Re: 2249 N. Humboldt Avenue  
Tax Key # 354-0501-100-8  
Poor Infrastructure Damage to Property

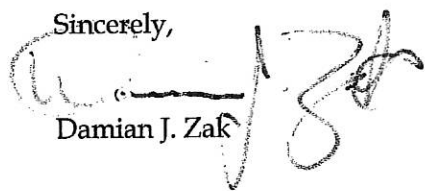

Estimated damage: \$50,000

City of Milwaukee failed to properly maintain roadways.

- Claimant, over a 2 year period of time, contacted the City of Milwaukee Public Works in regard to the serious deterioration/potholes in the east-bound lanes of North Avenue to the east of Humboldt Avenue.
- Claimant informed said department that heavy trucks/semi trailers going over the large sinking areas would bounce causing a shaking of said property and the loosening of the brick façade of the east wall. Vehicles would drop/sink into the damaged roadway actually shaking the building.
- Claimant finally notified (via email) Ald. Coggs regarding situation and she promptly responded that she would address a.s.a.p. Unfortunately, the 100 m.p.h. tornadic winds collapsed the wall the following day.
- Claimant has masonry estimated of \$50,000 to repair wall to historic condition.
