INITIAL INVESTIGATION

Kempen, Andrew S 019729

11/05/2019

This report is written by P.O. Andrew KEMPEN, assigned to District 3, Late Power Shift.

On Sunday, November 3rd St, Squad 3465, myself, and Squad 3430, P.O. Jesus MERCED and P.O. Lydia RIVERA-HOLEY, were monitoring the closing of 2911 W North Ave, T Jay's Lounge, when I observed a large commotion in the street directly in front of the front doors to the location which was causing traffic to back up. After clearing the crowd out I observed a female yelling at security. I approached the female who identified herself as Shaiindia S WHITTKER (F/B 6/20/96) who stated that she had been trying to get back into the bar because her girlfriend's shoes were still in side and the one security guard told her that she could but another one who she described as a black male caramel complexion, medium build, bald with a beard and wearing a red jacket told her that she couldn't come in and when she tried to tell him that the other guard told her she could to get the shoes he started to push her out and grabbed her by the head and pushed her out.

I spoke to Kevine BARNETT who was working as bartender and he told me that there was a large commotion at the door as they were watching their capacity and they were doing the push as it was closing time. BARNETT stated that he did not see any individual incident between any of his security and the patrons. I described the subject that the female had given me and he stated that he did not know who that female was talking about. BARNETT denied that anyone like that worked for him. I did not observe anyone in the bar the matched the description given.

I went back to WHITTKER who stated that she would like to press charges against the subject and I advised her that I would be conducting follow up to attempt to identify the security guard and get his side of the story and would be contacting her back once that was done. I checked the location the on 11/8/19 and 11/19/19 but did not locate the subject.

CAPACITY CHECK

Kempen, Andrew S 019729

11/23/2019

This report is written by P.O. Andrew KEMPEN assigned to District 3, Late Power Shift, Tavern Squad.

On November 23rd, 2019 at 12:55 PM, Squad 3465, P.O. Samuel KEHOSS and I, were driving past 2911 W North Ave when I observed a large number of cars around the bar and from my prior experiences with T Jay's Lounge this number of cars led me to believe they were over their capacity as their capacity is 80 and I observe approximately 65 to 70 cars in the area.

I contacted Squad 3412, Sgt William KINGSTON, and requested to conduct a capacity check of the location. Sgt KINGSTON requested additional squads to help with the check and Squad 3340, P.O. Herbert DAVIS and P.O. Adam GONZALEZ, Squad 3450, P.O. Taylor ZUBE and P.O. Jeremie GAINER, and Squad 3330, P.O. Andrew DUDLEY and Lauren MAROWSKY, responded to assist.

Squad 3330 monitored the rear of the location to make sure no one fled out the back. Squad 3450 shutdown traffic to allow for the safe exit of everyone in the bar. Squad 3340 went to the front door to assist with the crowd while Squad 3465 conducted the count and Squad 3412 oversaw everything.

Upon approaching the location I spoke to Kevine BARNETT, who is the licensed bartender at the location and I asked him how many people he had inside tonight and he advised that he had 89 and he knew that was over. I advised him that he was above that number and that he needed to shutdown the music and tell everyone to exit the bar. BARNETT cooperated and started everyone to the front door. I counted out every person leaving the bar out loud while my Axon Body Camera was activated and used a handheld counter to confirm my accuracy. After the majority of the patrons had exited the bar I entered and counted the remaining subjects inside for a total count of 118 which is 38 over their capacity.

I spoke to BARNETT outside of the location about the fact that he was again over capacity. BARNETT stated that he was the one counting everyone that was entering the location and he showed me that he had a handheld counter on him with a number of 91 on it. BARNETT stated that he tried to keep an accurate count but his duties in the bar had pulled him away from the bar from time to time. I advised him that it would be best for him to assign a worker to do the count and only to do the count so they have an accurate count and they don't run into this issue moving forward. I also advised BARNETT that he needs to have the actual amount of the cover charge posted and not just a sign that says cover charge. BARNETT stated that he would fix that immediately.

This report is written by P.O. Larry LEIBSLE, District 3, Late Power Tavern Car.

On 03/14/2020, at 2:00am, Squad 3465, P.O. ZUBE and I conducted a tavern check of TJ's Lounge located at 2911 W. North Ave.

During this time, we did observe a large amount of vehicle in the parking lot and parked on the street but not enough to believe that they were over capacity. We also did not observe any loitering outside of the tavern or in the parking lots. Tavern staff was outside keeping vehicles from stopping in front of the tavern blocking traffic. There was also a security vehicle in the parking lot with a visible light on top for additional security.

We did observe the tavern closing which began around 2:10am and did not observe any issues with disorderly patrons or traffic issues. Patrons left the area in orderly fasion.

INITIAL INVESTIGATION

Kempen, Andrew S 019729

08/03/2020

This report is written by P.O. Andrew KEMPEN, assigned to District 3, Late Power Shift.

On Sunday, August 2nd, 2020 at 2:24 AM, Squad 3350, P.O. Tonya BRICE and P.O. Matthew SCHLAX, were dispatched to N 29th St and W North Ave for a battery complaint. I, Squad 3465, along with P.O. Taylor ZUBE responded to assist with the call.

Upon arriving on scene I observed a large crowd in the street outside of T Jay's Lounge, 2911 W North Ave. I was directed to a vehicle in the parking lot where a female subject, Shaquita S PERRY (F/B 3/7/93) was laying beside it with a minor laceration above her right eye brow. I was advised by several subjects around her that she was hit by a male subject known as "Pee Wee" who used a 2x4 to hit her in the head causing a small cut to her head. Squad 3350, P.O. Tonya BRICE and P.O. Matthew SCHLAX, took over that investigation and were unable to get a statement from PERRY due to her intoxication level.

I spoke to the manager of the location Kevine BARNETT who stated that the subject involved has been banned from the location even though he did not know the subject's name because he has caused problems at the location in the past and keeps being brought to the location by family. BARNETT stated that his cameras did not cover the incident.

I then spoke to BARNETT about the fact that we have noticed a larger number of vehicles in the area leading us to believe that he was going above capacity again. BARNETT stated that a number of the vehicles in the area are for a memorial for a fatal crash on 30th St just south of W North Ave. It should be noted that on our prior passes when he noticed the large number of vehicles we did not see anyone standing around the memorial. I also advised him that he was also supposed to be at only 50% his normal capacity.

He was advised that I would be filing a license premise report regarding.
