated as follows:
  - (1) Each court appearance less than or equal to two and one-half (2½) hours in duration shall be compensated at one and one-half base salary rates

(1½X); however, a minimum of two and one-half (2½) hours' pay at one and one-half base salary rates (1½X) shall be granted employees covered by this Agreement when said employees are officially required to appear in court on their own time, provided said employees are excused before completing the two and one-half (2½) hour minimum.

(2) Each court appearance greater than two and one-half (2½) hours in duration shall be compensated at one and one-half base salary rates (1½X) for the entire time of such appearance.

(3) Notwithstanding the foregoing, within any court appearance, the first hour of court-ordered lunch time shall be unpaid.

(4) Parking During Court Overtime Appearance

Subject to the following terms and conditions, the City will provide employees with City-paid parking at MacArthur Square parking facility (located at 841 N. James Lovell Street) when they are on authorized Police Department business during off-duty hours as a result of either a court overtime assignment or when ordered to the Police Department Administration Building by a commanding officer:

(a) If the MacArthur Square parking facility has no available parking space, the City will honor parking receipts from the MATC parking facility.

(b) Each instance of City-paid parking shall be limited to:

i. Court Overtime

The duration of the employee's court overtime appearance

beginning at the time the employee is required to be in court, ending at the time the employee is released by the court and including a reasonable amount of time for the employee to get to and from his/her parked vehicle. An employee assigned to the early shift on a regular basis who receives City-paid parking hereunder as a result of a court appearance during his/her off-duty hours shall also be entitled to an extension of such parking until the end of his/her assignment on that date if he/she is assigned to early shift duty on that date and the conclusion of the court appearance falls within two hours of the start of his/her shift.

ii. Authorized Departmental Business at Police Administration Building

The duration of the employee's appearance at the Police Administration Building beginning at the time the employee is required to be there, ending at the time the employee is released by the Department and including a reasonable amount of time for the employee to get to and from his/her parked vehicle.

- (c) In order to receive City-paid parking benefits, the employee shall, immediately following the conclusion of a court appearance, present the court overtime time card for that appearance and the

designated parking facility receipt covering the time period of the appearance to a supervisory police officer designated by the Police Department Administration. The overtime card shall indicate the duration of the court appearance. Based on the overtime card, the designated supervisory officer shall authorize the payment of the parking fee to cover the time period of the court appearance and a reasonable amount of time for the employee to get to and from his/her vehicle and the court. The time allowed to get to and from the employee's parked vehicle and the court shall be the same as in provided in Departmental Order #8947, adopted November 27, 1984. This Order provides that each instance of City-paid parking shall be limited to the duration of the employees' court overtime appearance and include actual time up to 30 minutes prior to the start of the court overtime and no more than 30 minutes after the conclusion of the court overtime. City-paid parking benefits associated with an employee's appearance at the Police Department Administration Building during off-duty hours on authorized Departmental business pursuant to order of a commanding officer shall be administered in accordance with procedures established for that purpose by the Police Department Administration.

- (d) The City shall be held harmless against any and all claims, actions and lawsuits relating to theft or personal property damage brought

against the City by employees using parking facilities pursuant to the parking allowance benefits provided herein. The City shall be held harmless against any and all claims, lawsuits, actions, damages and judgments due to the employee's operation of his or her private vehicle at parking facilities which are subject to the parking allowance benefits provided herein. Nothing herein would operate to relieve the City of any liability it may have arising from its actions or omissions or preclude the employee from pursuing any rights or claims he/she may have under Wisconsin State Statute 895.46.

- c. Overtime earned as a result of an authorized eight-hour shift assignment which falls outside the regularly scheduled eight-hour shift in whole or in part and which because of the nature of the work performed does not fall within 2.a. or 2.b., above, shall be compensated at one and one-half (1½X) the base salary rate, except that if an employee's regularly scheduled eight-hour shift, as established by the HOURS OF WORK provision of this Agreement, is changed, then all time worked on the new regularly scheduled eight-hour shift shall be compensated at (1X) the base salary rate.
- d. Overtime earned as a result of an authorized assignment outside of the regularly scheduled shift which does not fall within 2.a., 2.b. or 2.c., above, shall be compensated at one and one-half (1½X) the base salary.

### 3. OVERTIME PAYMENTS

#### a. Definitions

##### (1) Compensatory Time Off Balance (CTB)

The term "compensatory time off balance (CTB)", as used in subsection 3 of this Article, shall mean the unused amount of overtime the employee has

earned that was compensated in time off instead of cash.

(2) Overtime Earned

The term “overtime earned,” as used in subsection 3 of this Article, shall mean the amount of overtime worked times the rate at which it is compensated; for example, one hour of overtime worked that is compensated at straight time rates (1X)\*<sup>1</sup> under this Article shall equal one hour of overtime earned and one hour of overtime worked that is compensated at a rate of time and one-half (1½X) under this Article shall equal 1½ hours of overtime earned.

b. Payment

All overtime earned for work performed during the term of this Agreement, shall be paid for in cash except that:

- (1) If an employee’s compensatory time off balance (CTB) recorded on the most current Police Department Personnel Status Report is less than 225 hours, the employee may elect to be compensated in time off instead of cash for each instance of overtime work performed after issuance of the most current Status Report until issuance of the next Status Report which indicates the employee’s CTB is equal to or greater than 225 hours.
- (2) An employee may use compensatory time off on dates he/she has requested provided the employee gives his/her commanding officer reasonable advance notice of the dates requested and the dates are determined available by the commanding officer in accordance with the needs of the Police Service. The processing of requests for use of compensatory time off shall be on a first-come, first-served basis. Decisions made by the employee’s commanding officer with respect to the availability of the

---

<sup>1</sup> \*Less than two and one half hours of Court Overtime worked shall equal two and one half hours of overtime earned at 1.5X Base Salary.

dates the employee has requested shall be subject to all of the provisions of subsections 3.b. (3) and (4).

- (3) The parties recognize and shall implement the U.S. Department of Labor's position that prior to denying a request to use accrued compensatory time, and even when granting the request would bring operations below prescribed staffing levels, an employer must first attempt operational alternatives to fill its prescribed staffing levels by using replacement officers at premium overtime rates when required by the FLSA. Accordingly, the City, working with and through the Milwaukee Police Association, has established a system which guarantees that no one is denied compensatory time off when prescribed staffing levels can be met through a replacement (paid at FLSA premium rates where they apply). If a police officer is denied a request to use compensatory time on the regularly scheduled shift that the officer has requested, whether on the basis of prescribed staffing levels or for any other reason(s), the provisions enumerated as subsections (a) through (k) at the end of this paragraph will be utilized in order to obtain, when at all possible, a suitable replacement for the officer, excepting under the following circumstances in which the below-described duties fall within the officer's regularly scheduled shift:
- (aa) where that police officer is required to testify at a hearing, trial, or other proceeding on behalf of the City (including, *inter alia*, Fire and Police Commission meetings or hearings, grievance arbitrations, or lawsuits) to the exclusion of any other police officer, and where he or she has not been subpoenaed to testify;
  - (bb) where a police officer is mandated to appear at a charging conference in the office of the District Attorney, or before any other public prosecutor, and where his or her involvement in the arrest or other pertinent events mandates that the police officer appear to the

exclusion of any other police officer; and

(cc) in those circumstances where the police officer (excluding those assigned to the Patrol Bureau and excepting those police officers assigned to the Patrol Support Division), possesses unique technical skills which are required to be made available to the Police Department during a particular period of time. In the event that an officer is denied compensatory time off (or is initially granted compensatory time off and is subsequently denied) under this subsection (cc), s/he shall be compensated at the rate of 1-1/2x (or 2x if cancelled within 24 hours of the start of the compensatory time previously granted) for all hours of that shift for which compensatory time off had been requested if the following conditions are satisfied prior to notification by the Department that s/he would be required to work during that time:

1. the officer made arrangements for a replacement; and
2. both the officer requesting compensatory time off and the replacement executed and filed with the Department the forms specified in Article 15 Section 3.b.(3)(1), of this paragraph, below.

The Chief of Police shall develop a form, which will be posted at each work location throughout the Police Department, upon which employees seeking replacements may identify themselves and the pertinent date(s). The availability of this form shall not preclude the use of replacements obtained by police officers through other means. The following conditions will apply to replacements obtained under this subsection. If these conditions are fulfilled, the replacement will work in place of the employee who has requested the use of compensatory time off and that request shall be granted.

- (a) Arrangements for a replacement must be made and confirmed at least 48 hours in advance of the start of the compensatory time which is to be taken off.
- (b) The replacement worker is within the same “box” as shown on the “Milwaukee Police Department Organizational Chart” attached hereto as page 1 of Appendix G (as may be in effect, modified or changed from time to time by the Department or the Fire and Police Commission) as the employee exercising his/her right to use compensatory time off, except as specifically provided on page 2 of Appendix G or unless the employee’s commanding officer in his or her discretion approves a replacement obtained by the employee from a different “box.” In the event that the Department or the Fire and Police Commission modifies the organizational chart, the parties will immediately engage in collective bargaining to provide for reasonably comparable access to replacement workers.
- (c) The replacement must have more than one (1) year of service from date of hire and must have completed field training.
- (d) The replacement must be of the same rank as the employee requesting use of compensatory time off.
- (e) The replacement will be permitted to work as a replacement only on a day when he/she would otherwise be on a regular day off.
- (f) An employee is ineligible to work as a replacement for more than two (2) regular off days in a pay period.

- (g) An employee is ineligible to work as a replacement for more than four (4) hours during a shift that immediately precedes or follows that employee's regular work shift, not to exceed two (2) occasions per pay period. However, if, because of staggered shifts, the shift of the officer who is being replaced ends or begins one hour before or after the shift of the replacement officer, such shift shall be deemed to "immediately" precede or follow the replacement's regular work shift. When this occurs, the replacement shall work the one-hour of gap (for a maximum of five (5) hours work), which gap time shall be compensated as if it was regular replacement time, as specified in subsection (h), immediately below.
- (h) The regular shift replacement hours will be compensated in cash at straight-time (1X) rates (except for the four (4) contractual holidays specified at Article 32 paragraph 1 of this Agreement which will be paid at 1½X Base Salary). Time worked as a replacement under this subsection shall be counted as "hours worked" for FLSA purposes, so long as the requirements of the FLSA apply to the City.
- (i) The replacement will not receive out-of-shift premium.
- (j) The replacement shall be subject to all of the obligations applicable to any employee who is regularly scheduled for duty.
- (k) If the replacement reports sick on a day when he/she is scheduled to work as a replacement, he/she will be ineligible thereafter to

work as a replacement for a period of 90 days. If the replacement reports injured off-duty on a day when he/she is scheduled to work as a replacement, the replacement will be ineligible thereafter to work as a replacement for a period of 90 days unless: (1) the off-duty injury occurred subsequent to the time at which the replacement agreed to serve in that capacity; and (2) the replacement provides medical substantiation of the off-duty injury.

- (1) A replacement will, at the time of his/her selection, execute on a form prescribed by the Chief of Police his/her agreement to serve as a replacement in accordance with the terms and conditions of this Agreement. The officer taking compensatory time off who arranged for the replacement will also execute this form.
- (4) An officer, at his/her option and under preexisting practices, may also seek a “body-for-body” trade as allowable under 29 C.F.R. § 553.31 (“Substitution”) in order to use compensatory time off when desired. This shall not be a prerequisite to the procedure set forth in subsection 3.b.(2) and (3) for obtaining a replacement.

c. Compensatory Time Off Segments

- (1) Subject to the terms and conditions provided for in subsection 3.b.(2) of this Article, above, and except as provided in 3.c.(2), below, an employee authorized to use earned compensatory time off must use it in units of either eight-hour days or four-hour segments.
- (2) Subject to the terms and conditions provided for in subsection 3.b.(2) of

this Article, above, an employee may request to use earned compensatory time off in units of one (1) hour for purposes of significant personal importance. Such requests will be granted at the discretion of the supervisor consistent with the needs of the service and shall not be denied arbitrarily or capriciously. It is understood that the needs of the service are of preeminent importance in weighing such requests.

4. All overtime shall be at the option of the Chief of Police.
5. Application of the provisions contained in this Article shall not involve pyramiding of overtime. During a period of time there are two (2) concurrent overtime rates, the following procedure shall be used to determine the rate for that period:
  - a. If both rates are at time and one-half ( $1\frac{1}{2}X$ ), the employee is paid at a rate of time and one-half ( $1\frac{1}{2}X$ ).
  - b. If one of the rates is time and one-half ( $1\frac{1}{2}X$ ) and the other straight-time ( $1X$ ), the employee is paid at a rate of time and one-half ( $1\frac{1}{2}X$ ).
  - c. If both rates are straight-time ( $1X$ ), the employee is paid at a straight-time ( $1X$ ) rate.
  - d. For purposes of construction and interpretation of this provision, a court appearance involving the three and three quarter hour court overtime minimum payment shall be deemed a two and one-half-hour period of time and one-half ( $1.5X$ ) overtime beginning with the start of such court appearance.
6. The hourly pay used in the computation of overtime shall be equal to one-eightieth ( $1/80$ ) of the employee's current biweekly base salary as provided for in the BASE SALARY provision of this Agreement.

7. Overtime shall be compensated for each actual hour or nearest 0.1 of an hour of authorized overtime worked.
8. Any payment made under the provisions of this Article shall not have any sum deducted for pension benefits nor shall such payments be included in the determination of pension benefits or other fringe benefits.
9. The terms and conditions agreed to between the parties in respect to Police Band overtime (except as stated below), court overtime parking and negative comp time balances, which are set forth respectively in City/MPA Memoranda of Understanding dated: September 14, 1983 (Police Band Overtime), October 12, 1983, and November 16, 1983 (Court Overtime Parking) and December 15, 1983 (Negative Comp Time Balances) shall be incorporated into the provisions of this Article and be made a part of this Agreement as Appendix B. The terms and conditions of the Memorandum of September 14, 1983 (Police Band Overtime) shall be amended to provide that the Compensatory Time Off Bank (CTB) time is the same as provided in subsection 3.b.(1) of this Article.
10. Miscellaneous Overtime Provisions
  - a. Roll Call

Existing roll-call time practices will be maintained for the term of this Agreement or any agreed-upon extension thereof. Effective August 11, 1985, and for so long as employees are covered by the Fair Labor Standards Act (FLSA) during the term of this Agreement, or any agreed upon extension thereof, the 18-minute roll-call period shall be reduced to a 12-minute period with all overtime earned during such 12-minute period compensated at time and one-half (1½X) the base salary

rate. If and when employees are no longer covered by the FLSA, the roll-call period shall be increased to an 18-minute period and overtime earned as a result of roll-call shall be compensated at base salary rates (1X). Identification Technicians who are assigned to perform street duties shall attend roll call and receive roll call pay.

b. Compensatory Time Off

If and when the City is required by law to pay cash for overtime work performed that could otherwise have been paid for in compensatory time off under the provisions of this Agreement, the City may modify overtime provisions to assure that overtime compensation (whether in cash, compensatory time, or both) for all overtime work performed shall not exceed 1½X the employee's base rate of pay.

trial proceeding that was solely for the dispositional phase of the trial proceeding, shall be compensated at a flat rate equal to two (2) hours of pay computed at the employee's base salary rate (1X) in effect at the time of the appearance. 4. Fire and Police Commission Overtime Payments

Fire and Police Commission Overtime earned under the provisions of this Article shall be compensated for in cash or compensatory time off in accordance with, and subject to, the provisions of subsection 3 set forth in Article 15 of this Agreement. Fire and Police Commission Overtime earned, that is compensated for in compensatory time off shall count towards the employee's CTB and be recorded on the Police Department Personnel Status Reports. 7. The hourly pay used in the computation of Fire and Police Commission Overtime shall be equal to 1/80th of the employee's biweekly base salary in effect at the time of the FPC

trial proceeding for which such compensation is being provided.

8. Except for compensation received under subsection 9 of this Article, any payment made under the provisions of this Article shall not have any sum deducted for pension benefits nor shall such payments be included in the determination of pension benefits or other fringe benefits.
9. An employee under subpoena to a FPC trial proceeding during the period which falls within his/her regularly scheduled eight-hour work shift shall be entitled to his/her regular base salary for that period; provided that such employee is not on paid leave, was actually scheduled to work or worked a portion of such shift. - c. An employee meeting the eligibility requirements for election of life insurance coverage must make such election within 30 consecutive calendar days after the date eligibility is first established. An employee re-employed subsequent to a separation from active service, for whatever reason, must re-establish his/her eligibility for life insurance coverage on the same basis that would be applicable to a new employee having the same starting date that the re-employed employee had following re-employment.
- f. An employee who has previously waived life insurance coverage provided by the City, either hereunder or otherwise, while employed with the City or a City

Agency (the term, "City Agency" being as defined in subsection 36.02(8) of the Milwaukee City Charter, 1971 compilation, as amended) shall be permitted to elect life insurance coverage only on such terms and conditions as are established and maintained from time to time by the City and/or its life insurance carrier.

  - (1) An employee may elect Reduced Coverage at the time of retirement or, commencing with the second January 1 following the employee's effective retirement date, within the 30 calendar day period immediately preceding January 1 of the calendar year. Such election shall be in writing on a form prescribed by the City, and shall be submitted to a City-designated administrator within time limits prescribed by the City. Once elected, the amount of an employee's Reduced Coverage shall remain unchanged, except as provided in paragraph 7.c.(2) below.
  - (2) An employee or retiree eligible for Reduced Coverage may modify the amount of his/her retiree life insurance coverage (either Maximum Coverage or Reduced Coverage) for a calendar year by executing a change of coverage form prescribed by the City within the 30 calendar day time period immediately preceding January 1 of the calendar year (but not earlier than the second January 1 following the employee's effective retirement date), in accordance with procedures established for this purpose by the City. #### 8. Additional Insurance

Employees shall be eligible to purchase additional life insurance in an amount not to exceed three (3) times the employee's base salary at no cost to the City. ## **ARTICLE 21**

### **HEALTH INSURANCE**

#### 1. Benefits

##### a. Basic Plan

During the term of this Agreement, Basic Plan health insurance benefits shall be the same as the Basic Plan benefits that were provided in the 2004-2006 City/Association Agreement, including the following provisions:

- (1) Every medical procedure that can be performed on an outpatient basis shall not be covered by these benefits when the procedure is performed on a hospital inpatient basis. Procedures that can be performed on an outpatient basis that are done on an inpatient basis in conjunction with other procedures requiring inpatient status, or any procedures performed on an inpatient basis that constitute a medically verifiable exception (as determined by the Utilization Review Contractor) to the requirement that it be performed on an outpatient basis, shall be covered.
- (2) A Utilization Review Case Management Program (UR/CM) program shall be established by the City for all elective procedures. Elective procedures subject to the UR/CM program shall include all treatments for mental health disorders and substance abuse and home health care services. The program would be an independent review that assures each patient that the proposed hospitalization is necessary, based upon the medical condition of the patient, delivered in the most appropriate medical setting (inpatient or outpatient) and fair and equitably priced. Whenever an elective procedure is recommended for an employee, or his/her dependents, by a physician, the employee shall be required to notify the designated UR/CM program

representative of this fact by telephone at the time such procedure is recommended, in accordance with procedures established by the Employee Benefits Manager for that purpose. Any elective procedure not submitted to the designated UR/CM program representative shall not be covered by these benefits. UR/CM shall determine whether or not a procedure is elective. Within 48 hours of the hospital admission time for any urgent or emergency procedure performed on an employee, or his/her dependents, the employee or adult responsible for him/her, shall be required to notify the designated UR/CM program representative of this fact by telephone in accordance with procedures established by the Employee Benefits Manager for that purpose; provided however, that if bona fide medical circumstances applicable to the employee preclude compliance with the 48-hour notification requirement, UR/CM shall authorize reasonable extension of this time limit consistent with such medical circumstances or the availability of an adult responsible for the employee. Following its review of an elective procedure contemplated for an employee, or his/her dependents, UR/CM will inform the employee of its determination in respect to approval or denial of the procedure. After the patient informs his/her physician that the proposed elective procedure must be approved by the UR/CM program representative and the physician has contacted such representative, the UR/CM program will determine if the procedure will be approved or denied. If the physician and the UR/CM program representative disagree, discussions between them will continue in an attempt to resolve the disagreement. If discussions over five working days do not resolve the issue, the Employee Benefits Manager shall appoint a local physician who practices in a medical field relevant to the contemplated elective procedure and who is not affiliated with the employee's physician. The second physician's findings shall be submitted

to the UR/CM program representative for review. If the second physician's prescribed treatment is approved by the UR/CM program representative, it shall be the treatment which is covered. In the event that both physicians either prescribe the same course of treatment, or each prescribes a different one, and the procedure(s) does(do) not meet the standards of the UR/CM program representative, and no compromise can be effected, the UR/CM program representative will approve the course of treatment prescribed by the employee's physician. Once established, the foregoing appeal procedure shall remain in effect until the execution date of the successor contract to this Agreement.

- (3) The major medical deductible shall be \$100 per person, \$300 per family maximum on the Basic Plan.
- (4) Transplant Benefit
  - (a) Medically necessary human to human heart transplants shall be a covered benefit under the Basic Plan. The participant must obtain prior authorization from the Utilization Review Contractor. The Utilization Review Contractor shall determine the medical necessity.
  - (b) The aggregate lifetime maximum benefit limit per participant for all organ or tissue transplant services for all covered transplant procedures is \$250,000. This aggregate lifetime maximum benefit limit applies to all benefits arising out of an organ or tissue transplant.
- (5) The maximum annual benefit per participant for outpatient services for alcoholism, drug abuse and nervous and mental disorders provided in the outpatient department of a hospital, an Outpatient Treatment Facility or a physician's office, that is provided under the "Hospital Surgical-Medical Group Master Plan Document for City of Milwaukee" shall be two thousand dollars (\$2,000). The maximum benefits provided under the

"Major Medical Coverage" section of the Basic Plan for benefits for professional services for psychiatric care, including any type of nervous or mental care provided to a participant without confinement, shall be 80% of two thousand (\$2,000) of charges.

- (6) The Major Medical lifetime maximum benefit shall be \$500,000.

b. Health Maintenance Organization (HMO) Plans

- (1) Except as provided in subsection 1.b.(2), hereunder, employees shall have the right to select coverage under an HMO Plan approved by the City in lieu of coverage provided by the Basic Plan. The benefits of the HMO plans will be substantially the same as the Basic Plan benefits. The benefits for employees enrolled in an HMO plan offered by the City shall be the uniform benefits specified in the 1999-2000 City of Milwaukee's Request for Proposals from Health Maintenance Organizations.
- (2) Effective upon execution of the 2007-2009 Agreement, the City may offer to employees an Exclusive Provider Organization (EPO) Plan instead of or in addition to a Health Maintenance Organization (HMO) Plan. An EPO Plan offered by the City shall use a Southeastern Wisconsin network and shall only include in-network benefits. There shall be no coverage for services obtained outside of the EPO Plan network. The benefits for employees enrolled in an EPO Plan offered by the City shall be the uniform benefits specified in the 1999-2000 City of Milwaukee's Request for Proposals from Health Maintenance Organizations. In the event that the City offers an EPO Plan instead of or in addition to an HMO Plan, any references to "Health Maintenance Organization" or "HMO" in this Agreement shall be understood to also refer to an "Exclusive Provider Organization", "EPO", or to a combination of Health Maintenance Organizations and Exclusive Provider Organizations.

(3) Effective January 1, 2008, the following co-payments shall be implemented:

- (a) An employee shall pay a \$10.00 office visit co-payment (OVCP) for all office or urgent care visits due to illness or injury, except as noted in 1.b.(3)(b) and (c), hereunder.
- (b) The OVCP shall be waived for preventive exams, tests, and other age-appropriate procedures as determined by the plan for screening, pre-natal and baby wellness.
- (c) The OVCP shall be waived for on-going disease management office visits as determined by the plan.
- (d) An employee shall pay a \$50.00 emergency room co-payment for each emergency room visit.
- (e) The prescription drug card plan under the uniform benefits shall be replaced with a three-tier drug card plan. The designation of legend drugs and the assignment of drugs to the following tiers shall be determined by the plan:
  - i. Tier 1 co-payment equal to \$5.00;
  - ii. Tier 2 co-payment equal to \$17.00;
  - iii. Tier 3 co-payment equal to \$25.00;
  - iv. Legend Drugs co-payment equal to \$5.00;
  - v. Mail Order Drug co-payment amount for a three-month or 90-day supply shall be equal to the co-payment amount for a two-month or 60-day supply.

c. Basic Dental Plan

Basic Dental Plan insurance benefits shall be the same as the benefits provided for in the DENTAL SERVICES GROUP CONTRACT FOR THE CITY OF MILWAUKEE, effective October 17, 1981 executed April 26, 1982, except that:

The age limit at which the orthodontic benefits

provided for under the "Orthodontics" Section of said DSG CONTRACT cease for participants shall be changed from age 19 to age 25; all other terms and conditions applicable to orthodontic benefits shall remain unchanged.

The dental insurance coverage for an eligible employee electing coverage under the Basic Dental Plan shall be in lieu of the coverage provided by Prepaid Dental Plans (PDP).

d. Prepaid Dental Plans (PDP)

Employees shall have the right to select coverage under a Prepaid Dental Plan (PDP) approved by the City in lieu of the coverage provided by the Basic Dental Plan.

e. Provisions Applicable to All Plans:

- (1) The City will not pay for any services or supplies that are unnecessary according to acceptable medical procedures.
- (2) The City shall have the right to require employees to execute a medical authorization to the applicable Group to examine employee medical and/or dental records for auditing purposes.
- (3) The City shall have the right to establish methods, measures and procedures it deems necessary to restrict abuses and/or excessive costs in application of the benefits provided under subsections 1.a. through 1.d., inclusive, of this Article, above.

Notwithstanding the foregoing, an employee's health insurance coverage shall not terminate so long as he/she and/or his/her dependent(s) are eligible for and receiving health insurance coverage under the specific provisions of this Agreement that are applicable to individuals not on the Department payroll. Except for suspensions (as provided above) this exception does not extend the termination date of an employee's dental insurance coverage beyond the last day of the calendar month in which the employee is removed from the Department payroll.

- ii. The employee contributions shall also increase \$20.00 per month over the amounts specified in 3.a.(1)(b)i., above, for each adult covered by the plan (maximum of two, excluding dependent children) who chooses not to fully participate in and complete the HRA.
- iii. For an employee in the single plan and for an employee and his or her spouse (if applicable) in the family plan who participate fully in the HRA and who do not smoke (as determined by the HRA), the employee contribution shall be \$75.00 per month for single enrollment when an employee's enrollment status is single and \$150.00 per month for family enrollment when an employee's enrollment status is family. The amount of employee contribution shall be deducted from the employee's pay check on a monthly basis. (2) Health Maintenance Organization – Calendar Years 2007 and 2008

- (a) For employees in active service enrolled in a health maintenance organization during calendar years 2007 and 2008, the City will contribute an amount towards meeting the subscriber cost for enrollment in the HMO Plan elected of up to 100% of the monthly

subscriber cost of single enrollment in the HMO offered by the City pursuant to section 1.b., hereof, having the lowest single enrollment subscriber cost to the City when an employee's enrollment status is single or up to 100% of the monthly subscriber cost of family enrollment in the HMO offered by the City pursuant to section 1.b., hereof, having the lowest family enrollment subscriber cost to the City when an employee's enrollment status is family. If the subscriber cost for enrollment in the plan elected exceeds the maximum City contribution provided, the employee shall have the amount of excess cost deducted from his/her paycheck on a monthly basis.

(3) HMO – Calendar Year 2009

- (a) Effective January 1, 2009, an employee enrolled in an HMO plan shall contribute \$20.00 per month toward the monthly subscriber cost of the HMO plan when such employee's enrollment status is single and \$40.00 per month toward the monthly subscriber cost of the HMO plan when such employee's enrollment status is family.
- (b) Effective the first full calendar month following implementation of the annual HRA but not sooner than January 1, 2009, an employee enrolled in an HMO plan shall contribute the following amounts:

(e) The maximum City contributions provided above shall be determined by the employee's effective enrollment status; when his/her enrollment status is single, the above maximum shall be computed using the subscriber cost established for single enrollment status and when it is family, such computation shall be based on the subscriber cost established for family enrollment status.

(4) An employee who exhausts his/her sick leave during the term of this Agreement shall be permitted to maintain the benefits for the plan he/she

was covered under on the date his/her sick leave was exhausted for up to six (6) months immediately following that date so long as the employee is unable to return to work because of medical reasons. For calendar years 2007, 2008 and 2009, the City's contribution shall be as provided in subsection 3.a. of this Article, above. This provision shall not cover retirees (including disability retirements).

b. Duty Disability

For Calendar Years 2007, 2008 and 2009

Depending on the individual's single/family enrollment status, the cost of coverage for individuals receiving a duty disability retirement allowance shall be as provided for in subsection 3.a. of this Article, above.

Unused Sick Leave is expressed in eight-hour work days and represents the amount of earned and unused sick leave credited to an employee's sick leave account on the effective date of his/her retirement.

City Contribution is expressed as a percentage of the effective Basic Plan subscriber cost for the enrollment status applicable to the retiree and represents the maximum contribution made by the City on behalf of such retiree.

If the per capita subscriber cost for enrollment in the plan selected by the retiree exceeds the maximum City contribution for retirees provided, the retiree shall have the amount of such excess cost deducted from his/her pension check.

(2) Surviving Spouse

The provisions of subsection 3.c.(1) shall be applicable to a surviving spouse eligible for retiree health insurance benefits under subsections 2.b or 2.c. of this Article. An eligible surviving spouse without eligible dependents shall be covered by subsection 3.c.(1)(a); in all other circumstances he/she shall be covered by subsection 3.c.(1)(b). For purposes of interpretation and administration, the age the deceased retiree would have been shall determine the City contribution.

d. Duty Death

Depending on single/family enrollment status, the cost of coverage for the surviving spouse of an employee receiving a duty death pension, under either Section 36.05(5) of the ERS Act or Chapter 35.01(34) of the Milwaukee City Charter, shall be as

follows:

During calendar years 2007, 2008 and 2009, the City will contribute an amount toward meeting the subscriber cost for enrollment in the plan elected of up to 100% of the monthly subscriber cost of either single or family enrollment in the Basic Plan. If the subscriber cost for enrollment in the plan elected exceeds the maximum City contribution provided, the employee shall have the amount of excess cost deducted from his/her paycheck on a monthly basis.

e. Cost of Health Insurance After Conversion From Duty Disability

Upon conversion from a duty disability retirement allowance to a service retirement allowance, the cost of the retiree health insurance coverage to which he/she is entitled hereunder until he/she attains age 63 shall be as provided under subsection 3.a. of this Article. The benefits shall be in lieu of the benefits provided under subsection 3. c. Thereafter, until attainment of age 65, the cost of such coverage shall be as provided under subsection 3.c. of this Article, except that the individual's unused sick leave as of the effective date his/her duty disability retirement allowance commenced shall be used to compute the City-paid retiree health insurance benefits to which he/she is entitled hereunder.

4. Cost of Coverage -- Dental Plan Only

For calendar years 2007, 2008 and 2009, the City will contribute an amount up to \$13.00 per month for single enrollment and an amount up to \$37.50 per month for family enrollment towards meeting the subscriber cost of the dental plan. If the subscriber cost for single or family enrollment in the Dental Plan exceeds the maximum City contribution provided, the employee shall have the amount of such excess cost deducted from his/her paycheck on a monthly basis.

5. Self-Administration Offset

The per capita subscriber costs associated with the health or dental insurance coverage

provided by each of the plans listed in subsection 1., above, includes amounts allocable to the administrative costs of the carriers providing such coverage. If the City elects to self-administer the Basic Plan and/or the Basic Dental Plan, then effective with the calendar month during which this election becomes effective, and so long as it continues in effect, the maximum City contributions provided in subsections 3 and 4, above, for employees covered by such a self-administered plan shall be reduced by an amount equal to 100% of the difference between the monthly administrative costs associated with such plan prior to the effective date it became self-administered and the monthly administrative costs associated with the plan when it is self-administered, capitated for each subscriber in the plans on the basis of single or family enrollment status. While in effect, this provision shall not increase an employee's payroll deductions required to meet the costs of his/her health/dental insurance benefits beyond the deductions that would be required under subsections 3, 4 and 8 of this Article, if the provision was not in effect.

6. Right of City to Select Carrier

It shall be the right of the City to select and, from time to time, to change any of its carriers that provide the benefits set forth in subsection 1. of this Article; at its sole option, the City shall have the right to provide any or all of these benefits on a self-insured basis and/or to self-administer them (in this circumstance, the term "carrier" as used in this Article shall also mean self-insurer and/or self-administrator).

7. Non-duplication

- a. If more than one City employee is a member of the same family, as that term is defined in provisions of the Plans defined in subsection 1. of this Article, the coverage shall be limited to one family plan.
- b. In the event a program of health insurance is adopted by the Federal or State government and the City is required or elects to participate, benefits under the City plan shall be coordinated with such systems but shall not operate to increase or diminish the extent of the coverage.
- c. A retiree shall be ineligible to receive the retiree health insurance benefits provided

hereunder when receiving health insurance benefits from other employment or from the employment of the retiree's spouse if the benefits received by the spouse cover the retiree.

- d. City health insurance cost contributions provided hereunder to retirees shall be in lieu of any other City retiree health insurance contributions provided by ordinance, resolution or by other means, while retirees are receiving the benefits hereunder.
- e. After the deductible is paid, the employee's share of the cost for claims made under the Major Medical co-insurance provisions shall not be less than 20%.
- f. In the event an employee becomes eligible for Medicare benefits prior to attaining age 65, the City will contribute an amount up to the City's maximum contribution provided in subsection 3.c.(1), of this Article towards the cost of coverage for the City's Medicare Supplemental Plan.

8. Employees on Leave of Absence

Employees in active service may elect to be covered by the benefits in subsections 1.a. or 1.b. of this Article, above, while on an authorized leave of absence. Individuals on an authorized leave of absence shall pay 100% of the cost associated with their coverage. The rates for such coverage shall be determined by the City and may be adjusted from time to time. This provision shall be applicable only during the first 12 months of an employee's authorized leave of absence.

9. There shall be a 270-day waiting period for pre-existing conditions for the benefits provided by the Basic Plan.

10. An employee who retires on pension during the term of this Agreement shall be entitled to the benefits provided during the term of this Agreement so long as he or she is less than age 65. After this Agreement expires, such an individual, so long as he or she is less than age 65, shall be entitled to:

- (1) The same health insurance benefits concurrently provided employees in active service covered by the effective Agreement between the City and the Association as is in effect from time to time (it is understood that the exclusion

of retirees from coverage under dental insurance benefits, as set forth above, shall continue unchanged). If a retiree eligible for these benefits dies prior to age 65, the retiree's surviving spouse shall be eligible for these benefits until the last day of the month in which the deceased retiree would have attained age 65; and

- (2) The same City/retiree health insurance cost sharing formula that was provided for such retiree by this Agreement.

This paragraph shall only cover the kinds of retirements for which health insurance coverage is provided by this Agreement.

#### 11. Effective Date

Except where specifically provided otherwise herein, the provisions of this Article shall be deemed to be in force and effect beginning January 1, 2007, and ending December 31, 2009.

12. Subject to the conditions contained therein, the parties agree to abide by the retiree health insurance provisions of the October 29, 1999 Final Global Settlement Agreement for Active Police Officers.

If any portion of the Global Pension Settlement Agreement or implementing Charter Ordinance is held invalid, or if compliance with it is restrained by operation of law or by any court of competent jurisdiction, the parties shall immediately enter into collective bargaining for the purpose of arriving at a mutually satisfactory replacement for such portion of the Global Pension Settlement Agreement or Charter Ordinance.

This paragraph shall in no way affect or restrict other benefits unrelated to retiree health insurance benefits in the Global Settlement Agreement.

### **SICK LEAVE**

1. Definition: "Sick Leave" shall mean all necessary absence from duty because of illness, bodily injury, or exclusion from employment because of exposure to contagious disease.
2. Eligibility for sick leave with pay for employees newly appointed to City employment shall

begin after completion of six months active service in the Police Department, but sick leave credit shall be earned from date of appointment.

3. Employees shall earn sick leave with pay at the rate of one and one-quarter (1¼) working days for each month of active service or 4.6 working hours for each two weeks of active service. Sick leave with pay earned by employees shall be credited to their sick leave account. Employees may utilize sick leave with pay credited to their accounts during periods of sick leave for the period of time they would have worked in accordance with the regularly scheduled hours of work as established under the HOURS OF WORK provision of this Agreement.
4. Regardless of the sick leave credit earned the maximum amount of sick leave with pay which employees may utilize from their accounts for any one period of continuous sick leave shall not exceed 365 calendar days. Interruption of such period of sick leave shall only be considered if the employee resumes his/her regular duty.
5. Whenever an employee requests sick leave with pay he or she shall immediately notify his or her commanding officer of this fact. Such notification may be by telephone. Each instance of sick leave that the employee fails to comply with the requirements of this subsection shall result in the employee losing his/her entitlement to any sick leave with pay for that instance.
6. Except as otherwise provided herein, sick leave may be permitted without requiring the employee to submit medical substantiation from a private physician, provided that the employee completes Form PS-16 (Application for Sick Leave), and submits same to his or her commanding officer. An employee may be required by his or her commanding officer to provide acceptable medical substantiation from a private physician or dentist for each absence, regardless of duration, if the commanding officer is informed or believes that the employee is misusing sick leave. The City shall not be responsible for the payment of any fee charged by the physician or dentist to provide the acceptable medical substantiation.
7. When medical substantiation from an employee's private physician is required, the failure of the employee to comply with this requirement shall permit the City to deny that employee

the sick leave benefits provided hereunder until he/she is in compliance with such requirement.

8. The sick leave account for an employee returning to active service from duty disability retirement shall be the employee's unused sick leave credit or 30 working days of sick leave, whichever is greater.
9. Employees reporting absent on sick leave shall be governed by the rules and regulations and standard operating procedures of the Police Department pertaining thereto in effect on the execution date of this Agreement.
10. Attendance Incentive Program
  - a. The Sick Leave Control Incentive Program shall be in effect beginning Trimester 1, 2004, and ending, at the end of Trimester 3, 2006. Nothing herein shall be construed as requiring the City to continue the program for time periods after Trimester 3, 2006.
  - b. The trimester periods for each calendar year are defined as follows:
    - Trimester 1 - Pay Period 1-9
    - Trimester 2 - Pay Period 10-18
    - Trimester 3 - Pay Period 19-26 or Pay Period 19-27, whichever is appropriate.
  - c. An employee shall be eligible for a trimester sick leave incentive benefit only if:
    - (1) During the full term of the trimester, the employee did not use any paid sick leave, did not receive injury pay for the full term of that trimester, was not on an unpaid leave of absence, was not AWOL, was not tardy, was not suspended from duty for disciplinary reasons and did not take any unpaid time off the payroll; and
    - (2) During the full term of the trimester, the employee was in active service; and
    - (3) At the beginning of the trimester, the employee had an amount of earned and unused sick leave credit in his/her sick leave account of 20 days; and
    - (4) The employee was represented by the MPA at the end of the trimester period.

d. In a Trimester period set forth in subsection a. and b., above, that an employee is eligible for an attendance incentive program benefit, the commanding officer shall determine which one of the two types of attendance incentive benefits listed below the eligible employee shall receive (at the commanding officer's discretion, the employee may make this determination in accordance with procedures established for that purpose by the Department):

(1) A special attendance incentive payment

An employee receiving a special sick leave incentive payment, shall be entitled to receive a lump-sum cash payment equivalent to eight hours of his/her base salary computed on the basis of his/her hourly base salary rate in effect on the last day of the trimester for which the payment was earned. Such payment shall not be deemed part of the employee's base salary and shall not have any sum deducted for pension benefits nor shall it be included in determination of pension benefits or any other benefits and/or compensation provided by the City. Attendance incentive payments provided hereunder shall be made as soon as is administratively practicable following the close of the Trimester Period in which they were earned.

(2) A special incentive leave

An employee receiving a special incentive leave, shall earn one eight-hour day off with pay. Such day off with pay must be used by the employee in the next succeeding trimester. An employee may use such day off with pay on a date he/she has requested provided the employee gives his/her commanding officer reasonable advance notice of the date requested and the date is determined available by the commanding officer in accordance with the needs of the Department. The processing of employee requests for time off earned under the attendance incentive control program shall be on a first-come, first-served basis. Decisions by the employee's commanding officer with respect to the availability of the date the employee has requested shall be final.

An employee eligible for the leave with pay provided hereunder may only use that leave during the seven (7) consecutive calendar day time period immediately following the date of the death that occasioned the employee's request for the leave.

3. In the event of the death of any other relative, employees shall be permitted to change their next regular day off so they may attend the funeral.
4. At his/her option, an employee who is granted funeral leave during a scheduled vacation period may elect to either extend his/her vacation period by the number of funeral leave days granted or have the vacation days that were changed to funeral leave days rescheduled at a later date as a segmented vacation. The employee shall notify the Police Department Administration of his/her decision with respect to such election prior to the end of the vacation period in which the Funeral Leave was granted.

5. Employees requesting a leave under the provisions of this Article shall be governed by the Rules and Regulations of the Police Department.

When employees, covered by this Agreement, sustain injuries within the scope of their employment for which they are entitled to receive worker's compensation temporary disability benefits, as provided by Chapter 102 of the Wisconsin Statutes (Worker's Compensation Act), they may receive 80% of their base salary as "injury pay" instead of such worker's compensation benefits for the period of time they may be temporarily totally or temporarily partially disabled because of such injuries. Such injury pay shall not be granted for more than 365 calendar days for any one compensable injury or recurrence thereof. A compensable injury associated with or arising from one or more separate incidents occurring prior to the incident constituting its immediate cause shall be deemed a recurrence and shall not give rise to additional injury pay entitlement. The 80% provision shall become effective January 1, 1985, and shall cover employees receiving injury pay benefits on or after that date regardless of the date on which the compensable injury, or recurrence thereof, occurred.
2. In providing injury pay in an amount equal to 80% of the employee's base salary, the employee agrees to allow the City to make a payroll adjustment to his/her biweekly

paycheck deducting an amount equal to 20% of his/her base salary for that portion of the pay period he/she received injury pay and make no subsequent claim for said amount whatsoever. Such deduction shall be administered so as not to reduce employee pension benefits. For purposes of interpretation of the provisions of this Article, the term base salary as used herein shall mean the employee's base salary pay rate in effect during the pay period he/she is claiming injury pay as that base salary rate is established in the BASE SALARY Article of this Agreement.

3. After "injury pay" benefits have been exhausted, employees shall have the option of accepting sick leave benefits or accepting worker's compensation temporary disability benefits. This option, which shall be in writing, may be terminated without prejudice to temporary total or temporary partial disability benefits under the Worker's Compensation Act thereafter, but such termination shall not be retroactive and any sick leave already used at the time of such termination of option shall not be restored to the employee.
4. Questions involving eligibility for injury pay shall be determined under the applicable law and the substantive and procedural rules of the Department of Workforce Development relative to Worker's Compensation and in the event of a dispute between the City and the employee relative to such eligibility, the Department of Workforce Development and the courts upon the statutorily prescribed review thereof shall be the sole and final arbiters of such dispute.
5. In all third-party claims or actions, the City shall not be limited in its recovery to the amount of temporary disability benefits which would otherwise have been payable under the Worker's Compensation Act, but shall instead be entitled to recover the amount of injury pay received by the employee. In the event the City recovers an amount of injury pay received by the employee, the City shall restore the employee's number of calendar days (equivalent amount of recovery) for said injury.
6. Whenever an employee sustains a compensable injury, he or she shall immediately notify his or her commanding officer of this fact. Each instance of injury pay that the employee fails to comply with the requirement of this subsection shall result in the employee losing

his/her entitlement to any injury pay for that instance.

7. Employees reporting absent due to a compensable injury shall be governed by the Rules and Regulations and Standard Operating Procedure of the Police Department pertaining thereto.
8. If the Internal Revenue Service (IRS) determines that the injury pay benefits provided hereunder are taxable as wages, then beginning with the effective date of such determination, the City will no longer require the 20% employee deduction from injury pay benefits provided for in subsections 1. and 2. of this Article, above.
9. In no case shall temporary disability benefits and injury pay be allowed for the same period of time.
10. Employees appointed to the Police Officer position classification shall not be entitled to the injury pay benefits provided hereunder for any injury they may sustain while on duty prior to the start of field training during the period of time they are assigned to the Police Training Academy for recruit training. Such employees shall instead be covered by State of Wisconsin Workers' Compensation Act (WCA) temporary disability benefits during such period, including all applicable terms and conditions provided for in the WCA. The provisions of subsections 6, 7 and 9, above, shall be applicable to employees governed by this subsection.
11. During the period of an employee's absence from duty due to a duty-incurred injury, the employee shall be permitted to leave his/her residence or place of confinement so long as he/she has first obtained a written statement from his/her personal physician stating that such travel will further his/her recuperation and the employee has first presented his/her personal physician's statement to his/her commanding officer or shift commander. Whenever an employee authorized to leave his/her residence or place of confinement, leaves the confines of Milwaukee County, he/she shall provide his/her commanding officer written advance notice of this departure indicating on the notice the time period he/she will be out of Milwaukee County, location(s) where he/she can be reached and, if a location has an address and/or telephone number, the address and/or telephone number of the location(s). While outside the confines of Milwaukee County, the employee shall be required to notify his/her

commanding officer of his/her whereabouts by telephone of any changes in the locations indicated on the advance notice. During any fifteen (15) day period, an employee shall not be permitted to remain outside the confines of Milwaukee County for more than 14 consecutive calendar days. Except as provided herein and in subsection 6 of the VACATION Article of this Agreement, Rule 5, Section 7 of the Milwaukee Police Department Rules and Regulations shall remain unchanged and in full force and effect.

\* \* \*

The fact that the parties have entered into an agreement preserving the status of Article 25 shall not be used by either party as evidence or argument in pending proceedings to revoke the City of Milwaukee's self-insured status. In the event of a final determination by a competent tribunal, both parties shall abide by the decision and negotiate any modifications either party feels are necessary in the successor agreement

## **ARTICLE 26**

### **TERMINAL LEAVE**

1. An employee retiring on City pension under either the Employees' Retirement System of Milwaukee plan or the Policemen's Annuity and Benefit Fund plan (but excluding retirement on deferred pension when employee has less than 25 years' service or actuarially reduced pension, as they are defined in both plans) shall, upon retirement, be entitled to receive a lump sum payment equivalent to one eight-hour workday's base salary for each one eight-hour day of the employee's earned and unused sick leave up to a maximum of fifty-five (55) such equivalent eight-hour workdays of base salary. The term "eight-hour workday's base salary," as used herein, is defined as an amount equivalent to the employee's biweekly base salary, as defined and determined by the BASE SALARY Article of this Agreement, divided by 10.
2. When a terminal leave payment is paid to a deferred retiree with 25 or more years' service, the payment will be made on the deferred retiree's effective date of separation based on his/her pay rate and sick leave accumulation in effect at that time.

3. An employee shall be eligible to receive the terminal leave pay benefit only once during his/her lifetime.
4. Terminal leave payments shall not be construed as being part of employee's base salary and shall not be included in the computation of any fringe benefits enumerated in this Agreement.
5. Terminal leave payments shall not have any sum deducted for pension benefits nor shall such payments be included in any computation establishing pension benefits or payments.

## **ARTICLE 27**

### **MILITARY LEAVES**

1. Short Term Military Leaves of Absence (Reserve or National Guard Duty)--Less Than 90 Days Per Calendar Year
  - a. Subject to the terms and conditions provided in subsections l.b. through l.d. of this Article, below, employees shall be entitled to time off with pay when they are required to take a leave of absence for: (i) military training duty and/or (ii) military duty in the State of Wisconsin because of riot or civil disturbance.
  - b. Maximum Amount of Time Off With Pay
    - (1) Continuous Service

If either military training duty leave or military duty on account of civil disturbance is limited to a single period during the calendar year, then such leave shall be granted with pay not to exceed fifteen (15) successive calendar days (including Saturdays, Sundays and legal holidays) during a calendar year.
    - (2) Intermittent Service

If either military training duty leave or military duty on account of civil disturbance is taken on an intermittent basis during the calendar year, then such leave with pay shall not exceed eighty (80) hours during the calendar year.
    - (3) Combined Maximum

During each calendar year of this Agreement, the amount of time off with pay

for military leaves of absence provided hereunder that is taken by an employee on a continuous service basis, together with the amount taken on an intermittent service basis, shall be in aggregate not exceed eighty (80) hours in aggregate for military training duty and eighty (80) hours in aggregate for military duty in the State of Wisconsin because of riot or civil disturbance.

- c. All employees who, because of honorable service in any of the wars of the United States, are eligible for veterans' preference for employment by the City and/or as provided in Section 45.35(5) of the Wisconsin Statutes (as it may be amended from time to time), shall receive full City pay plus all military pay for duty covered under subsection 1.b. of this Article, above. In all other cases, the employee agrees to allow a payroll adjustment to his/her biweekly pay check, deducting an amount equal to his/her military pay for such duty (up to a maximum equal to his/her City pay received under subsection 1.b. of this Article, above), and to make no subsequent claim for it whatsoever. Such deduction shall be administered so as not to reduce employee pension benefits.

- d. Return to City Employment from Short-Term Military Leave

The time off with pay for short-term military leaves provided hereunder shall be granted only if the employee taking such leave reports back for City employment at the beginning of his/her next regularly scheduled eight-hour work shift after the expiration of the last calendar day necessary to travel from the place of training or civil disturbance duty to Milwaukee following such employee's release from military duty.

- 2. Long Term Military Leaves of Absence -- 90 Days or Longer Per Calendar Year

- a. Employees who enlist or are inducted or ordered into active service in the Armed Forces of the United States or the State of Wisconsin, pursuant to an act of the Congress of the United States or the Legislature of the State of Wisconsin or an order of the Commanders-in-Chief thereof, shall be granted a leave of absence during the period of such service.

b. Upon completion and release from active duty under honorable conditions and subject to the terms and conditions provided in subsection 2.c., below, employees on military leaves of absence shall be reinstated into the positions they held at the time of taking such leave of absence or to a position of like seniority, status, pay and salary advancement, provided, however, that they are still qualified to perform the duties of their positions or similar positions.

c. The rights to reinstatement provided in subsection 2.b. of this Article, above, shall be terminated unless the employee satisfies the following conditions:

(1) Reinstatement from Military Reserve or National Guard Duty

(a) Initial Enlistment With At Least Three Consecutive Months of Active Duty

An employee who is a member of the Reserve or National Guard component of the Armed Forces of the United States and is ordered to an initial period of active duty for training of not less than three consecutive months shall make application for re-employment within 31 days after: (i) such employee's release from active duty from training after satisfactory service, or (ii) such employee's discharge from hospitalization incident to such active duty for training or one year after such employee's scheduled release from such training, whichever is earlier.

(b) All Other Active Duty

Subject to Section 673b, Title 10, United States Code, an employee not covered under subsection 2c(1)(a) of this Article, above, shall report back for work with the City: (i) at the beginning of the employee's next regularly scheduled work shift after the expiration of the last calendar day necessary to travel from the place of training to the place of employment following such employee's release from active duty, or (ii) such employee's discharge from hospitalization incident to such active

duty for training or one year after such employee's scheduled release from such training, whichever is earlier.

For purposes of interpretation and construction of the provisions of subsections 2c(1)(a) and 2c(1)(b) of this subsection, full-time training or any other full-time duty performed by a member of the Reserve or National Guard component of the Armed Forces of the United States shall be considered active duty for training.

(2) Other Military Service with Active Duty Of At Least 90 Consecutive Days

An employee inducted or enlisted into active duty with the Armed Forces of the United States for a period of at least 90 consecutive days, where such active duty is not covered by subsection 2c (1), above, shall, upon satisfactory completion of military service, make application for re-employment within 90 days after: (i) such employee's release from active duty, or (ii) such employee's discharge from hospitalization incident to such active duty or one year after such employee's scheduled release from active duty, whichever is earlier.

(3) Exclusions From Reinstatement Benefits

In the event an individual granted a leave of absence for military service under this Article fails to meet the requirements provided in subsections 2c (1) or 2c (2) of this Article, above, or the employee's military service is not covered under these two subsections, the City shall be under no obligation or requirement to reinstate such individual to City employment.

3. Military Funeral Leaves of Absence

Employees shall be allowed to attend military funerals of veterans without loss of pay when a request for the leave is made by a proper veterans' organization that the service of such officer or employee is desired for the proper conduct of a military funeral.

4. Induction Examinations

Employees shall be entitled to time off with pay for time spent taking physical or mental examinations to determine their eligibility for induction or service in the Armed Forces of

the United States; such time off with pay shall be granted only for examinations conducted by a United States military agency.

5. Administration

The Chief of Police shall have the authority to establish such rules and procedures that he/she deems necessary to administer the military leave benefits provided by this Article. These rules and procedures shall cover, but not be limited to, requirements that employees provide the Chief of Police with reasonable advance notice of any contemplated military leave and the appropriate military orders and papers that fully document such military leave.

**ARTICLE 28**

**VACATIONS**

1. Definitions

The following definitions shall be used solely for the purpose of computing the current and prospective vacation benefits:

- a. Anniversary Date: The date an employee completes twelve (12) months of active service following appointment to the City of Milwaukee as a regular employee. After the completion of the first twelve (12) months of active service an employee's vacation anniversary date shall not change.
- b. Active Service: The time spent as a regular employee on the City of Milwaukee payroll including the performance of assigned duties for the City and paid time not worked. In order for paid time to count as active service for vacation purposes, such time, together with any authorized unpaid leaves of absence must be continuous from the date of appointment. Active service shall also include the time spent by an employee who takes a military leave. In the event of an employee's resignation, discharge or retirement from City employment, active service shall cease as of the employee's last day at work.
- c. Year of Service: The duration of time in active service.

2. Eligibility for vacation shall begin after the completion of twelve (12) months of active

service following appointment. An employee whose service is expected to continue so as to complete a year's active service may, after six months of service and at the sole discretion of the Chief of Police be allowed to take vacation time within the year of appointment. However, if the employee leaves the service of the City before the completion of the initial 12-month period, that vacation shall be deemed unearned and payments made during the vacation shall be deducted upon termination of employment.

3. An employee shall earn vacation time at the following rates:
  - a. Rates For Calendar Years 2007, 2008 and 2009
    - (1) Eight (8) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of eighty (80) hours per calendar year for an employee with less than seven (7) years of active service.
    - (2) Twelve (12) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of one hundred twenty (120) hours per calendar year for an employee with at least seven (7) years but less than twelve (12) years of active service.
    - (3) Sixteen (16) hours for each calendar month of active service since the employee's last anniversary date, up to a maximum of one hundred sixty (160) hours per calendar year for an employee with at least twelve (12) years but less than twenty (20) years of active service .
    - (4) Twenty (20) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of two hundred (200) hours per calendar year for an employee with at least twenty (20) years of active service.
  - b. For purposes of pro-rating, an employee in active service for at least fourteen (14) days in a calendar month shall be deemed as having been in active service for the full calendar month; in the event the employee is in active service for less than 14 days in a calendar month, then the employee shall be deemed as not being in active service at all during the calendar month.

- c. The time period during which an employee earns vacation with pay for a calendar year shall be limited to the employee's period of active service between his/her anniversary date for that calendar year and his/her immediate preceding anniversary date. The amount of vacation time taken during a calendar year, except for separation from service as provided in subsection 5 below, shall be limited to the maximums noted in this subsection, above. These maximums are not guarantees; an employee is not entitled to any greater vacation with pay in a calendar year than that which he/she has earned for that calendar year.
4. Employees must use vacation time during the calendar year for which such vacation time is earned; employees who do not use all of their entitled vacation time within the calendar year for which it was earned shall lose all rights to the unused time off.
5. Vacation time taken before the full amount has been earned shall be considered time owed the City until it is earned. Any employee who leaves the service of the City due to resignation, retirement, termination, discharge, layoff or death will have the compensation for vacation time owed the City deducted from the final paycheck. In the event the employee's last pay check is for an amount less than the amount of compensation owed the City, a deduction shall also be made from the employee's next preceding pay check that covers the balance of compensation owed the City. Any employee who leaves the service of the City due to resignation, retirement, layoff or death or who takes military leave will be paid for earned vacation time that has accumulated. If an employee returns to duty prior to his/her next following anniversary date, any vacation time earned and taken hereunder shall be offset against the employee's earned vacation time for the calendar year in which that anniversary date falls. Discharge employees are not entitled to pay for accumulated vacation time.
6. An employee on authorized injury leave as a result of a duty-incurred injury may use vacation scheduled during the period of such leave provided the Police Department Administration receives a written advance request to use the vacation, which indicates the time and place of the vacation, and provided further, the employee's private physician has

authorized use of this vacation. Injured employees not using vacation scheduled during the period of their leave shall have their unused vacation rescheduled by the Police Department Administration when they return to duty, if it is possible to do so, before the end of the calendar year. In the event the Police Department Administration is unable to reschedule all of the employee's remaining unused vacation before the end of the calendar year, the employee shall be entitled to receive a lump sum payment equivalent to the dollar value of the remaining unused vacation at the end of the calendar year, computed on the basis of the employee's base salary rate in effect at the time for which the vacation was originally scheduled. This lump sum payment shall be made as soon as is administratively practicable following the end of the calendar year. The lump sum payment shall not be construed as being part of the employee's base salary and shall not be included in the computation of any fringe benefits enumerated in this Agreement. The lump sum payment shall not have any sum deducted for pension benefits nor shall it be included in any computation establishing pension benefits or payments. When authorized by the Police Department Administration, an employee may elect to carry over into the next succeeding calendar year any remaining unused vacation that the Police Department Administration was unable to reschedule by the end of the calendar year, instead of the lump sum payment provided above. The vacation carried over shall be used by March 1 of the following calendar year or the employee will lose all rights to it, including all rights to the lump sum payment provided above. The scheduling of carried-over vacation shall be subject to availability of the dates requested by the employee, require prior approval by the employee's Commanding Officer and in no way affect the scheduling of other employees' vacations.

7. Employees on authorized sick leave shall have their vacation that was scheduled during such leave rescheduled by the Police Department Administration when they return to duty if it is possible to do so before the end of the calendar year. In the event the Police Department Administration is unable to reschedule all of the employee's remaining unused vacation before the end of the calendar year, the City, upon the employee's return to duty, will restore to the employee's sick leave account an amount of time equal to the amount of unused

vacation.

8. Employees in active service shall have time spent receiving a duty disability retirement allowance included as years of service for purposes of computing current and prospective vacation benefits.

9. Segmented Vacation Periods

a. An employee may segment up to all of the portion of his/her maximum annual vacation time entitlement earned under paragraph 3 that exceeds eighty (80) hours into units of one (1), two (2), three (3) or four (4) consecutive eight-hour work days. The aggregate amount of an employee's segmented vacation for a calendar year shall be deemed a segmented vacation period. All other vacation benefits to which an employee is entitled shall be taken in five (5) consecutive eight-hour workday units in accordance with existing Departmental practices.

b. A segmented vacation period may be used during the time period from January 1 through and including December 31 of a calendar year.

c. An employee requesting a segmented vacation period in a calendar year shall, prior to March 15 of such calendar year, notify his/her commanding officer in writing of this fact on a form provided by the City, setting forth thereon the number of segmented days requested. Notification requirements as to the specific dates requested by the employee for his/her segmented vacation shall be as set forth in subsection 9.d., below. An employee failing to comply with this requirement shall not be permitted a segmented vacation period during such calendar year. The Police Department Administration shall have the authority to limit the aggregate number of segmented vacation days requested in the time period provided for in subsection b., above, if it determines that granting additional requests for segmented vacation periods will result in insufficient manpower being available to meet the needs of the Police Service.

d. For each unit of segmented vacation, the employee shall provide his/her commanding officer with reasonable advance notice indicating the date(s) on which

the employee wants to use such unit of segmented vacation; such advance notice shall be provided in writing no later than 72 hours prior to the first day of the segmented unit of vacation. Except for requested segmented vacation dates occurring on or before March 15 of the calendar year, no requested dates for segmented vacation will be processed by the Department until all non-segmented vacations for that calendar year have been selected by every employee in the Association bargaining unit. All segmented days must be scheduled or requested on or before October 15th of the calendar year; provided, however, that subject to the approval of an employee's commanding officer, the October 15 deadline may be waived because of emergency, or other extraordinary circumstance, affecting the employee. An employee failing to comply with requirements of this subsection shall have his/her unused segmented vacation time scheduled for him/her by his/her commanding officer.

e. All requests made by employees for scheduling units of segmented vacation that are submitted in accordance with the time limit and notice requirements provided above shall be processed on a first-come, first-served basis, subject to the availability of the dates requested determined by the employee's commanding officer. No request will be granted that results in another employee losing any non-segmented vacation dates he/she had previously selected in accordance with Departmental practices established for that purpose. In the event an employee's request for scheduling a unit of segmented vacation is in compliance with all of the time limit and advance notice requirements provided above, but the employee's commanding officer has determined that some or all of the dates requested by the employee for that unit are unavailable, it shall be the responsibility of the employee to schedule available substitute dates with his/her commanding officer.

10. The vacation with pay benefits computed under the provisions of this Article shall be the full and only vacation benefits to which employees covered by this Agreement shall be entitled during calendar years 2007, 2008 and 2009.

11. The assignment and scheduling of vacations with pay shall be controlled by the Chief of Police. However, in exercising those controls, supervisors charged with the responsibility of scheduling vacations shall not be prohibited from tentatively agreeing to allow members to rearrange their scheduled off days in order to change the starting date of a non-segmented vacation, if projected staffing needs would appear to permit such a rearrangement. If it is necessary to revoke the tentative approval granted due to staffing needs, the member shall be given notice no later than seven days prior to the first day the member is tentatively scheduled to be absent.

## **ARTICLE 29**

### **TIME OFF FOR JURY DUTY**

1. Employees covered by this Agreement shall be granted time off with pay for jury duty when they are legally summoned for jury duty, subject to the terms and conditions provided for in subsections 2 through 6, inclusive, of this Article, below.
2. When an employee is legally summoned to report for jury duty he/she shall:
  - a) Immediately notify his/her commanding officer and promptly submit to him/her a written report, in "matter of" form, showing the date he/she is required to report for such jury duty; and
  - b) Complete City of Milwaukee form C-139 (Application for Jury Duty Pay) and County of Milwaukee form 2448R16 (Official Jury Notice), and forward both documents to the Police Department Administration Bureau-Payroll Section; and
  - c) Submit a Certification of Jury Service form to the Police Department Administration Bureau--Payroll Section at the end of his/her jury duty. Copies of this form may be obtained from the Circuit Court Calendar Clerk.
3. While on authorized jury duty employees shall be considered by the Police Department to be working the day shift and shall be permitted to change their off-duty days (regular off and vacation days) subject to approval from the Police Department Administration. If the employee's off-duty days are changed, the employee shall be required to turn over all jury

duty payments he/she receives (excluding official travel pay) to the City; in the event the employee's off-duty days are not changed he/she shall be entitled to retain the jury duty payments he/she receives for jury duty performed on his/her off-duty days, but shall be required to turn over to the City all other jury duty payments he/she receives (excluding official travel pay).

4. Employees shall not be eligible for overtime while on jury duty, even if such duty extends beyond eight hours in one day; nor shall they be eligible for overtime for work performed outside their regularly scheduled work shift that is the result of changes made pursuant to subsection 3. of this Article, above.
5. On days when the employee is normally scheduled to work, no greater amount of time off for jury duty shall be granted than is necessary. If an employee is called for jury duty on such day and reports thereto without receiving a jury assignment for that day, or if he/she is engaged in jury duty for part of such day, he/she shall immediately notify his/her commanding officer of this fact by telephone and report back to work for the remainder of his/her work day. If the employee is engaged in jury duty for part of a day that falls on a work day, then such requirement to report back to work shall not be applicable on days where the amount of time remaining in the employee's regularly scheduled eight-hour shift for that day, together with travel time from the jury duty site to the employee's duty assignment location, does not allow for a work period of reasonable length; in this circumstance, the employee shall still be required to notify his/her commanding officer in accordance with the requirement set forth above. The criteria used in determining what constitutes reasonable length shall be based on present Police Department practices covering jury duty; notwithstanding the foregoing, an employee released from jury duty prior to 12:00 noon on a work day must report back to work for the remainder of his/her work day.

### **ARTICLE 30**

#### **PAID LUNCH**

Present practices are continued for the duration of this Agreement

## **ARTICLE 31**

### **TIME OFF IN LIEU OF HOLIDAYS**

1. Employees shall be entitled to receive up to ninety-six (96) hours off with pay in lieu of holidays per fiscal year, one eight-hour period of which shall be designated by the Chief of Police to commemorate Dr. Martin Luther King's birthday.
2. Employees in active service less than a fiscal year shall be entitled to time off in lieu of holidays with pay prorated on the basis of their length of service during the fiscal year. Time off in lieu of holidays shall be earned at a rate of eight (8) hours per calendar month for each calendar month in a calendar year that the employee was on the Police Department payroll. For purposes of interpretation of this provision, an employee on the Police Department payroll for at least 14 days in a calendar month shall be deemed as having been on the Police Department payroll for the full calendar month; in the event the employee is on the Police Department payroll for less than 14 days in a calendar month, then the employee shall be deemed as not having been on the payroll at all during such calendar month.
3. Except as provided in subsection 4 of this Article, below, such time off with pay shall be used by the employee in the fiscal year in which they are earned; employees who do not use all of their entitled time off in lieu of holidays within the fiscal year in which it was earned shall lose all right to the unused time off.
4. If an employee is unable to use all of the time off in lieu of holidays with pay to which the employee is entitled during a fiscal year because of an extended period of authorized sick leave that does not allow the Chief of Police to reschedule some or all of the employee's unused time off in lieu of holidays in that fiscal year, then the City, upon the employee's return to duty in the next fiscal year, will restore to the employee's sick leave account an amount of time equal to the amount of such unused time off in lieu of holidays with pay that the Chief of Police was unable to reschedule. This provision shall only cover time off in lieu of holidays that is not integrated into the employee's regular work schedule. (In the case

of an employee assigned to a District Station on an eight-hour shift basis whose regular work schedule is five days on-duty, two days off-duty, followed by four days on-duty, two days off-duty, etc., this provision would cover the 32 hours off in lieu of holidays per fiscal year that are not integrated into the employee's regular work schedule and would not cover any of the 64 hours off in lieu of holidays per fiscal year that are integrated into the employee's regular work schedule.)

5. The scheduling of work days off in lieu of holidays with pay shall be controlled by the Chief of Police.

## **ARTICLE 32**

### **HOLIDAY PREMIUM PAY**

1. Except as provided in paragraph 2, employees who are assigned to duty on July 4, December 25, January 1 and/or Labor Day (first Monday in September) of a calendar year shall be compensated in cash at a rate of one and one-half (1½) their base salary for all such assigned duty worked from 12:00 a.m. through 11:59 p.m., inclusive, during such days.
2. An employee may elect to receive such holiday compensation in compensatory time off in lieu of cash, subject to the following terms and conditions:
  - a. The employee's compensatory time off balance (CTB) recorded on the most current Police Department Personnel Status Report must be less than 225 hours;
  - b. Compensatory time off earned by an employee on a holiday listed above shall be included in his/her CTB;
  - c. The procedures governing the use of compensatory time off earned on holidays shall be the same as those provided in the OVERTIME Article of this Agreement for use of compensatory time off; and
  - d. An employee may elect to receive compensatory time off in lieu of cash for work performed during roll-call time on a holiday listed above, only if he/she elects compensatory time off for all roll-call time worked during the Pay Period in which the holiday occurred (this is consistent with existing Departmental procedures

governing eligibility for election of compensatory time off for roll-call time overtime).

3. For administrative purposes, all time so worked shall be computed to the nearest 0.1 of an hour. For purposes of interpretation and construction of this Article, the compensation herein provided shall only be granted for authorized duty occurring on the actual calendar dates that the four (4) holidays listed above fall; no such compensation will be granted for duty on any other calendar date on which these four (4) holidays may officially be celebrated or observed pursuant to law.
4. Application of the provisions enumerated herein shall not involve pyramiding of the compensation described herein. No employee shall receive overtime benefits and/or shift or weekend differential benefits in addition to holiday premium pay.
5. Any payment made in addition to the employee's base salary under the provisions of this Article shall not have any sum deducted for pension benefits nor shall such payments be included in determining pension benefits or other fringe benefits.

### **ARTICLE 33**

#### **UNIFORM AND EQUIPMENT**

1. Uniform and equipment benefits for employees shall be as follows:
  - a. Initial Allowance
    - (1) Employees in the Police Officer job classifications shall, upon appointment, receive an initial uniform and equipment issue, the specific items of which shall be determined by the Chief of Police. These specific items shall remain the property of the City and shall revert to the Police Department upon the employee's severance from service from and after January 1, 1991.
    - (2) Effective as soon after September 14, 1987, as administratively practicable, one silver badge patch for the windbreaker shall be included in the initial issue.
  - b. Replacement Allowance

The Special Parking Allowance benefit shall be in lieu of the Regular Parking Allowance benefit.
2. The City shall provide the Association with a list of City-approved parking facilities and will notify the Association of any change that the City may from time to time make in this list at least sixty (60) calendar days prior to the effective date of such change. Eligible employees shall be entitled to receive either a Regular Parking Allowance benefit or a Special Parking Allowance benefit under the terms and conditions hereinafter provided:
  - a. Regular Parking Allowance Benefit  
In order to receive a Regular Parking Allowance benefit for a calendar month, an eligible employee must purchase a monthly parking permit for that month from a parking facility on the City-approved list, endorse the permit (or permit stub/receipt deemed acceptable to the Department, whenever the employee must retain the permit in order to receive parking benefits) by indicating his/her signature and payroll

number on the portion of his/her monthly parking permit he/she receives from the vendor and submit the endorsed permit (or acceptable permit stub/receipt) to the Police Department Administration no later than the 15th day of the calendar month covered by the monthly permit (i.e., the 15th of April for the month of April). Following the Department's receipt of the endorsed permit (or acceptable permit stub/receipt), the employee shall be entitled to receive the one hundred dollars (\$100) monthly Regular Parking Allowance benefit for the month covered by the permit; provided however, if the monthly parking permit purchase price is less than one hundred dollars (\$100), the employee shall only be eligible for a Regular Parking Allowance equal to the actual cost of the permit. Effective the first full calendar month following execution of the 2007-2009 Agreement, the Regular Parking Allowance benefit shall be increased to one hundred and ten dollars (\$110). Effective January 1, 2008, the Regular Parking Allowance benefit shall be increased to one hundred and fifteen dollars (\$115), and effective January 1, 2009, the Regular Parking Allowance benefit shall be increased to one hundred and twenty dollars (\$120).

b. Special Parking Allowance Benefit

In order to receive a Special Parking Allowance benefit for a calendar month, two or more eligible employees forming a carpool in accordance with the provisions of paragraph 1, hereof, must purchase one monthly parking permit for that month from a parking facility on the City-approved list. Each employee member of the carpool shall endorse the permit (or permit stub/receipt deemed acceptable to the Department, whenever the employee must retain the permit in order to receive parking benefits) by indicating their signatures and payroll numbers on the portion of the monthly parking permit received from the vendor and submit the endorsed permit (or acceptable permit stub/receipt) to the Police Department Administration no later than the 15th day of the calendar month covered by monthly permit (i.e., the 15th of April for the month of April). Following the Department's receipt of the endorsed

permit (or acceptable permit stub/receipt), the carpool members shall in aggregate be entitled to receive a single Special Parking Allowance benefit in accordance with the following schedule (only eligible employees may comprise the carpool):

- (1) Two-person carpool -- A total of \$100 per month (\$110, effective the first full calendar month following execution of the 2007-2009 Agreement; \$115, effective January 1, 2008, and \$120, effective January 1, 2009) ;
- (2) Three or more-person carpool -- A total of \$120 per month (\$130, effective the first full calendar month following execution of the 2007-2009 Agreement; \$135, effective January 1, 2008, and \$140, effective January 1, 2009).

If the monthly parking permit purchase price for a carpool is less than the amount to which the carpool is entitled under this schedule, the carpool shall only be eligible for a Special Parking Allowance Benefit equal to the actual cost of the monthly permit. Payment of a Special Parking Allowance benefit shall be made to one member of the carpool designated to receive the payment; such designation shall be indicated on the form referenced in paragraph 1 hereof. Carpool members shall determine the method of apportioning the monthly Special Parking Allowance to which they are entitled, in aggregate, to receive; any dispute involving this apportionment is specifically excluded from the Grievance/Arbitration provisions of this Agreement.

Payments provided hereunder shall be made as soon as administratively practicable after the close of the calendar month covered by the permit. Except as provided in subsection 3, below, only approved parking facilities' monthly parking permits that are properly endorsed shall be covered by the benefits provided herein. No employee shall be eligible to receive benefits under both paragraphs 2.a. and 2.b. for the same calendar month.

3. The Association recognizes that there are a limited number of parking spaces available at City approved parking facilities; accordingly, monthly parking permits for these spaces will be sold to eligible employees (either individually, or collectively, as one permit for a carpool) on a first-come, first-served basis, subject to their availability. During a calendar

month when no monthly parking permit at any City-approved parking facility(ies) is(are) available because the vendor(s) has(have) determined that no space is available, the City will honor monthly parking permit receipts from parking facilities not on the City-approved list that are within the geographic area bounded by Michigan Avenue on the south, North 12th Street on the west, West Juneau Avenue on the north and North Van Buren Street on the east. The employee (or each individual employee comprising a carpool) shall endorse the receipt by indicating his/her signature and payroll number on the monthly parking permit receipt and shall submit the endorsed parking permit receipt to the Police Department Administration no later than the 15th day of the calendar month covered by the monthly permit (i.e., the 15th of April for the month of April). Following submission of the parking permit receipt to the Police Department Administration, the employee (or carpool) shall be entitled to receive a monthly parking benefit for the month covered by the parking permit under the same terms and conditions provided in paragraph 2, above.

4. Daily Parking Receipts

During a calendar month when no monthly parking permit is available to an employee under the provisions of either paragraph 2 or 3, hereof, because no space is available, the City will honor daily parking receipts from parking facilities within the geographic area described in paragraph 3, hereof, subject to the employee submitting a form prescribed by the Department to the Police Department Administration within five consecutive calendar days following the close of the calendar month. The form shall contain the following information:

- a. The employee's name, signature, and payroll number (or this information for each individual comprising a carpool);
- b. A listing of each individual daily parking receipt for the calendar month indicating the date and amount arranged in date order with a total amount ("total amount") for the calendar month plainly indicated; and
- c. All of the daily receipts for the calendar month stapled to the back of the form.

Following submission of the prescribed Departmental form to the Police Department

Administration, the employee (or carpool) shall be entitled to receive a monthly parking benefit for the calendar month covered by the daily parking receipts equal to the lesser of (1) the "total amount" described in paragraph 4.b., hereof, or (2) the maximum amount provided in paragraphs 2.a. or 2.b., hereof, whichever is applicable. Such benefit shall be in lieu of the monthly parking benefits provided under paragraphs 2 and 3.

5. No employee shall be eligible for the parking benefits provided by the Parking During Court Overtime Appearance paragraph of this Agreement for a calendar month for which he/she receives benefits hereunder.
6. The benefits provided hereunder are intended to be used by an employee only for the purpose of commuting to and from his/her Departmental work location in connection with his/her City employment. The use of a parking permit by an employee for any other purpose during a calendar month shall disqualify the employee from the benefits provided hereunder for that calendar month.
7. Payments made under the provisions of this Article shall not be construed as being part of employees' base pay and shall not be included in the computation of any fringe benefits enumerated in this Agreement. Any payment made under the provisions of this Article shall not have any sum deducted for pension benefits nor shall such payments be included in any computation establishing pension benefits or payments.
8. The City shall be held harmless against any and all claims, actions and lawsuits relating to theft or personal property damage brought against the City by employees using parking facilities pursuant to the parking allowance benefits provided herein. The City shall be held harmless against any and all claims, lawsuits, actions, damages and judgments due to the employee's operation of his or her private vehicle at parking facilities which are subject to the parking allowance benefits provided herein. Nothing herein would operate to relieve the City of any liability it may have arising from its actions or omissions or preclude the employee from pursuing any rights or claims he/she may have under Wisconsin State Statute 895.46.
9. Notwithstanding the foregoing, during a calendar month the employee members of a carpool

are receiving carpool benefits, the City will honor daily parking receipts for that calendar month in accordance with the following schedule:

- a. Two-person carpool - An amount of reimbursement up to \$35 which, in aggregate with the carpool benefits received by the employees' carpool, shall not exceed \$115; effective January 1, 2008, an amount of reimbursement up to \$40 which, in aggregate with the carpool benefits received by the employees' carpool, shall not exceed \$120; effective January 1, 2009, an amount of reimbursement up to \$45 which, in aggregate with the carpool benefits received by the employees' carpool shall not exceed \$125.
- b. Three-or-more-person carpool - An amount of reimbursement up to \$50 which, in aggregate with the carpool benefits received by the employees' carpool, shall not exceed \$135 ; effective January 1, 2008, an amount of reimbursement up to \$60 which, in aggregate with the carpool benefits received by the employees' carpool, shall not exceed \$140 ; effective January 1, 2009, an amount of reimbursement up to \$65 which, in aggregate with the carpool benefits received by the employees' carpool, shall not exceed \$145.

Carpool members shall determine the method of apportioning the amounts of reimbursement; any dispute involving this apportionment is specifically excluded from the grievance/arbitration provisions of this Agreement.

### **DRUG TESTING**

#### **MILWAUKEE POLICE DEPARTMENT DRUG TESTING POLICY STATEMENT**

The Milwaukee Police Department is charged with enforcing all laws and ordinances and with maintaining a safe and peaceful community. The pervasive risk of harm caused by drug trafficking and illegal drug use by members of the Police Department creates a clear and present danger to the safety of the public and fellow law enforcement officers. The illegal use of drugs cannot and will not be tolerated within the Milwaukee Police

Department. The law enforcement profession has several uniquely compelling interests that justify the use of employee drug testing. The public has the right to expect that those who are sworn to protect them are at all times both physically and mentally prepared to assume these duties. There is sufficient evidence to conclude that the use of controlled substances and other forms of drug abuse can seriously impair an employee's physical and mental health, and thus, job performance. Where law enforcement officers participate in illegal drug use and drug activity, the integrity of the law enforcement profession and public confidence in that integrity is destroyed. This confidence is further eroded by the potential for corruption created by drug use.

Therefore, in order to ensure the integrity of the Milwaukee Police Department and to preserve public trust and confidence in a fit and drug free law enforcement profession, the Department shall implement an expanded drug testing program to detect illegal drug use by sworn employees. Officers of all ranks will be randomly tested in such numbers as to ensure that a credible deterrent exists to illegal drug use.

#### MILWAUKEE POLICE DEPARTMENT DRUG TESTING PROGRAM

(Provisions applicable to MPA-represented Department Members)

#### I. DRUG TESTING PROGRAM DESCRIPTION

- A. The term "Department" as used herein shall mean the Milwaukee Police Department. The term "member" shall mean a Department employee in the WERC - certified Department bargaining unit represented by the MPA.
- B. Members shall be subject to drug testing under the following circumstances:
  - 1. Where facts or circumstances are sufficient to constitute reasonable suspicion that a Department member is illegally using drugs.

NOTE Reasonable Suspicion exists when evidence or information which appears reliable is known to the police supervisor and is of such weight and persuasiveness as to make the supervisor, based upon/his/her personal judgment and experience, reasonably suspect that member of the department is illegally using drugs. A reasonable suspicion that a member is illegally using

drugs must be supported by specific articulable facts from which rational inference may be drawn. Reasonable suspicion cannot be based upon mere "hunch" or solely upon poor work performance. If suspicion of drug use is based upon observation of the suspected member's physical appearance, at least two (2) supervisors must make observations.

2. Whenever a member is directly involved in an incident that results in death, or great bodily harm as defined by State Statute.
3. Whenever a member is on probation, the member shall be tested prior to completion of the member's probation period. Completion of the member's probation period shall be contingent upon passing the drug test.
4. Whenever a member is eligible for promotion (including reclassifications), the member shall be tested prior to promotion. Promotion shall be contingent upon passing the drug test.
5. Whenever a member is returning from a leave of absence that exceeds 90 consecutive calendar days in duration. Reinstatement to the Department from the leave of absence shall be contingent upon passing the drug test.
6. Random Drug Testing
  - a. Periodically a list of Department members selected for drug testing shall be generated by an independent secure random selection process. The frequency of random testing, and sampling rate, shall be as prescribed from time to time by the Chief of Police. The independent agency providing the random selection process shall be prescribed by the Chief. Such independent agency shall be provided with a list of all Department members covered by random drug testing encoded so that only the Chief of Police and the Commanding Officer of the Professional Performance Division know the identity of the Department members.
  - b. The Chief may increase the frequency of random testing, and sampling rate over and above the frequency of random testing and sampling rate

he prescribes from time to time under paragraph 6.a., hereof, for members assigned to the following Department Units: Vice Control Division, Tactical Enforcement Unit, Property Control Section (only those persons directly involved in the custody and handling of illegal drugs), Professional Performance Division and effective upon execution of the 2007-2009 Agreement, the Intelligence Division. If subsequent Departmental reorganization results in modifications to any of these units, the function performed by a unit as it is presently constituted, shall continue to be covered hereunder no matter how such unit is constituted following a future reorganization.

- c. Members selected to be tested shall be notified by their Commanding Officer, who shall give them a written order to report for testing. A copy of such written order shall not be entered into a member's personnel file, but shall be retained by the Department in a file kept at the Professional Performance Division.
- d. All members on paid leave who are selected for drug testing pursuant to paragraphs 6.a. or 6.b., hereof, shall not be required to participate in such test, except those members having the following status as of the notice of selection:
  - (1) Members on sick or injury leave who have received permission to leave the residence to further recuperation;
  - (2) Members on compensatory time off authorized after the selection notice; or
  - (3) Members on "suspended with pay" or "dismissed with pay pending appeal" status.
- e. Members on regular off days shall not be subject to random drug testing.
- f. Any member selected for testing who claims inability to participate due to medical reason shall be examined by a physician designated by the

Chief. The physician shall determine if such member may be excused from the test. If such member is excused from a scheduled test, he/she shall be rescheduled for testing as soon as possible, irrespective of any random sampling selection.

7. Members having sensitive assignments, referenced in paragraph 6.b., hereof, shall be subject to drug testing upon entering and leaving these assignments, as well as on an annual basis while serving in such assignments.

C. Refusal to submit to a drug test shall result in immediate suspension and discipline up to and including dismissal from the Department. Attempts to alter or substitute a test sample provided by the member being tested shall be deemed a refusal to submit to a drug test. When the member appears unable to give a specimen at the time of the test, testing personnel shall document the circumstances on the drug-test report form. The member shall be permitted no more than three (3) hours to give a sample, during which time he/she shall remain in the testing area, under observation. Reasonable amounts of water may be given to the employee to encourage urination. Failure to submit a sample shall be considered a refusal to submit a drug test.

D. Testing Procedure

1. The current testing procedure shall be continued. This procedure is currently administered by Aurora Consolidated Laboratories. Nothing herein shall prohibit the Chief of Police from changing the provider of this procedure, so long as the new provider is DHHS-certified and performs the procedure pursuant to DHSS standards.

2. Substances to be tested for include:

Amphetamines	Opiates
Canabinoids	Phencyclidine (PCP)
Cocaine	

Nothing herein shall prohibit the Chief of Police from amending this list of substances, so long as the added substance is one for which DHHS has adopted a quantitative standard for a positive test finding for the substance; the

Department will notify the MPA of amendments to this list of substances.

3. Split Samples

At the collection site, the technician shall either collect the specimen in two containers or shall collect the specimen in one container and shall then split the specimen into two containers. One sample (the primary sample) shall be tested by the City-designated testing laboratory. The other sample (the split sample) shall be stored by the testing laboratory should a verified confirmed positive result from the test of the first sample.

If a verified, confirmed positive result is obtained from the test of the primary sample, the member shall be informed that he/she has 72 hours to notify the Medical Review Officer (MRO) that he/she wishes to challenge the test result by means of independent testing of the split sample. The member must so notify the MRO in writing within 72 hours of the member's being notified that his/her test was verified confirmed positive for the presence of a drug. Upon such a challenge, the split sample retained by the testing laboratory for use by the member shall be forwarded by the testing laboratory to a DHHS-certified laboratory selected by the member from a list of four such laboratories designated by the City.

All costs associated with the testing of the split sample shall be borne by the member, provided however, if the test of the split sample does not indicate a positive drug test result, then the Department shall reimburse such member for the costs of testing the split sample. Testing of split samples shall be conducted pursuant to the retesting provision described in the Federal Guidelines.

4. All test results shall be reviewed and interpreted by a Medical Review Officer (MRO) who shall be a licensed physician with knowledge of substance abuse disorders, designated by the Chief. The MRO shall examine alternative medical explanations for any confirmed positive test result. This action may

include conducting a medical interview with the individual, review of the individual's medical history, or review of any other relevant biomedical factors. The MRO shall review all medical records made available by the tested individual when a confirmed positive test could have resulted from legally prescribed medication. The MRO shall forward the results of his/her review to Chief of Police and/or Commanding Officer of the Professional Performance Division.

## II. ACCESS TO TEST RESULTS

Confirmed positive drug test results verified by the MRO shall be made available only to the following:

Chief of Police

Commanding Officer of the Professional Performance Division

## III. ADMINISTRATION/DISCIPLINARY ACTION

- A. A member, who has been ordered to take and has taken, a drug test based on either reasonable suspicion, or the requirements of paragraph I.B.2., hereof, shall not be subject to disciplinary action until the test results are received by the Department. During that period, however, the member may be required to surrender his/her weapon, badge, I.D. card, cap shield, and callbox key, and may be suspended with pay. This action shall be accomplished most discreetly and, whenever possible, without advising other personnel of the reasons.
- B. All discipline involving a member who has a confirmed positive test for illegal drug use, verified by the MRO, shall be administered by the Chief; such discipline may include dismissal from the Department. A challenge to a confirmed positive test result by a member shall not affect or delay the effective date of discipline imposed against the member pursuant to this section. The Department's position is that any member proven to have illegally used drugs should be dismissed for such use, subject only to the discretion of the Chief and review of the Fire and Police Commission.

#### IV. EXCLUSION OF TEST RESULTS FROM CRIMINAL PROCEEDINGS

Drug test results obtained through the Milwaukee Police Department Drug Testing Program may not be used as evidence against an officer in a criminal nor in a municipal ordinance violation proceeding.

#### V. CONFIDENTIALITY

- A. Except as provided in paragraph V.B., below, there shall be no dissemination of an individual member's drug test results (including documentation or information contained therein) to the public.
- B. The provisions of paragraph V.A., hereof, shall not apply to an individual member's drug test results in the following circumstances:
  - (1) Disciplinary hearings, or appeals therefrom, occasioned by such individual member's drug test results.
  - (2) Nondisciplinary administrative hearings, or appeals therefrom, when such individual member's drug test results would be relevant to such hearings/appeals.

An employee deemed certified as being qualified to be a law enforcement officer in the State of Wisconsin by the Law Enforcement Standards Board (LESB) as of the close of a calendar year shall be entitled to receive a \$1,260 payment termed "Certification Pay." Certification Pay payments shall be made as soon as is administratively practicable following the close of the calendar year in which eligibility therefor has been established. For purposes of prorating, an employee on the Police Department payroll for at least 14 days in a calendar month shall be deemed as having been on the payroll for the full calendar month; in the event the employee is on the Police Department payroll less than 14 days in a calendar month, then the employee shall be deemed as not having been on the payroll at all during the calendar month. For purposes of determining eligibility for the benefits provided in subsection 1, above, years of service shall be computed as of the effective date of the employee's normal retirement or voluntary resignation. Payments earned hereunder shall be made as soon as is administratively practicable after the employee's retirement or voluntary resignation.

3. Except as provided in subsection 4 of this Article, below, payments made under the provisions of this Article shall not be included in the determination of overtime compensation or any other fringe benefits.
4. Employees who retire from active service on a service retirement shall have only the first \$1,000 of their Certification Pay benefits included in final average salary for purposes of computing their service retirement allowances. For purposes of interpretation and construction of the provisions of this Article, the Certification Pay benefit the employee is entitled to include in the Final Average Salary computation shall be an amount equal to the first \$1,000 of the Certification Pay payment the employee received for December 31 of the calendar year immediately preceding the employee's effective date of retirement.
5. An employee who is on detached status under the Contract Administration provisions of this Agreement or an employee who has returned to active duty from detached status under the Contract Administration provisions of this Agreement, shall be entitled to these benefits under the terms and conditions set forth.
6. An employee on a military leave of absence for performance of duty as a member of the State of Wisconsin National Guard or a reserve component of the Armed Forces of the United States shall be eligible for Certification Pay benefits for a calendar year prorated on the basis of the employee's active service with the Department in that calendar year subject to the following:
  - a. The military leave is a result of being called to, or volunteering for, active duty under the authority granted to the President of the United States or the Congress of the United States for a period of more than 30 calendar days;
  - b. Prorated Certification Pay shall be calculated as of the effective date the employee separated from active service with the Department and began his/her unpaid military leave of absence.
  - c. For purposes of prorating Certification Pay benefits, an employee on the Police Department payroll for at least 14 days in a calendar month shall be deemed as having been on the payroll for the full calendar month; in the event the employee is

on the Police Department payroll less that 14 days in a calendar month, then the employee shall be deemed as not having been on the payroll at all during the calendar month.

## **ARTICLE 69**

### **WAIVER OF FURTHER BARGAINING**

1. The parties agree that each has had full and unrestricted right and opportunity to make, advance and discuss all matters within the province of collective bargaining. This Agreement constitutes the full and complete agreement of the parties and there are no others, oral or written, except as herein contained. Each party for the term of this Agreement specifically waives the right to demand or to petition for changes herein, whether or not the subjects were known to the parties at the time of execution hereof as proper subjects for collective bargaining.
2. If any federal or state law now or hereafter enacted results in any portion of this Agreement becoming void, invalid or unenforceable, the balance of the Agreement shall remain in full force and effect and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such portion.

## **ARTICLE 70**

### **COPIES OF LABOR CONTRACT**

As soon as practicable following the execution date of this Agreement, the City will provide to the Union two hundred copies of this Agreement. The covers of such copies will not be red.

## **ARTICLE 71**

### **INTERNAL INVESTIGATIONS**

If an employee is required to submit to interrogation by the employer concerning an allegation of misconduct and such interrogation could lead to discipline, demotion or discharge, the interrogation shall be conducted on working days as defined in §227.01(14),

Stats. between the hours of 6:00AM and 9:00PM. This provision shall apply only to interrogations that are compelled by a PI-21, and that:

- 1) are not related to an incident involving death or great bodily harm as defined by statute, or
- 2) are not related to an incident where exigent circumstances, as determined by the Chief of Police, require immediate interrogations.

If an interrogation not meeting either criterion 1) or criterion 2), above, begins before 9:00PM and is not concluded by 9:00PM, the employer shall have the discretion to continue such interrogation beyond 9:00PM.

## **ARTICLE 72**

### **EARLY INTERVENTION PROGRAM**

1. At his or her discretion, the Chief of Police may establish an Early Intervention Program (EIP) for the Milwaukee Police Department.
2. The City formed an EIP Advisory Group prior to implementation of the EIP. The EIP Advisory Group included one representative from the MPA, MPSO, and ALEASP. The Chief also appointed representatives to the Advisory Group. The purpose of the EIP Advisory Group was to consider appropriate performance measurements and benchmarks for the identification of employees whose performance indicates a need for intervention. The EIP Advisory Group may make recommendations concerning performance measurements and intervention benchmarks to the Chief. However, such recommendations shall be advisory only. The Chief shall give due consideration to any such recommendations. The Chief shall decide when the Advisory Group recommendations are due.
3. The EIP is a management tool designed for multiple purposes, including, but not limited to, evaluation of employees, identification of training or re-training needs and for referral to the City of Milwaukee Employee Assistance Program (EAP) or to another outside confidential counseling service.
  - a. If an employee is identified through any EIP analysis, the mere fact that he or she

was identified by the EIP shall not be used in the employee's evaluation; however, the data which led to the employee being identified by the EIP may be used in the employee's evaluation.

- b. If the EIP analysis indicates a need for training or re-training, the employee shall be required to participate in all training or re-training deemed appropriate by the Chief.
  - c. An employee who is referred to the EAP or to an outside confidential counseling service shall not be required to participate in the EAP or other counseling service.
  - d. The failure of an employee to participate in the EAP or in outside confidential counseling services shall not be grounds for discipline.
  - e. The identity and the nature of any outside counseling entities to which an employee is referred shall not be noted on the employee's evaluation.
- 4. The mere identification of an employee through any EIP analysis shall not be used for disciplinary purposes; however, the data which led to the employee being identified through EIP analysis may be or become the basis for discipline.
  - 5. Neither the Chief, the Fire and Police Commission (FPC), nor any agent of the City shall be allowed to request any information from an outside counseling entity to which an employee is referred.
  - 6. The Chief, the FPC and the City agree to treat the EIP database and the results of any employee's EIP analysis, including whether an employee has exceeded or not exceeded benchmarks or whether an employee has been referred to counseling, as confidential as required by law.
  - 7. The provisions of this Article apply only to the EIP and shall not affect other departmental policies, procedures or contractual agreements.

Dated at Milwaukee, Wisconsin this 25th day of October, 2007.

## APPENDIX B

September 14, 1983

MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE MILWAUKEE POLICE ASSOCIATION, LOCAL #21  
I.U.P.A., AFL-CIO  
AND  
THE NEGOTIATING TEAM FOR THE CITY OF MILWAUKEE

The parties agree to amend subsection 3.c.(1) of the OVERTIME Article set forth in the 1983-1984 City/Milwaukee Police Association Memorandum of Understanding so that in the 1983-1984 City/MPA Labor Contract it will read as follows:

“(1) If an employee’s compensatory time off balance (CTB), including any remaining unused compensatory time off earned prior to September 11, 1983, recorded on the most current Police Department Personnel Status Report is less than 32 hours, the employee may elect to be compensated in time off instead of cash for each instance of overtime work performed after issuance of the most current Status Report until issuance of the next Status Report which indicates the employee’s CTB is equal to or greater than 32 hours.”

The parties further agree that with respect to authorized overtime assignments directly related to the Milwaukee Police Department Band function, the following provisions shall be applicable:

1. Notwithstanding the OVERTIME Article of the 1983-1984 Labor Contract between the City of Milwaukee and the Milwaukee Police Association, when an employee is a member of the Milwaukee Police Department Band and performs an authorized overtime assignment directly related to the Band function, he/she shall be compensated at base salary rates (IX) in compensatory time off for the duration of such overtime assignment. The time off so earned: Shall not count towards the 32-hour Compensatory Time Off Bank (CTB) limit determining the employee’s eligibility for overtime compensation in compensatory time off, instead of cash, that is provided for in subsection 3.c.(1) of the OVERTIME

Article; Shall not affect the employee's CTB recorded on Police Department Personnel Status Reports; and shall not be included in the cash buyout provided for under subsection 3.d.(1) of the OVERTIME Article.

2. An employee may use earned time off from authorized overtime assignments directly related to the Police Band function on dates he/she has requested provided the employee gives his/her commanding officer reasonable advance notice of the dates requested and the dates are determined available by the commanding officer in accordance with the needs of the Police Service. The processing of requests for use of compensatory time off shall be on a first-come, first-served basis. Decisions made by employee's commanding officer with respect to the availability of the dates the employee has requested shall be final.
3. Administration of Band Overtime shall be in accordance with Departmental Order #7386, dated February 17, 1977, and attached herewith as Appendix A.

The parties further agree that for purposes of administering the benefits provided by aforesaid OVERTIME Article (as amended, above) the following provisions shall apply:

1. Except as provided in subsection 2, of this paragraph, below, the Police Department Personnel Status Report used to determine an employee's eligibility to elect compensatory time off instead of cash for an instance of overtime work performed shall cover overtime work performed during the 336 consecutive hour time period beginning at 12:01 a.m. on the second Wednesday of the pay period closest to the date on which the Status Report is issued. Normally, the Status Report would be issued on the second Wednesday of the pay period; in the event the Status Report is delayed, it shall be deemed effective retroactive to 12:01 a.m. on that Wednesday.
2. An employee may elect to be compensated in time off instead of cash for rollcall overtime if either of the two Police Department Personnel Status Reports that are issued during the current pay period reflect a balance of less than 32 hours. Such election must be for all rollcall overtime earned in such pay period.

3. An employee may elect to be compensated in time off instead of cash for out-of-shift premium earned if the employee's CTB recorded on the most current Police Department Personnel Status Report in effect on the date that the out-of-shift assignment ends is less than 32 hours.

The parties further agree that all other terms and conditions of the aforesaid OVERTIME Article (as amended, above) shall remain unchanged and in full force and effect.

The parties further agree that the agreements provided for above shall be deemed to be in force and effect on September 11, 1983.

APPENDIX B  
Labr/MPA

October 12, 1983

MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE MILWAUKEE POLICE ASSOCIATION, LOCAL # 21  
I.U.P.A., AFL-CIO  
AND  
THE NEGOTATING TEAM FOR THE CITY OF MILWAUKEE

For purposes of interpretation and construction of the free parking provisions provided for in the 1983-1984 City/MPA labor contract (Article 17, subsection 2.a.(4)), an employee shall be covered by such provisions when performing the following authorized overtime assignments, notwithstanding the fact that such assignments do not fall within the ambit of court overtime work as determined by the Police Department Administration:

1. An employee assigned to the First District, or a Bureau located at the Police Administration Building, required to meet with the First District Captain at the Administration Building to discuss a tavern violation matter.
2. An employee required to report to the Lieutenant in charge of the Traffic Accident office of the Traffic Bureau to discuss an accident investigation matter.
3. An employee required to report to the Captain of the Vice Squad on a matter involving a previously executed search warrant.

In the above 3 enumerated circumstances the employee shall not be entitled to court overtime, instead he/she shall submit an overtime card indicating a performance measure number determined by the Police Department Administration.

The aforesaid free parking provisions shall also be interpreted and construed to cover an employee subpoenaed to court on authorized Departmental business during a period the employee is on approval sick or injury leave; such coverage shall be limited to the duration of the court appearance resulting from the subpoena and the employee shall not be entitled to overtime benefits for such appearance.

The above provisions shall be deemed effective October 1, 1983 and, together with the provisions of Article 17, subsection 2.a.(4), of the 1983-1984 City/MPA labor contract, shall

constitute the full and only free parking benefits to which employees are entitled under such labor contract.

MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE MILWAUKEE POLICE ASSOCIATION, LOCAL #21  
IUPA, AFL-CI  
AND  
THE NEGOTIATING TEAM FOR THE CITY OF MILWAUKEE

The parties hereto agree that for purposes of interpretation and construction of the provisions of subsection 3.c. of the OVERTIME Article of the current City/MPA labor contract, in respect to administration of negative compensatory time off balances, the following shall apply from and after December 19, 1983:

1. Subject to the requirements governing usage of compensatory time off provided for in subsection 3.c.(2) of such OVERTIME Article, an employee may use compensatory time off so long as his/her compensatory time off balance (CTB) recorded on the most current Police Department Personnel Status Report is not less than zero (0) hours, notwithstanding the fact that such usage may result in the employee having a negative CTB on the next following status report.
2. An employee with a negative CTB recorded on the most current Police Department Personnel Status Report shall have an amount equal to the cash value of his/her negative CTB deducted from the paycheck he/she receives for the Pay Period next following the Pay Period of the status report recording such negative CTB. The cash value of an employee's negative CTB shall be computed on the basis of his/her hourly base pay rate in effect during the Pay Period in which such negative CTB occurs as this rate is established under the BASE SALARY Article of the City/MPA Labor Contract in effect at that time.
3. An employee may not use time off which he/she has earned, such as vacation and holiday time or compensatory time off earned following publication of a Police Department Personnel Status Report indicating a negative CTB for the employee,

to offset a negative CTB and thereby avoid the paycheck deduction provided for in subsection 2, above.

4. In disputes over an employee’s negative CTB, the compensatory time off taken and earned that is indicated on his/her time card (in the case of compensatory time off earned other than for roll-call, the time off earned indicated on the employee’s overtime Tab Card—Form PO-7) for the Pay Period of the Police Department Personnel Status Report on which the disputed negative CTB was recorded, shall decide the dispute.

The parties further agree that all other terms and conditions of such OVERTIME Article shall remain unchanged and in full force and effect.

THE MILWAUKEE POLICE ASSOCIATION, Local #21  
IUPA, AFL-CIO

THE NEGOTIATING TEAM FOR THE CITY OF MILWAUKEE

The parties hereto agree that whenever the Police Department Personnel Status Report for a pay period indicates a deficit in the time off entitlement of an employee because he/she has:

- (1) Exceeded his/her annual HOLIDAY OFF entitlement; and/or
- (2) Exceeded his/her annual VACATION entitlement; and/or
- (3) Exceeded his/her INJURY PAY entitlement; and/or

the Police Department Administration shall deduct unused time off in the employee's accounts indicated on such status report that are not in deficit by an amount of time off up to the time off that offsets, hour for hour, the employee's time off deficit unless the employee notifies the Police Department Administration prior to 3 p.m. on the Friday immediately following the date such status report is issued that he/she does not want the offset made; such notification shall be provided in accordance with Departmental procedures established for this purpose. If such notification is provided the offset will not be made and the deficit will be docked from the employee's paycheck for the pay period of the status report (the amount of such deficit to be computed on the basis of the employee's hourly base salary rate in effect during such pay period). If there is no unused time off in the employee's accounts indicated on such status report that are not in deficit, or if the amount of such unused time off is insufficient to offset the employee's time off deficit, the remaining deficit will be docked from the employee's paycheck on the same basis as is provided above when the notification requirements are met; and

## **APPENDIX E**

The following paragraphs from the Pension Benefits Article of the 1985-1986 City/Association Agreement are included for informational purposes:

1. Employees who are entitled to service credit during calendar years 1979 through 1986, inclusive, under either the Employee's Retirement System of Milwaukee or Policemen's Annuity and Benefit Fund of Milwaukee pension plans, shall receive such service credit at the rate of 2.5% per annum of Final Average Salary for each such year or part thereof.
2. Whenever the ERS Act provides that a medical panel make a determination affecting an employee's eligibility for benefits thereunder, a panel shall be substituted therefore consisting of three (3) physicians, one physician to be designated by the Association, one physician to be designated by the Employee Benefits Administrator and the third physician to be selected by agreement of the other two physicians. The panel may refer a member it is examining to an outside physician for examination. Decisions made by the panel on matters which are properly before it shall be by majority action and shall not be subject to the Grievance and Arbitration Procedure provisions of this Agreement. All costs associated with the panel, including costs of outside physicians used by the panel in making its determinations, shall be provided for by funds appropriated for that purpose from the budget of the City Annuity and Pension Board.
3. Effective January 1, 1985, for employees in active service on or after that date and who are members of the Policemen's Survivorship Fund of the Employees' Retirement System of Milwaukee, an increase in the current \$200/\$400 monthly survivorship benefits to \$300/\$600 per month, under the same terms and conditions applicable to such current benefits. This increase is being granted because there is no added cost, but if the experience is adverse, the benefits are to be reduced so as not to increase cost. All other terms and conditions of survivorship benefits shall remain unchanged.

4. An employee who files an application for a duty disability retirement allowance with the ERS Board on or after August 1, 1985, shall not be eligible to continue to receive such allowance beyond the first of the month next following their 57th birthday; on and after the first of the month next following their 57th birthday, such an employee shall receive the service retirement allowance to which he/she would be entitled upon normal retirement at age 57 and he/she shall have the time spent receiving such duty disability retirement allowance included as creditable service for purposes of determining his/her service retirement allowance. The City will hold the Association harmless from claims and actions against the Association based upon this subsection and any ordinance or administrative action implementing this subsection, and the Association does hereby agree to tender the defense of any such claim to the City forthwith.
5. An employee appointed to the Police Officer position classification on or after August 1, 1985, shall not be entitled to receive a duty disability retirement allowance for any injury he/she may sustain while on duty prior to the start of field training during the period of time he/she is assigned to the Police Academy for recruit training, including any subsequent injury related to the injury sustained during recruit training. Such an employee shall instead be covered by State of Wisconsin Workers' Compensation Act benefits during such period and shall be subject to all provisions pertaining to such Act.
6. Effective January 1, 1985, for employees in active service on or after that date:
  - a. Whenever the Annuity and Pension Board of the Employees' Retirement System of Milwaukee grants a disability retirement allowance to an employee under the provisions of Subsections 36.05(2) or 36.05(3) of the ERS Act, such allowance shall become effective on the date the employee filed an application for it with the Board.
  - b. If an employee, who becomes eligible to receive an ordinary disability retirement allowance under the provisions of Section 36.05(2) of the ERS Act

on or after January 1, 1985, elects an optional benefit provided for under 36.05(7)(b) of the ERS Act, the option so elected shall become effective on the employee's effective date of ordinary disability retirement as determined under Section 36.05(2) of the ERS Act.

c. If an employee, who has attained the minimum service retirement age, elects an optional benefit provided for under Subsection 36.05(7)(b) of the ERS Act on or after January 1, 1985, the option so elected shall become effective on the employee's effective date of retirement determined under Subsection 36.05(1)(a) of the ERS Act.

7. An employee in active service on or after January 1, 1985, who is a member of the Employees' Retirement System of Milwaukee (ERS) and who has not attained the minimum normal retirement age and service requirements provided for in Sections 36.05(1)(b) or 36.05(1)(f) of the ERS Act shall be permitted to elect a protective survivorship option for his/her spouse under Section 36.05(7)(b)4 of the ERS Act to become effective upon his/her death provided the employee makes such election six months prior to the date upon which he/she first attained 25 years of creditable service as a "Policeman." Such election shall be irrevocable, but shall be automatically revoked in the event the surviving spouse pre-deceases the employee before retirement or the surviving spouse is legally divorced from the employee before retirement. If elected, the coverage under such option shall become effective on the date the employee would have first attained age 52. In the event the employee has not attained the aforesaid minimum normal retirement requirements, but has at least 25 years of creditable service as a "Policeman," then such employee shall have until six months following the execution date of this Agreement to elect such option; if elected, the coverage under such option shall become effective on the date of election. The increase in benefits provided herein shall not apply to a surviving spouse entitled to receive benefits under the provisions of Section 36.05(5) of the ERS Act. The term, "Policeman," shall be as defined under Section 36.02 of the ERS

Act. All other provisions of 36.05(7)(b)4 of the ERS Act shall remain unchanged in full force and effect.

8. Except for the contractual guarantees set forth in Chapter 441 of the Laws of 1947, Wisconsin Statutes, the provisions of Section 36.13(2) of the ERS Act shall not be applicable to employees appointed to City employment on or after August 1, 1985.

Implementation of the foregoing paragraphs was accomplished by amendments to the City Charter enacted prior to November 3, 1988. These amendments, together with the balance of pension benefits applicable to employees' covered by this Agreement under the 1985-1986 City/Association Agreement, are referenced in the introductory paragraph of the Pension Benefits Article of this Agreement.

## **APPENDIX J**

### **Framework for a Memorandum of Understanding Between the City of Milwaukee And the Milwaukee Police Association Local #21 I.U.P.A., AFL-CIO**

#### **Re: Discretionary Days Off in Lieu of Discipline**

##### **Overview**

The current disciplinary system within the Milwaukee Police Department frequently results in varying periods of unpaid suspension leave for employees. In essence employees are found guilty of violations of departmental rules and regulations and the Chief of Police Head makes a determination as to appropriate penalty. Upon Order of the Chief of Police, employees may be subjected to periods of unpaid suspension of one or more days in length. In such events the disciplined member is suspended for specific date(s) as determined by the Professional Performance Division, and said member suffers a financial loss for the unpaid date(s). It is recognized that financial losses are not typically borne by the offending member alone, but by his or her family as well. Additionally, members on paid suspension periods are absent from duty and therefore the Police Department suffers the loss of human resources. It is the intent of this agreement to provide for a suitable alternative to the current system, which will alleviate much of the financial loss to employees and their families, keep productive employees at their workplaces and still provide an effective means of discipline. This shall be accomplished by allowing Police Department members, under the below conditions, to substitute discretionary off time in place of suspension days.

##### **Procedure**

In those discipline cases wherein the Chief of Police orders the suspension of a member for a period of five days or less, the member subject to said discipline shall be served with the discipline order(s) consistent with current practices. In addition, the member shall also be served with a notice informing them of their option to substitute discretionary time in place of any or all suspension days. The notice shall advise the member that if he or she wishes to substitute discretionary time, he or she must notify the Personnel Division in writing within five calendar days. Upon proper notification, the Personnel Division shall process the member's request and subtract the appropriate discretionary time from the member's balance. Failure to properly notify the Personnel Division or Administrator within the five-day period shall automatically

result in the member forfeiting their ability to substitute discretionary time and the suspension shall proceed as ordered by the Chief.

### **Conditions of Agreement**

- For applicable suspension as described above, the substitution of discretionary time shall be at the member's sole discretion, given that the member has the time available.
- Suspensions exceeding five days shall not be eligible for substitution.
- Only vacation days may be substituted. Substitutions shall be on a one-for-one basis, i.e. one vacation day replaces one suspension day.
- Compensatory time, sick time, etc., may not be utilized for substitution.
- Members may choose to substitute discretionary time for all or part of a suspension period. However, substitutions may only be made in full eight-hour blocks.
- Members may only substitute discretionary time that is available on the current Time Owed and Allowed reports. Members may not "borrow" future time.
- In the event that a member chooses not to substitute discretionary time, or does not have the time available to them on the current Time Owed and Allowed report, said member shall serve the suspension days as ordered by the Chief.
- A member's decision to substitute discretionary time shall have no bearing on their disciplinary record. All official Police Department disciplinary records, including the Personnel Order, shall continue to indicate that the member was suspended for the time period as ordered. Substituted suspension time shall continue to be a factor in matters such as progressive discipline, Sick Leave Incentive, promotional exams, etc.
- A member's decision to substitute discretionary time is neither an admission of guilt nor a waiver of grievance/appeal rights.
- In the event that a member chooses to substitute discretionary time and then is awarded a reduction of discipline through the grievance/appeal process, said member shall be credited with the awarded day(s), to the same account from which they were drawn. Time credited to the member's balance shall be governed by the rules in place for discretionary time applicable to the date the time is returned. For example: In January of 2005, a member is suspended for two days and substitutes two vacation days. The member grieves the discipline and in January of 2006, an arbitrator reduces the discipline to one day. The Police Department would then add eight hours to the member's vacation balance for year 2006 and subsequently the eight hours would have to be utilized by the end of that calendar year, unless the arbitrator/umpire directs otherwise.

- For purposes of this memorandum of understanding, the parties recognize the authority of the arbitrator/umpire to direct that the member be able to utilize any returned time during a period of one year immediately following the date of the award.
- The Chief of Police shall not in any way consider a member's discretionary off-time balance when deciding upon discipline.
- The procedure would be implemented on a trial basis for the term of the 2007-2009 Agreement and could be extended beyond that date by mutual agreement.
