Subject: The new Sam's club

I am a frequent shopper of the Sam's Club on Calumet Rd. and I have some concerns about the moving of that facility to 124th and Bradley. Has this already been in the works has it started or is it still in the approval stage. There are a number of reasons why I am not for this plan. What are the benefits to the neighborhood and said area for this Sam's Club? If there is any information that you can send me it would be helpful.

Thanks
