Re: May 14, 2004 Flood Damage

To Whom It May Concern:

I'm a resident of the area in which flood water, as well as sewer back-up has caused damages to my property and my personal belongings. These waters were from the flood of May 14, 2004. It was about 1 ½ inch of smelly water in my basement, with a mixture of particles and bacterial. Listed below are items that were effective by the flooding.

1 bag of clothing at fair market value of \$100.00 per bag 33-gallon bags (there were about 8-10 bags affected) \$850.00

Snow blower (FMV \$450.00)

Sofa (FMV \$250.00)

Bar with Stools (FMV \$300.00)

Recently painted basement (\$150.00)

Family business retail store items ranged from \$1.00 to \$20.00 in value (FMV \$3000.00)

Sentimental items such as, pictures, books, computer software, are difficult to place a value on:
(FMV)

Thank you in advance for you consideration in this matter.
