To the Honorable, the Common Council

Dear Council Members:

Attached please find a resolution which amends the surety bond requirement for a special privilege granted to Shasha, LLC for a balcony/deck structure with columns and signage.

Permission for the balcony/deck structure with columns and signage was granted to Shasha, LLC in 2004 under Common Council Resolution File Number 031468. The aforementioned special privilege required a surety bond in the sum of \$100,000, which exceeds the maximum surety bond requirement of \$10,000 allowed under Section 245-12.3(b) of the Milwaukee Code of Ordinances.

After consulting with Jim Owczarski, the Common Council Records Manager, it was determined that the \$100,000 surety bond requirement does not constitute a simple clerical error, hence we have drafted the attached special privilege resolution to amend the surety bond amount to the \$10,000 allowed under Section 245-12.3(b). If the attached resolution is passed only the surety bond will be amended, all other conditions and clauses of the special privilege granted under Common Council Resolution File Number 031468 will remain unchanged.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
