This July, CNN and POLITICO are excited to partner with the Milwaukee Turners to bring the CNN POLITICO Grill - a staple at each political convention since 2004 - to iconic Turner Hall during the Republican National Convention. In particular, we are thrilled at the chance to return to Milwaukee after the Covid-19 pandemic and help shine a spotlight on the city.

The CNN POLITICO Grill will serve as a broadcast and hospitality hub at the convention, where journalists, influencers, lawmakers and political junkies all gather to witness on-air programming in the making, while enjoying lively political conversation and some of the best food in town.

To bring the CNN POLITICO Grill to life in Milwaukee, we will install temporary signage, lighting and window graphics to allow convention attendees to locate the Grill at Turner Hall, while also complementing and highlighting the beautiful exterior of this historic building.

CIVIC (www.civic-us.com) is a creative marketing and communications agency that has executive produced the Grill in support of CNN since 2004.
