Honorable Joseph A. Dudzik
Alderman, 11th Aldermanic District
Room 205, City Hall

SUBJECT: 11TH ALDERMANIC DISTRICT – FILE #050813
INSTALL FOUR-WAY STOP ON
WEST WARNIMONT AVENUE
AND SOUTH 63RD STREET

Dear Alderman Dudzik:

This is in response to your request to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents at this intersection that would warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the four-way control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Honorable Robert Bauman
Alderman, 4th Aldermanic District
Room 205, City Hall

SUBJECT: 4TH ALDERMANIC DISTRICT – FILE #050813
INSTALL NO LEFT TURN ON
NORTH JAMES LOVELL STREET
SOUTH OF WEST STATE STREET
FOR SOUTHBOUND TRAFFIC

Dear Alderman Bauman:

Due to traffic congestion on North 6th Street, the entrance to the surface parking lot located on the southwest corner of West State Street and North 6th Street has been moved to North James Lovell Drive just south of West State Street.

The Milwaukee Police Department has requested the installation of the above captioned traffic control to maintain efficient response times to emergency situations while leaving their parking structure located across from the new entrance to the parking lot.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
