Dear members of the Zoning, Neighborhood, and Development Committee
Because of the questions you asked me at the last meeting, I feel it is important to get the attached information to you.
Attached, please find our letter and supporting documents.

I also want to provide a link to the compiled series of articles from Urban Milwaukee on Estabrook Dam by water scientist David Holmes <http://milwaukeeiverpreservation.org/wordpress/wp-content/uploads/A-Freshwater-Controversy-Estabrook-Dam-David-Holmes.pdf>

I will be delighted to respond to any questions you have on the subject.

Thank you

Glen Goebel
