Honorable Jose G. Perez
Alderman, 12th Aldermanic District

Subject: 12TH ALD. DIST. - FILE #210039
INSTALL NO PARKING ON THE NORTH SIDE
OF WEST CLEVELAND AVENUE FROM A
POINT 95 FEET EAST OF SOUTH 16TH STREET
TO A POINT 25 FEET EAST THEREOF

Dear Alderman Perez:

This is in response to a request from a local resident to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that motorists exiting the alley located on the north side of West Cleveland Avenue between South 15th Place and South 16th Street have a difficult time seeing traffic traveling eastbound on West Cleveland Avenue when vehicles park close to the alley. Therefore, in the interest of public safety, we recommend installing this restriction to increase sight visibility.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jerrel Kruschke, P.E.

Honorable Cavalier Johnson
Alderman, 2nd Aldermanic District
Room 205, City Hall

Subject: 2ND ALD. DIST. - FILE #210039
INSTALL NO PARKING ON THE NORTH SIDE OF
WEST FOND DU LAC AVENUE FROM WEST ARMITAGE AVENUE
TO A POINT 60 FEET EAST

Dear Alderman Johnson:

This is in response to your request on behalf of local residents to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found west bound motorists on West Armitage Avenue have a difficult time seeing traffic traveling west bound on West Fond du Lac Avenue when vehicles park close to the corner. Therefore, in the interest of public safety, we recommend installing this restriction to increase cross traffic visibility at the intersection.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jerrel Kruschke, P.E.
