Planting Trees, Growing Together

Plant Trees for a Better Milwaukee

City of Milwaukee Forestry Services is looking for potential tree planting projects in neighborhoods throughout the city to be partially or fully funded by the Milwaukee Urban Forestry Fund. Projects can be on public and private property.

To make each project a success, we need:

- Strong community partner(s)
- Project assistance from City of Milwaukee Forestry Services
- 10 to 50 trees planted
- Volunteers to help maintain newly planted trees
