Item: 4. 200695 A substitute ordinance relating to the change in zoning from Industrial Heavy, IH, to Industrial Mixed, IM, for the properties located at 123 and 147 East Becher Street, located on the south side of East Becher Street, east of South 1st Street, in the 14th Aldermanic District.

eComment: Being a Bay View resident, I'm in favor of this because that stretch of land would otherwise sit vacant and wasted for decades more. I agree that good, affordable housing must be part of this project. The planners must consider, though, the complaints that will explode from the new residents when frequent, heavy, freight trains rumble slowly along the tracks right outside their windows day after day.
