Dear Honorable Members of the Common Council:

Attached please find a resolution for introduction relating to the application, acceptance and funding of a US Environmental Protection Agency Great Lakes Collections of Household Unwanted Electronics and Medicines grant titled "Milwaukee Safe Electronics Collection." This grant will be used to conduct a one-day household electronics collection event to include the collection of televisions, computers and computer peripherals for recycling. This grant is the result of an invitation from the US EPA to participate in the Great Lakes 2008 Earth Day Challenge.

Please direct questions to Kimberly Kujoth, Environmental Policy Analyst at x5453. Thank you for your consideration.

Sincerely,

PRESTON D. COLE  
Environmental Services Superintendent
