Subject: Historic designation of Arena/Auditorium

Dear Mayor Johnson,

As a lifelong Milwaukee resident, Architect, sports fan and connoisseur of Milwaukee's architectural heritage, I urge you NOT to veto the historic designation of the above properties. Both buildings are significant architectural landmarks and serve important functions in our city life.

To lose them would be a civic tragedy affecting all residents.

A better location for a convention hotel is the block bounded by Wisconsin Ave., Phillips and 5th St.

I hope you will agree to let the designation stand.

Yours Truly,

David Uihlein

322 E. Michigan St.
