Milltown motors has been uncooperative with regard to parking on the sidewalk for many years now and I strongly recommend that whenever their license comes before the common Council in the future if she'll be uniformly denied because they cannot behave or respect ADA

Todd, Please forward all confirmation numbers after reporting the situation to the city to facilitate preventing their license from ever being renewed.

I have I did some research and issued orders to Mil- Town motors. Dhillion Enterprises, llc original BOZA case#590869 in 2005 required them to paved the East portion of the property. They are currently jumping the curve and parking on unpaved surfaces. The have also submitted in their plan of operation they will only have 10 vehicles located on the property. They are currently over the limited.

Orders were also issued to comply with the Landscape requirements and also installed a fence under permit which is still not installed. Exterior violations were also issued. There was a renewal in 2010 case# 30467 to continue occupying the premises as a motor vehicle sales and repair facility, however the conditions that were grant in 2005 have not been complied with. I have issue orders to correct all conditions.

Mil town motors has begun their practice of parking on the sidewalk every day now.

Their address is 2072 S. six Street

I have called in a complaint for today but if they keep up this illegal practice of parking on the sidewalk I think as their alderman you need to tell them to knock it off.

Today it's a black Mercedes with the license plate: dealer 992
