Question:

My understanding of the Fire + Police Commission
is they are representatives of us/the community.
Is that your understanding? If so how do you
see yourself filling this role? If not how do
you understand your role?

Question:

The Fire and Police Commission
is a powerful City Based committee.

What vision do you have for the
first 2 years of your appointment,
and
will you address each case that
comes before the commission on
its individual merits?
