North Office Building  
Modernization Project  
SBE and RPP Participation  
Quarterly Performance Report  
through December 31, 2025**

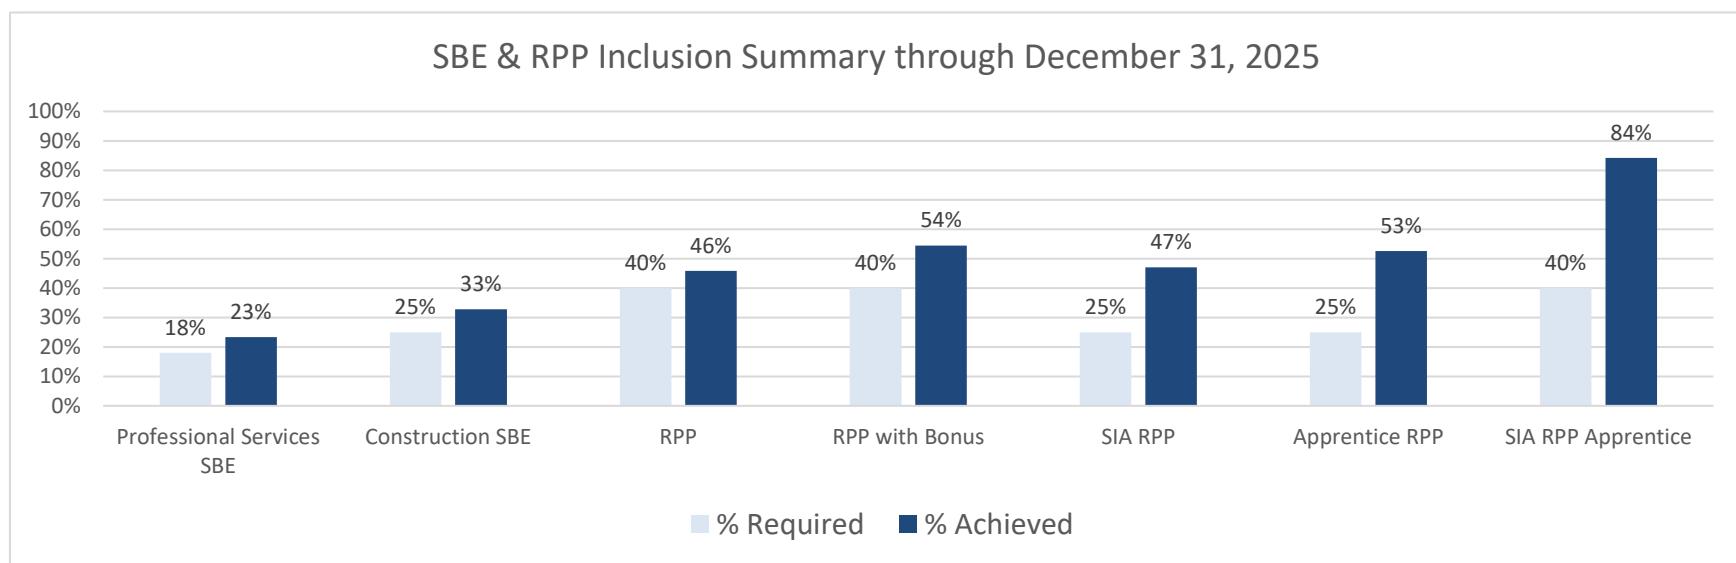

Prepared by: 

Date: January 23, 2026

## Project Summary

The Northwestern Mutual North Office Building Modernization project will include extensive interior and exterior renovations to the 540,000-square-foot building to mirror the iconic and award-winning architecture of the Tower and Commons, new connecting structures, and a pedestrian plaza on Cass Street.

<b>Developer</b>	Northwestern Mutual Life Insurance Company
<b>Project Address</b>	818 E. Mason Street, Milwaukee, WI 53202
<b>General Contractor</b>	Gilbane Building Company
<b>Professional Services Cost Subject to Inclusion</b>	\$13,383,575
<b>Applicable Professional Services Draws to Date</b>	\$13,383,575 <sup>1</sup>
<b>Construction Cost Subject to Inclusion</b>	\$381,472,634
<b>Applicable Construction Draws to Date</b>	\$262,796,391

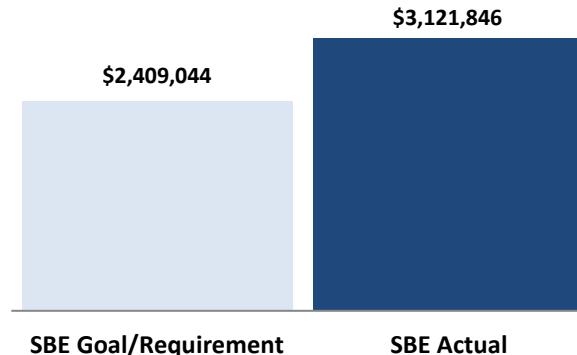

<sup>1</sup> Due to the increases in contract values and additional professional services contracts awarded, payments to professional services firms exceed the original professional services budget. Thus, the Applicable Professional Services Draws to Date equals the Professional Services Costs Subject to Inclusion (PSCI). The development team will submit for review and approval a revised PSCI to OEI that reflects the updated professional services budget.

## SBE Professional Services Inclusion

Through the period covered by this report, SBE/DBE firms have been awarded contracts that equal to 23% of the professional service cost subject to inclusion surpassing the requirement of 18%. Table 1 below shows the SBE/DBE firms awarded contracts.
