

April 4, 2002

To the Honorable,
the Common Council

Subject: Federal/State Aided
Modification of Traffic Control Facilities for
North Lincoln Memorial Drive and I-794 Ramps

Dear Council Members:

The Common Council has previously authorized and directed the Commissioner of Public Works to program and construct a bus-only ramp connecting North Harbor Drive to I-794 to include traffic control signal modifications in the 4th Aldermanic District. Funding for this project was provided through a Congestion Mitigation/Air Quality (CMAQ) grant at 80% Federal/State funding.

Additional construction work associated with the project has necessitated that additional funds are necessary.

We have, therefore, prepared and recommend adoption of the attached resolution authorizing and directing the City Comptroller to transfer funds to the project/grant number for the additional construction costs.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Mariano A. Schifalacqua
Commissioner of Public Works
