C.I. File No.: 09-S-411 (**appeal**)

DATE: December 29, 2009

We are requesting a hearing regarding the decision relating to the damage to our vehicle caused by the Milwaukee Police Department.

Although MPD took the necessary actions to recover evidence during an investigation, we should not have to pay the cost for their job. No one should have the rights to destroy another person's private property and not pay for it. We are the victims in this incident and because it was the police does not make it right to chalk it up as "All in days' job".
