

CITY OF MILWAUKEE

01 NOV 19 PM 1:20

RONALD D. LEONHARDT
CITY CLERK

I'm appealing your decision.
I want a hearing about this.

Dianne Milliken

To City Clerk,

5

I fell down on a sidewalk on July 3rd '01 on 20th Morgan Ave in front of the Bliffert Lumber Co., at 9:30 p.m. no lights on street. I fractured my whole knee cap and infected my thigh & whole leg section above my knee that was puffed up. I walked from there to St. Francis Hospital in this condition after I got up from the sidewalk in 10-15 min. trying to boost myself up from the sidewalk.

I would like to sue the city for the pain and suffering and for missing out of work for 2 weeks because I was on crutches.

The amount I would like to sue the city is \$1,000.

Including medical costs will submit
