

1. Describe the proposed ordinance or resolution. File number: _____

The proposed resolution aims to activate a grant from the State of Wisconsin. The Public Health Emergency Preparedness (PHEP) grant supports the City of Milwaukee's public health efforts to maintain preparedness for an attack using agents of biological terrorism (e.g., Anthrax). Through the provision of services under this agreement/contract, the Milwaukee Health Department will work with external partners (FBI, DHS, WSLH, CDC) to protect Milwaukee's residents and visitors from biological terrorism threats.

2. Identify the anticipated equity impacts, if any, of this proposal.

No equity impacts are anticipated from this proposal

3. Identify which minority groups, if any, may be negatively or positively impacted by the proposal.

No minority groups will be specifically impacted by this proposal. This proposal protects the entire City of Milwaukee from terrorist threats.

4. Describe any engagement efforts with minority communities potentially impacted by the proposal.

No engagement efforts are anticipated in relationship to this proposal

5. Describe how any anticipated equity impacts of the proposal will be documented or evaluated.

No equity impacts are anticipated.

6. Describe strategies that will be used, if any, to mitigate any anticipated equity impacts.

No equity impacts are anticipated.
