SUBJECT: 14TH ALD. DIST. - FILE #200579
INSTALL STOP SIGNS ON SOUTH 1ST STREET
AT WEST MORGAN AVENUE

Dear Alderwoman Dimitrijevic:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the southeast and northwest corners of the intersection in the form of retaining walls and a hill that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Samir Amin, P.E.
City Engineer
