Re: Eviction Hearing:

Eviction hearing was adjourned to 7-27-04, which was giving to me for eviction for 8-17-04. First and second cause was scratched from the file out from the clerk, Scott Stange, City Attorney on 8-2-04, which I'm forwarding copies. Which on 8-17-04, I appealed in court, there was a dismissal for first and second cause, according to Small Claims Court records. I wasn't either in court on 7-27-04. I do find this highly deserved. I was given the schedule date 8-17-04 at 1:30pm. I showed the notice to the police officer on 8-6-04 for the eviction, bank statement of the cash money I had in the bank amount \$2300.00, which been spent form the 8-6-04 to 8-17-04 \$2000.00 from my savings, value of the things were valued at \$40,000.00, that were in the house.
