RE: C.I. File No: 04-S-213

Dear City Attorney,

I am writing to request a hearing regarding my claim of damages to my car (Toyota Corolla 2004).

The scratches are caused from the removal of marks left on the windows of my car by your staff. The marks should be on your intake video and were on my car when I got it back. **The marks are still visible under sunshine.** No instruction was given concerning removal of the marks. I called your office on the same date just before the lot was closed, there was no way I could reach you on that same date.

So I request an early hearing on this matter.

Truly,
Wei-qun Zhang
