Subject: BID District

Good morning,

My name is Brian Hart and I own a small engraving company. My address is 4928 North 29th. street. I received a letter regarding BID #19, Villard Avenue. I understand that this is a good thing for Villard Avenue. I have a few thoughts regarding this. I do not have the money to add to this project. I have been losing money for the last few years and because of the pandemic we have lost more customers. We don't receive any walk up customers. We deal with phone calls or email. We can not be apart of this. I am fairly sure the people on both sides of me are not interested in this either.

I wish you well but understand I can't help you.

Kindly, Brian Hart

Stretching from N. Teutonia Avenue to Sherman Boulevard, the Villard District is nestled in the heart of Milwaukee's historic "Old North Milwaukee" neighborhood offering a rich local History. Celebrated as the original "downtown" of the Northside of Milwaukee, Villard Avenue boasts blocks of walkable streets, unique historic & cultural fabric, and prime retail space. The district is also home to the Villard Avenue Branch of the Milwaukee Public Library which houses apartments on its upper floors. The development set a new precedent for the way the city redevelops its public libraries.
