Thank you Greg, Officer Kline, Alderman Kovac for following through on these issues. I will track these violations in the NATF subcommittee record, but it would be ideal to get them into the clerk's files as well.

Additionally, it will be helpful to know whether either business does anything to address these concerns (such as withdrawing from the pub crawl event).

Alderman Kovac, do you need a formal request to have this entered into the clerk's files? If so, please consider this email a formal request to add this violation by Rosati's into the record. Please also enter into the Buddha Lounge file.

Subject: Pub Crawl

Nik,

I stopped in at Rosati's and Buddha Lounge today. I spoke with Wendy Breese at Rosati's who is the Assistant Manager, and stated she was not aware of any agreement about not participating in pub crawls. Wendy called the General Manager Terry Bruner via telephone, who stated "we have no agreement in our license that says we can't participate in pub crawls. We said we would not participate during the public meeting, but our rent is \$16,400.00 and we're not covering that in monthly sales." Wendy also informed me they took part in the Shamrock Shuffle.

I then spoke with Yosef Goldstien who is the owner of the Buddha Lounge. He stated he does not recall saying at the public meeting he would not participate in pub crawls, and informed me they will be taking part in the event this Saturday. Goldstien further stated he participated in the Shamrock Shuffle.

## Application Requesting Community Support of Liquor License in North Avenue Corridor

The North Avenue Task Force (NATF) is a collaboration of organizations on Milwaukee's East Side that seeks to support the vitality of the North Avenue commercial corridor while maintaining and improving quality of life for those who live, work and study in the surrounding neighborhoods. The Liquor License Sub-Committee of the NATF includes area neighborhood associations (Greenwich Village, Historic Water Tower, Mariner, Murray Hill) as well as Columbia-St.Mary's Hospital. One area of great interest to the NATF is reducing the negative impacts to our community that stem from overconcentration of alcohol outlets and overserving of patrons. These negative impacts include nuisance noise, litter, vandalism, property damage, and crimes in varying degrees.

Response to Rosati's Questionnaire and Meeting held October 14.

### **Changes needed.**

**Bold, italic print refers to sections of Questionnaire as completed by Rosati's**

#### ***Business Name:***

Question/Clarification: What is the name of this establishment?

The exterior signs are still for Replay.

It is Rosatis Pizza and sports bar. The outside sign will only read Rosatis Pizza. The sign hasn't been changed yet due to it just recently being approved.

#### ***Owner[s]:***

Question: Is Rosati's Pizza Pub Development an instrument of Rosati's corporate/main organization? Who is ultimately responsible for the business? Ultimately the ownership is responsible, directly through Anthony Rosati and the Rosatis Franchising in Elgin IL

#### ***Location of Business: Rent or Own Building?***

Please answer this question. It is a rental

#### ***Days and Hours of Alcohol Sales:***

Change to: 11 AM to Midnight Everyday. We fully understand the rationale, but our history in this type of restaurant is that we get a lot of second shift and people who finished some sort of event that come in with family and friends. These generally come at the hours of 10:30pm to about

12:30-1am each day. Our store I was at in Hoffman Estates IL was open until 1pm daily and as I said, by 1pm there were generally just a few people left.

Rationale:

Rosati's presents itself as a restaurant, not a bar. 11AM to midnight hours for alcohol service reflect that and matched the Task Force's position to encourage restaurants over bars.

There should be consistency among similar operations: Ian's and Divino are also Italian food restaurants with similar hours.

We desire be as fair as possible: To allow more latitude to Rosati would be unfair to Ian's and Divino. Ian's has been honest and realistic about the hours of liquor service.

MPD has consistently advocated for staggered bar closing times. These hours, along with hours like Divino and Ian's, take a step toward that goal for North Avenue.

Rosati's has no other location with bars hours open until 2 AM. Even their Chicago, South Loop, 1334 S Halsted location, near the Uof I-Chicago campus, closes at midnight every day except F and Sat when they close entirely at 1 AM.

The Rosati Chicago location at 126 W Grand closes at 10 PM M-Th and 11 F-Sat.

***Maximum Capacity at this Location:***

Change to: Capacity should be stated as total number of seated patrons. Yes, that is how it will be posted.

Rationale:

MPD has advocated for capacity tied to seated patrons. The Rosario team said Chicago uses this measure and did not have an accurate count.

***BASIC CRITERIA***

***1. What percentage of your revenue will come from sale of alcohol? We are a restaurant that serves alcohol***

Change: Correct the overall percentage [it is not the same as adding the before and after 5 pm percentages]. up to 5pm the

percentage is approx 5% alcohol. From 5pm to 11pm it pushes up to 20%. From there it drops back down to 5% to close.

Rationale: The ultimate aim of the question is to learn overall percentage of revenue from alcohol. An Urban Milwaukee article quotes a Rosati representative as 20% revenue from alcohol.

### ***3. Do you intend to offer Drink Specials?***

Change to: Yes. 4-7 PM. \$1 off draft beer. That is reasonable, due to the fact that it is short term advertising.

Rationale: Their questionnaire reads 3-7 PM and has no description. At the meeting we were told 4-7 PM, \$1 off draft beer. [There has been persistent criticism of "drink specials" so this represents a compromise]

### ***4. Outdoor or outward-facing advertising for alcohol?***

Question: Several beer neon signs are now in the window. Is there an ordinance about number as well as size? This advertising approach signals "bar" to the street in contrast to Rosati representatives' assurances about this being a restaurant, not a bar. The signs are there to bring attention to the restaurant and are used to basically say look at me. We do not intend to clutter the windows with many due to the fact that we want to maintain a high class establishment and not alienate our target audience which is families.

### **Services Description:**

Change to: Full Rosati menu, served until closing.

We never cut off food service with our entire menu at any location before close. We will still be taking care of pickup and delivery customers to close along with restaurant guests. Again our focus is on our fantastic pizza and other foods, not on the bar specifically. We are a restaurant first and always.

Rationale: This change reflects with information given at the meeting. The questionnaire answer now leaves room to move food service commitment away from a restaurant emphasis and does not commit to the full Rosati menu.

***Benefits to North Avenue:***

Change to: Approximately 50 jobs this number will change and most likely go up as business increases. It is my experience that this store will most likely continue to increase its employee base to well above the 75 person range.

Rationale: Original number is "around 100". About 50 jobs was the number given at the meeting. Also quoted in Urban Milwaukee article

***Applicant's Experience:***

Question: Who is the applicant? Is it the General Manager or Rosati's corporation? At the meeting we were told this is a Rosati corporate location. This is a corporate store and it is run by corporate policies and procedures. I as the agent for the store have been the one applying for this license.

Rationale: Who will hold the license? It is important to know the GM's experience. But even more important to state who is ultimately responsible

***Underage Patrons: dining room only***

***Staff Training: will be trained in all rules pertaining to dining room procedures and bar laws and procedures***

***Community Nuisance: there will be no tolerance for nuisances in or out. We are a high class restaurant and not a night club.***

Question: The content of these answers is OK but need depth. At the meeting we asked for documentation to be assured the answers given are corporate policy and not solely the initiative of the GM.

Is every operator, or general manager, held to these standards? If so, the proof belongs in the record of this license request. The document sent to Nik is the Bartender Manual, telling the bartender what to do but indicates nothing about Rosati's mandatory training or responsibility.

We request documentation of the Rosati training policy and procedures as they impact underage patrons, staff training re: alcohol issues, and community nuisance concerns.

All bar staff are required to learn and follow all regulations for bar operations and there is no tolerance for deviation to these rules. There will be absolutely no underage drinking in any of our establishments at any time and anyone violating these rules will be terminated immediately. We intend to run a restaurant with a great community feel serving great pizza and various other foods and with a great reputation for being the best in town.

Note: Rosati's responses are underlined and highlighted

## REDACTED RECORD

May 20, 2016

City of Milwaukee License Division  
200 E. Wells Street  
City Hall - Room 105

To whom it may concern:

On May 19, 2016 my grandson and a friend came to visit and offer their assistance since I am a disabled Senior citizen.

I asked them to go across the street to Otto's liquor store to make a purchase for me (3476 N. Oakland ave, 414 9611383, Milwaukee WI.

They returned empty handed stating the clerk would not sell to them because he had no identification.

I understood and walked with them back to the store and attempted to make my purchase. The clerk now tells me he refuses to sell to me because he felt I was making the purchase for my 28 yr old grandson. I explained the

purchase was for me but due to my disability I could not carry the purchase. My grandson said I told him that initially. The clerk then pointed his finger at my Latina grandson and ordered him out of the store as if he were trying to provoke him with his raised tone of voice. I feared for my grandsons life as they are shoot and killing our black youths at an alarming rate. So my grandson was compliant.

The clerk now refused to sell to me because he said he was thinking I was making the purchase for my grandson, despite I had proper identification while he checked out 3 other white people without asking for I.D. yet verbally embarrassing me then I was told to leave the store.

Back at my apartment I spoke with my manager she said she would call and try to intercede for me but the clerk hung up on her ( ),

I ask that this matter be seriously considered as the clerk was wrong, rude and publically humiliated the both of us in front of his white customers. This type of racism is not healthy for the community or the people he did it in front

of, please consider these customer care issues as they are hurtful to any community, we need to all work together and dismiss the hostility to make a healthy environment these kind of people and issues should be sanctioned.

Thank you,
