 27. That on July 23, 2013, Licensee submitted a nuisance abatement plan to the Captain of the Police District One of the Milwaukee Police Department stating that he would cancel high-profile musical artists. However, 618 Live has continued to book high-profile musical artist, contrary to their own nuisance abatement plan. Exhibit 15.
 28. That nuisance activity emanating from the Ladybug Club has significantly diminished the personal enjoyment and safety of nearby residents and other nearby tenant occupied buildings. Requiring residents to endure loud and boisterous behavior, endure nearby gunshots and shootings, observe urinating, vomiting and public intoxication, and litter.

29. That the above-described conduct on the licensed premises has a substantial adverse effect upon the health, safety, convenience and prosperity of the immediate neighborhood. Therefore, undersigns, respectfully request that the Class "B" Tavern License and Public Entertainment License and other licenses of Habib Manjee for the premises known as Ladybug Club/618 Live on Water, located at 622 N. This report is typed by PO CLINE, Jeffrey assigned to District One, Power-Shift. On 07/12/13, I PO CLINE and partner PO FJELD, Eric were part of the Code-Red Initiative, assigned to the location of 618 N. Water St. (Club 618)

At approximately 1:00 am, I observed multiple subjects actively fighting near the intersection of N. Water St. and E. Michigan Ave. I observed officers from Mounted Horse Patrol, Motorcycle Unit and Neighborhood Task Force attempting to disperse the crowd and break up the fight. I observed multiple subjects which included suspect later identified as WILKS, Anthony refusing orders from officers on scene to disperse. PO FJELD and myself assisted above listed officers in attempting to manage the scene. During this time I observed WILKS on the ground with NTF officers attempting to place him into custody. WILKS was eventually handcuffed and placed into our squad car. It appeared with his slurred speech and glassy eyes that WILKS was under the influence of intoxicants. I could also detect the overwhelming smell of burnt marijuana coming from the crowd that had refused to disperse. WILKS eventually calmed down and was released on scene.

At approximately 1:50 PO FJELD and myself heard the sound of one gunshot coming from the location near 630 N. Broadway. We were advised by witnesses that a subject in a white van had a gun. PO FJELD and myself observed a white van at that location and conducted a traffic stop. The driver was WILKS, Anthony and passenger CONNERS, Tramaine, m/b, 06/02/91. A loaded firearm (Ruger, 40 cal. semi-auto) was located underneath the drivers seat where WILKS was seated. WILKS was taken into custody on Endangering Safety by use of a Dangerous Weapon and OWI related charges. CONNERS was taken into custody on municipal warrants. It should be noted that while the traffic stop was being conducted, the sound of several more shots being fired could be heard to the south of our location. (250 E. Wisconsin Ave.) That incident is still under investigation.

During a Mirandized Interview, CONNERS stated that he was at Club 618 with WILKS. CONNERS stated he knew of the fight that was spilling outside of the club. He observed WILKS in the back of the squad car. CONNERS denied seeing WILKS with a gun but heard a shot being fired prior to the traffic stop and his arrest. CONNERS also stated he heard several more shots being fired in the direction near Club 618 while he was being detained. CONNERS also stated that WILKS was "wasted" drunk.

WILKS refused to give a statement.

Supplement

This supplemental report is written by P.O. Paul Geittmann, assigned to District One late shift.

On Saturday, July 13, 2013 at 1:50am, Squad 1341 (P.O.'s Bennett and Geittmann) responded to a "shots fired" call, first reported by squad 1440 (P.O.'s Fjeld and Cline). While responding to the call we observed a white Chevy van stopped at a red light, facing northbound at the intersection of N. Broadway Ave and E. Wisconsin Ave. P.O. Bennett activated his emergency lights as the vehicle turned westbound onto E. Wisconsin Ave. Two suspects from the vehicle were placed into custody.

As part of the investigation I conducted standard field sobriety tests on subject Anthony T. Wilks (b/m 07-01-87). I removed the handcuffs from Wilks and made sure he was on a flat surface before the tests were conducted.

For the first test I gave Wilks, the Horizontal Gaze Nystagmus (HGN) test. I instructed Wilks to follow the tip of my red pen with his eyes and he stated that he understood. I then administered the test. During the test I observed a lack of smooth pursuit in Wilks' eyes. I also observed distinct jerkiness in both eyes at maximum deviation.

I then administered then second test, the walk and turn test. I explained the instructions to Wilks and he stated that he understood. Wilks began the test. I observed Wilks miss heel to toe on both his third step and his fourth step. He stepped off the line one time during this test.

Finally, I conducted the one legged stand test. I explained the instructions to Wilks and he stated that he understood. Wilks lifted his left leg and began counting out loud. At the 5 second mark he had to put his left foot back down on the ground. He then lifted his left foot again and continued the test. At the 9 second mark had to put his left foot down on the ground again. He then lifted his left foot again and finished the test.

Based on my training and experience it is my belief that Wilks was intoxicated and failed all three of the tests I administered.

This report was submitted by Officer Chris BENNETT, assigned to District 1, late shift. On 7/13/13 at 1:50am, my partner Paul GEITTMANN and I responded to shots fired at the intersection of N. Broadway & E. Wisconsin Avenue.

When the radio transmission came over the air, we were approximately 1 block north, and were able to arrive very quickly. I was informed by radio that there was a white van involved and I observed the van described facing northbound on Broadway at Wisconsin. I pulled behind the van and conducted a traffic stop at 254 E. Wisconsin Avenue. At the moment the 1996 Chevy G10 van bearing Wisconsin plates 540-UHE, came to a stop, Officer Jeffrey Cline approached the vehicle, spoke with the occupants, and continued with the investigation.

This report was written by P.O. Mark A PETTKE of District #1, Dayshift.

On Saturday, July 13th, 2013 I was assigned follow up to interview 2 suspects regarding this incident at 250 E Wisconsin Av.

I first spoke to Tramaire CONNORS (B/M 06/02/1991) in Rm 421 at the P.A.B., 749 W State St.

I advised CONNORS of his Miranda Warnings and he chose to give a statement. The following is a summary of that statement. The complete interview was recorded on Media Solv and also to a CD for the DA's office.

CONNORS stated he arrived at 618 Live shortly before Midnight. At the club he met up with Anthony and his girlfriend Marlena. CONNORS knows Anthony from the same neighborhood. CONNORS stated he was in the club for about an hour when he became aware of a large fight spilling out of the club. Someone told him Anthony was involved so he went outside. When CONNORS went outside he found that Anthony was in the back of a squad car. Anthony's girlfriend Marlena and some of his family were asking the officers if they could let Anthony go so that he could give them a ride home.

CONNORS thinks that several other fights were breaking out and the police decided to let Anthony go. CONNORS and Anthony then got into Anthony's van. While in the van CONNORS related that they heard a shot fired very close. Anthony then took off and shortly after was stopped by the police. CONNORS stated he was taken out of the car and arrested for his warrants.

CONNORS stated at no time did he see Anthony with a gun or know that Anthony had a gun. He never saw Anthony fire any shots and does not know who Anthony was fighting with. CONNORS further related while the police were talking to him and Anthony several more shots were going off in teh direction near Club 618 Live.

CONNORS did relate that Anthony was "wasted" drunk.

This interview lasted approximately 14 minutes with no requests or breaks.

I then attempted to interview WILKS. At Central Booking, WILKS refused to leave his cell and stated he did not want to talk to me and wouldnt talk to anyone about anything.

Supplement

This supplemental report was written by P.O. Eric Fjeld, assigned to District One, power shift.

On Saturday, 07/13/13 I was assigned to squad 1440 with P.O. Jeffrey Cline as my squad partner. We were assigned to the Code RED tavern enforcement initiative. Part of our enforcement area was the nightclub 618 Live on Water located at 622 N Water St.

My supplement is regarding my interactions with Mr. Wilks during the OWI related investigation. The UTC issued to Wilks for OWI is R183448-6 and the related Alcohol Document Number is 489914A6.

After the booking process I requested an intoximeter operator in an attempt to obtain a sample of Wilks' breath. P.O. Jeremy Limberg responded to Central Booking to operate the Intoximeter. I read the Informing the Accused form (SP4197) to Wilks and upon asking him for a sample of his breath he refused to consent. P.O. Limberg entered the "refusal" response into the Intoximeter and Wilks was processed for OWI as a refusal. Wilks has no prior OWI convictions on his driving record.

On Saturday, July 13th, 2013 at 8:15pm I did conduct follow-up in the 600 block of N. Broadway St. I did this follow-up in an attempt to find surveillance cameras in the area of this incident. I was unable to locate any cameras in this area.

This report is typed by PO CLINE, Jeffrey assigned to District One. On 07/13/13, I PO CLINE and partner FJELD, Eric responded to the sound of a firearm being discharged near the location of 630 N. Broadway in the city and county of Milwaukee. A traffic stop was conducted of suspect vehicle at the location of 250 E. Wisconsin Ave. in the city and county of Milwaukee. The driver identified as WILKS, Anthony T., m/b, 07/01/87, failed standard field sobriety tests. A loaded firearm was observed to be partially hidden underneath the drivers side seat of the vehicle from where WILKS was seated. WILKS was taken into custody and transported to District One.

PO FJELD and myself were at the intersection of N. Broadway and E. Michigan St., as part of the Code-Red Initiative directed at Club 618, which is located at 618 N. Water St., Milwaukee. PO FJELD and myself were blocking oncoming westbound traffic on E. Michigan Ave. At approximately 1:00 am, I observed multiple subjects actively fighting near the intersection of N. Water St. and E. Michigan St. I observed officers from the MPD Mounted Horse Patrol as well as officers from the Motorcycle unit and Neighborhood Task Force attempting to disperse the crowd and break up the fight. I observed multiple subjects which included subject later identified as WILKS, Anthony refusing orders from officers on scene to disperse.

PO FJELD and myself assisted officers in attempts to control the crowd. At this time I observed WILKS lying on the street, face down with N.T.F officers attempting to place him into handcuffs. I observed WILKS actively resisting officers attempts to place him into custody by refusing to place his right hand behind his back. I assisted NTF officer PO PUGH in gaining compliance and eventually place WILKS into custody. At this time WILKS stated that he was the victim and several unknown subjects began fighting with him. He stated that he didn't do anything wrong and was being unfairly targeted. It appeared with his slurred speech and glassy eyes that WILKS was under the influence of intoxicants. I could detect the overwhelming smell of burnt marijuana coming the crowd that had refused to disperse.

WILKS was escorted to our squad car and placed in the back seat. WILKS repeatedly told PO FJELD that he was jumped and that he didn't do anything wrong. WILKS eventually calmed down and was released on scene. WILKS was last seen leaving with several unknown subjects. Minutes later, Club 618 began to release patrons who walked towards our location at the intersection of N. Broadway and E. Michigan St. As the patrons (estimated at two dozen) began walking northbound on N. Broadway I observed them all stop walking, turn around and begin sprinting back towards my location. I heard screaming, yelling and several unknown black females yell, "He got a gun!" multiple times. PO FJELD and myself immediately asked for a description of the actor at which time numerous people yelled that he was in a white van.

At that time we could not locate the subject or the van in question. Several minutes passed as the crowds and traffic from Club 618 increased at the intersection of N. Broadway and E. Michigan St. At approximately 1:50 am, PO FJELD and myself heard the sound of one gunshot coming directly north of our location near 630 N. Broadway. I overheard unknown subjects again state it came from a white van. I observed PO FJELD pointing to a white van, stating that is was traveling northbound. I observed the van traveling northbound on N. Broadway towards E. Wisconsin Ave.

While in full Milwaukee Police Dept. uniform, PO FJELD and myself pursued the white van on foot while broadcasting that a gunshot was heard and that there was a suspect vehicle. While chasing the van on foot, I observed the driver to be subject WILKS, Anthony. With our service firearms drawn, PO FJELD and myself shouted several commands for WILKS to stop his vehicle. I observed WILKS turn and look at me and then continue driving, turning westbound on E. Wisconsin Ave., refusing to pull over immediately. I observed WILKS appear to duck down from his seated position for a moment and then pull his vehicle over and come to a complete stop. The vehicle is described as a 1996 White in color, Chevrolet van, bearing WI. plate number 540-UHE. It stopped near the location of 250 E. Wisconsin Ave. Squad 1341, PO's BENNETT, Christopher and GEITMANN, Paul assisted in stopping the vehicle.

Based on the seriousness of the incident, for officer safety purposes, WILKS was ordered to step out of the vehicle at which time he was detained by officers. A second subject, later identified as MCABEE, Tramaine, m/b, 06/02/91, was observed seated in the middle passenger side seat of the vehicle. MCABEE was also ordered to step out of the vehicle at which time he was detained. It should be noted that I could detect the overwhelming smell of burnt marijuana coming from the vehicle. I checked the immediate area of where WILKS was seated and

observed a black and chrome semi-automatic handgun partially concealed underneath the drivers side seat. I also observed one unspent round of what appeared to be a larger caliber round of ammunition which was laying on the floorboard next to the drivers seat.

A wanted check revealed WILKS to have one outstanding municipal warrant with the city of Milwaukee. WILKS is currently a valid WI. CCW permit holder through 2017. A wanted check revealed MCABEE to have two outstanding municipal warrants through the city of Milwaukee.

Based on my prior interaction with WILKS regarding the fight near Club 618 and my observations of his slurred speech and glassy eyes, I believed WILKS to be under the influence of an intoxicant. Please refer to PO GEITMANN's supplemental report regarding his administration of Standard Field Sobriety testing of WILKS. Based on these results, PO GEITMANN informed me that he believed WILKS to be under the influence. He was taken into custody and transported to District One.

Squad 1924, Forensic Investigator WINTER, Alan responded at 2:06 am and took 22 photos of the scene and firearm. The firearm is described as a RUGER model SR40, 40 caliber semi-automatic handgun, chrome over black in color, bearing serial 342-20639. It was loaded with four rounds of 40 caliber jacketed rounds of Federal S&W ammunition, which included a chambered round. The fifth round on the floor was of the same caliber and make. Forensic Investigator WINTER recovered the firearm and ammunition using latex gloves, placed the items in a paper bag and turned them over to my custody where they were transported to District One for further processing.

This report is being written by P.O. Bradley assigned to District One Power Shift.

On Friday July 5th, 2013 at 12:59am, While on directed patrol of the area of 622 N. Water St. (618) Sqd 1420, P.O. Christopher Martin and I were in the alley between N Water St and N Broadway and E. Michigan and E. Clybourn St. While driving northbound in the alley P.O. Martin and I heard 4 gunshots in the area just north/east of our location. P.O. Martin got out of the vehicle and went through the parking lot east towards N. Broadway. As I drove our marked squad northbound through the alley and on to Michigan St.

I observed several subjects crossing the street and one subject being carried. As I approached the subjects P.O. Martin was coming over the radio with a confirmed shooting. I approached the two victims and observed that victim 1 later identified as Desmond D. Smith B/M, 01/26/96, who had a gun shot wound to the stomach, I assessed him and made sure he was not further injured. I Looked at P.O. Martin and his victim identified as Jubre T. Miller, M/B, 08/20/94, who I could see was having heavy blood loss from his right upper leg. I advised P.O. Martin to take over with my victim and I began to assess Miller. I advised Miller to lie down and lift his leg. Miller was still loosing a good amount of blood so I used his belt to make a tourniquet and the bleeding slowed. At this point in time MFD came onto scene and took over medical treatment. The victims were laying on the ground about 16 feet from the corner of Michigan and Broadway. P.O. Martin asked Miller why he was in an area with bars even though he was not at the legal drinking age and Miller stated that Smith and himself were walking in the area of Club 618 because they knew there were going to be "HOES" (woman) in the club and wanted to holler at them (talk to them).

P.O. Martin Spoke to Myron Q. Smith (Brother of Desmond Smith) who stated that he was inside Club 618 with friends from Miller record label. Miller record label were the ones who brought in the rap group that performed at club 618. Myron Smith was informed by club 618 that his brother was shot outside.

Interview of Amy E THOMAS, W/F, 3/21/83

I located the witness identified as Amy E THOMAS W/F, DOB: 3/21/83 as she was waiting to be interviewed on the Southwest corner of North Broadway and E. Michigan St. THOMAS agreed to be interviewed in my unmarked police squad, which was parked on the West curb line near this same intersection.

Thomas stated that she is currently living at 1641 Fox River Pkwy., Waukesha, WI 53189, cell number 414-333-3582. She related that she is currently working at Steven Thomas family dentistry located in Menomonee Falls. Phone #262-251-6980.

Thomas related that she was walking northbound on the east side of North Broadway (500 block) with her friend "Anna" and two men she had just met that night. She identified them as "Keith" and "David from Ireland.". Thomas went on to say that she and her group were approaching the southeast corner of East Michigan and North Broadway when she observed a four-door black Honda, larger in size, driving eastbound on E. Michigan st. Thomas related she was able to see inside the vehicle, the windows were down, and observed two black males seated in the front seats. Thomas said that she was unable to ID the black males. Thomas related that the vehicle was driving slow as it approached the intersection, which had a green light for eastbound traffic. She related this was what attracted her attention.

Thomas related that at about the same time she observed a group of black males walking eastbound in the 600 block of North Broadway. She related that they were on the West side sidewalk approaching the northwest corner. Thomas estimated that there were possibly six black males walking together.

Thomas said that as her of her friends approached the southeast corner. She began to hear fireworks or 3 to 4 quick "pops". Thomas related that she believed that they were fireworks until she observed the group of black males begin to run back northbound. She related that she also observed one black male immediately fall to the ground.

Thomas related that she then believed that the "pops" that she had heard were probably gunshots and that the person that fell to the ground had been shot. She said that her and her friend, "Anna" ran over to the person that was laying on the ground. Thomas described that the person who was shot was lying on the northwest corner sidewalk, almost at the curb. Thomas related that as her and the "Anna" began to render first aid. She observed that the person was shot in the stomach below the belly button. Thompson said that all she could recall the person saying was, "I've been shot, I've been shot, is it my legs?"

Thompson recalled that as she and "Anna" were speaking with the shot subject, two of his friends had returned. She related that these two friends then began dragging him southbound across E. Michigan St. She related that they were still on the west side of the street, in the crosswalk area. Thompson recalled that as they were a little south of the intersection, now on the south side of the E. Michigan St. (500 block North Broadway) a car stopped with what sounded like a black female yelling out the window. "Lay him down, lay him down.". Thompson believed that this car was initially westbound on East Michigan and made a U-turn coming back eastbound and then stopped. She said that the victims, to friends then did lay him down as a Milwaukee police marked squad pulled up and began to assist with first aid. She believed that the vehicle with the female was still by the Southwest corner as the squad arrived.

Thompson was unsure of what happened with the two friends that were trying to assist the shot victim. As Thompson was describing the initial shot victim, she described him as a younger black male, with short curly hair and extremely baggy pants. She was unable to describe with the friends looked like.

Thompson was unable to provide any further information and was released from the scene.

SCENE INVESTIGATION

I observed four fired casings on W. Michigan St., west of North Broadway. I observed a legally parked Volkswagen, parked on the East side of North Broadway in the 600 block with a bullet hole to the driver side window and a partial bullethole to the front windshield. I observed a damaged bullet laying on the passenger side front seat of the Volkswagen. Traveling north from this Volkswagen on the East side sidewalk. I observed jacketing from a fired bullet laying in front of 612 N. Broadway. I also observed a damaged bullet on the West side sidewalk, just north of E. Michigan St. traveling north from the damaged bullet was a broken "Kyocera", "Sprint" cell phone and north of this cell phone. I found a black and white plastic cell phone protector. While observing the scene. I was also made aware of a blood trail. Traveling from the North to the South on the West sidewalk in the 600 block of North Broadway. In observing this blood trail, the blood spatter droplets showed a southerly direction of travel. I later learned that one of the victims had been struck by gunfire ran North and returned cell phone after realizing he had been struck. This victim would have been MILLER returning to assist his friend SMITH.

Squad 1929, forensic investigator Teresa Cruise, had responded to the scene to assist in the investigation. F I cruise used yellow with black numbered evidence markers to mark all the evidence. After the evidence was marked F I cruise was able to photograph the scene.

Items one through four were the fired casings found on W. Michigan St. These casings were all found to be .9 mm Luger, "FC" fired casings. The measurements for these cases are as follows:

- item 1) 12'6" south of the N. Michigan St. curb line and 9'2" W. of the eastern edge of the crosswalk.
- Item 2) 18'1" south of the N. Michigan St. curb line and 24'5" west of the eastern edge of the crosswalk.
- Item 3) 20'6" south of the N. Michigan St. curb line and 26'6" west of the eastern edge of crosswalk.
- Item 4) 19'4" south of the N. Michigan St. curb line and 61'2" west of the eastern edge of the crosswalk.

Item 5 was the damaged bullet located inside the Volkswagen Tiquan, Wisconsin registration 562NVY, VIN#WVGBV75N49W524717, 2009 four-door black in color sport utility vehicle. It appeared the trajectory of the bullet, which struck the driver side window traveled on an upward angle and struck the front interior windshield. The bullet then came to rest on the passenger side front seat approximately 6 inches from the front edge of the seat and 8 inches from the passenger side edge. The bullet was laying on the first section of stitching of the passenger side seat. The vehicle is found unlocked. Therefore I was able to recover the fired bullet. This vehicle is registered to Ilkka T. PAJARI. Dob:01-09-81 of 5859 Fleming Court, Greenville, WI., 53129. This vehicle was legally parked in the parking stall city number 2579. The measurement from the E. Michigan St. curb line to the rear axle was 33'11". Later on in the investigation, I spoke with PAJARI by phone. PAJARI was informed of the investigation and that his vehicle had been processed.

At approximately 9:35 AM, his wife, identified as Heidi HERTTUAINEN F/W DOB: 01/27/84, same address, home phone #262-649-8555 had responded to district 1 saying that she had recovered a part of a bullet from under the driver side floor mat. She then handed me the bullet jacketing, which was placed on inventory 13020615, item number 10.

Item number six is copper colored bullet jacketing found on the eastern sidewalk in front of 612 N. Broadway. This jacketing was found 12'3" E. of the eastern curb line and 114'4" north of the E. Michigan St. curb line. The following three items were all found on the Western sidewalk, 600 block of North Broadway. Item #7, the damaged/mushroomed bullet was found 4'1" west of the North Broadway curb line and 25'11" north of the E. Michigan St. curb line. —Desk in middle of office, stretching from against west wall towards the east, with desk chair on south side of desk so person would be facing north if sitting at desk.

I, P.O. GRABER, observed the bullet fragment laying on the desk, to which MINUTOLO related he placed the fragment on the desk after finding it on the floor on the north side of the desk. I observed that the window with the bullet hole was the south window on the west wall, with the bullet hole located towards the top of the window. I also observed what appeared to be a mark/indentation on the east wall high above the office door, which appears to be where the bullet hit after going through the window and before falling to the floor.

I, P.O. GRABER, called District 1 Lt. Shunta BOSTON-SMITH, who contacted CIB and instructed me to file the report using the same incident number on file for the shooting complaint earlier the same morning and location.

Sq. 1724 (ID Tech Douglas BRAHM) arrived on scene and took 19 photos at 9:05 a.m. The bullet fragment was inventoried as evidence (13020616).

This report is dictated by Detective Luke O'DAY assigned to the Metropolitan Division, Homicide Unit (Late Shift).
On Friday, July 5, 2013, at about 1:29 AM, Squad 9559, I, Det. Luke ODAY, was directed by Police Lieutenant Jeffrey NORMAN to respond to the shooting scene at 601 N. Broadway.

After conducting witness interviews, I was directed to respond to Children's Hospital in an attempt to interview the victim #2 - Desmond D SMTH (B/M, 1-26-96). I was informed by the medical staff that SMTH was currently undergoing surgery in OR #4 and was unable to be interviewed at this time.

I was notified that SMTH's mother was in the family lounge awaiting the results of the surgery. I traveled to her location and conducted the following interview:

Interview of Williebelle SMTH

I met with Williebell NMI SMTH (B/F, 4-26-55) of 2609 N. 44th St., Milwaukee, 53210, cell phone #419-2107 (only working cell phone number in the family), currently unemployed. This interview was conducted in the Family Lounge at Children's Hospital.

Williebell stated she had nine children and identified Desmond as her youngest. She further stated his middle

name was Damontay and went by the nickname "Manty."

Williebell identified two other sons as Tamaris SMTH (B/M, 6-27-88) and Myron SMTH (B/M, 2-19-87).

Williebell stated she last saw and heard from her son around 4:30 - 5:00 PM. She stated her son had a friend over and they ate dinner with her. She knew the friend only by the nickname of "Moo-Moo." She described him as a **black male, 19 yoa, 5'6", 130 pounds, short black hair, and like complexion.** She stated after dinner (about 5:00 PM) they left together in Moo-Moo's vehicle, an "old green car." He told her before he left that he would see her at the fireworks at Washington Park. Williebell stated that was the last time she saw or heard from her son.

Williebell stated at about 1:30 AM, Tamaris pounded on her outside door waking her up. He stated, "Manty been shot!" Tamaris and his girlfriend, Shany GIVENS, drove her to St. Joseph's Hospital; they were re-directed to Children's Hospital. Williebell stated they drove in GIVENS' vehicle, a black Pontiac LeSabre or Park Avenue. Tamaris and GIVENS left when they learned he was in surgery.

Williebell stated Myron arrived at the hospital at about 3:30 AM. Myron told her he was playing at the 618 club when he was told that his brother had been shot a block away. He went outside to check but learned he had already been transported from the scene. He drove to Children's Hospital as soon as he could. (See supplement report filed by PO MARTIN.)

Williebell stated Desmond was enrolled in the 11th grade at Pulaski High School and had never been arrested. She stated she did not have any idea of anyone who would want to hurt him.

Witness interviews place a black, possible Chrysler 300 with tinted windows, driving toward people carrying Desmond after he was shot, yelling, "Lay him down! Lay him down!" According to victim #1, Jubere T. MILLER B/M 8-20-94, Koran Harris and Hayden Harris were walking slightly behind Desmond and Jubere at the time of the shooting. I asked Williebell and Myron if they knew anyone who drove a black Chrysler 300 with tinted windows. Myron stated Koran Harris' mother drove a black Magnum with tinted windows which was similar in body type.

Williebell did not have any further information and this concluded the interview.

On Friday, July 5, 2013, at about 1:29 AM, Squad 9559, I, Det. Luke ODAY, was directed by Police Lieutenant Jeffrey NORMAN to respond to the shooting scene at 601 N. Broadway.

After conducting witness interviews, I was directed to respond to Froedtert Hospital in an attempt to interview the victim #2 - Desmond D SMTH (B/M, 1-26-96).

Upon arrival, I met with Squad 1420, PO Christopher MARTIN, partnered with PO Adam BRADLEY (still on scene), who related SMTH was transported to Children's Hospital in MFD Med Unit #6. I was informed by the medical staff that SMTH was currently undergoing surgery in OR #4 and was unable to be interviewed at this time.

PO Martin handed me a brown paper bag containing SMITH's clothing items recovered by the medical staff at Children's Hospital. I hand carried the bag to the Police Administration Building, Fourth Floor Dry Room, where I inventoried the following items:

- 1 - white, sleeveless Power Club T-shirt, size M, with a bullet strike to the front; cut by MFD.

I met with C. Anna NMI HEFFNER (W/F, 11-10-67) of 1009 N. Jackson St. apartment #1702, Milwaukee, 53202, cell phone #262-352-6399, employed with Star Refining, working out of her apartment, work #1 800-333-9990. HEFFNER stated she had been living at this address for two years. This interview was conducted in my unmarked squad parked on the southeast corner of the intersection of N. Broadway and E. Michigan St.

HEFFNER stated two friends came over at about 6:30 PM.; Amy STEVENSON and "Keith." They stayed for approximately 2 hours at her apartment and then they left at about 8:30 PM. The first traveled to Taylor's where HEFFNER had one drink. They then traveled to the Hotel Metro where she had a second drink. About an hour later, they traveled to Spin.

HEFFNER stated they lastly traveled to the Wicked Hop restaurant which was located at 345 N. Broadway. HEFFNER stated she had about four "tall and weak" drinks over several hours. While at Wicked Hop, they met "David" from Ireland. The four of them left together a little bit before 1:00 AM.

HEFFNER stated they walked northbound on the east side of the street. At the southeast corner of N. Broadway and E. Michigan St., they stopped while waiting for the light to change. HEFFNER stated she was facing northwest across the intersection when she heard the sound of four gunshots. At that time, she remembered observing a vehicle (unable to describe) at a 45° angle as if traveling southbound on N. Broadway turning to travel west on E. Michigan St. or traveling eastbound on E. Michigan St. to turn northbound on N. Broadway.

HEFFNER stated she immediately ducked down with everyone else at the sound of the gunshots. She did not observe any muzzle flashes from the car in the intersection, however, she stated they had to have come from that vehicle because there were no other vehicles around.

HEFFNER stated when she looked up again, she observed two bodies on the sidewalk on the northwest corner of the intersection. She described them only as two black males who appeared young.

HEFFNER stated she immediately ran over. As she reached one of the victims, she observed a black male run south on N. Broadway who she described as a young black male. That subject immediately picked up the victim (later identified as SMITH) and stated "Man." HEFFNER was also holding onto SMITH and his head fell against her chest as the young black male pick him up.

HEFFNER stated STEVENSON ran over, as did another unknown black male. She said it felt like a "group of them" began carrying SMITH southbound to the southwest corner of the intersection. I asked why they moved the victim and she replied, "Everyone was thinking get the fuck out of here." (Meaning get the victim to safety in case the shooters return.)

HEFFNER stated while carrying SMITH, she observed a black, clean, newer model, Chrysler 300 traveling eastbound on the E. Michigan St. toward them. A black female was in the driver seat who was yelling, "Put him down! Put him down!" The vehicle passed by them and did a U-turn in the intersection before traveling westbound. The vehicle made another U-turn traveling back toward them. Again, the black female yelled out the window, "Put him down! Lay him down!" It appeared to HEFFNER that the driver appeared frantic and scared and HEFFNER believed she must have been some sort of an associate or family member to the victim. She further stated the windows were all tinted and felt that someone was in the front passenger seat, although she was unable to describe that person.

HEFFNER described the female as a black female, late 20s-early 30s, medium complexion, and curly shoulder length hair with golden highlights on the ends.

HEFFNER stated once they reached the southwest corner, they laid SMITH on the ground. She then realized the police had arrived. She looked up and observed that the above described vehicle and driver were no longer on scene. She further stated the two black males who helped carry the victim across the street remained on scene initially but left without speaking to the police. HEFFNER noted that it appeared the two black males were related to the victim in some sort of way.

HEFFNER stated she was asked to remain on scene to speak with Detectives.

HEFFNER did not have any further information regarding this incident and this concluded the interview.

Narrative

This supplementary report is submitted by P.O. BOGUST assigned to district One, Power Shift, squad 1460 with my partner P.O. YOUNG. On 07/05/13, at 1:00 AM I responded to back up squad 1420 for a shooting located at the intersection of East Michigan Ave and North Broadway. Upon arrived I was directed to start separating and talking to potential witnesses to the incident. My partner P.O. Young begin taping off the crime scene while I interviewed witnesses.

I interviewed SEDRICK, Peoples d (b/m 01-31-73) who is employed as a bouncer for club 618 Live. SEDRICK stated he was standing out in front of the club located at 622 N Water St with other members of the security staff. At around 12:58 AM SEDRICK heard six distinct gun shots coming from the vicinity just southeast from where he was standing. SEDRICK paused briefly before turning in the direction of the shots. As he was looking toward the intersection of N Water St and E Michigan Ave he observed a black, four-door auto that he believed to be either a Honda or Nissan with Il plates turn northbound on N Water St at a high rate of speed squealing their tires. The windows were tinted so he was unable to get and description of the occupants in the auto. Right after the first car a second one did the same actions and SEDRICK believed that they were together fleeing the scene. SEDRICK was unable to give any details regarding the second auto. At about the same time, an unknown black female later identified as HENRY Jasmine B (b/f 04-26-91) was running toward him yelling, "you have to let me in, a guy was just shot".

SEDRICK ran to the shooting scene to try to assist. SEDRICK saw two black males lying on the sidewalk at which time my squad arrived and he gave me his statement. I asked SEDRICK where the female went, and I was told she was in the club somewhere. SEDRICK stated he could go into the club and bring her to us, which he did later in the night. P.O. GEITTMANN and SEDRICK brought HENRY back to the scene and CIB Detectives interviewed her.

A canvas of the scene relieved video footage from 618 Live of the suspected auto's fleeing the scene traveling northbound on N Water St. P.O. Young and I recovered the footage from MANJEE Habib (w/m 07-16-64) who is the owner and licensee of the club. After the video was burned onto CD it turned it over to the CIB detective handling the incident on scene.

On Friday July 4th, 2013 at 12:59am, While on directed patrol of the area of 622 N. Water St. (618) Sqd 1420, P.O. Martin and I were in the alley between N Water St and N Broadway and E. Michigan and E. Clybourn St. While driving northbound in the alley P.O. Martin and I heard 4 gunshots in the area just north/east of our location. P.O. Martin got out of the vehicle and went through the parking lot east towards N. Broadway. As I drove our marked squad northbound through the alley and on to Michigan St.

I observed several subjects crossing the street and one subject being carried. As I approached the subjects P.O. Martin was coming over the radio with a confirmed shooting. I approached the two victims and observed that victim 1 later identified as Desmond D. Smith B/M, 01/26/96, who had a gun shot wound to the stomach, I assessed him and made sure he was not further injured. I Looked at P.O. Martin and his victim identified as Jubre T. Miller, M/B, 08/20/94, who I could see was having heavy blood loss from his right upper leg. I advised P.O. Martin to take over with my victim and I began to assess Miller. I advised miller to lie down and lift his leg. Miller was still loosing a good amount of blood so I used his belt to make a tourniquet and the bleeding slowed. At this point in time MFD came onto scene and took over medical treatment. The victims were laying on the ground about 16 feet from the corner of Michigan and Broadway.

P.O. Martin went to the hospital with a victim and I stayed on scene and helped the detectives.

Narrative

This report is written by PO Christopher MARTIN, assigned to District 1, Power shift.

On Friday, July 5, 2013 at 12:59A, Sq. 1420 (PO Adam BRADLEY and I) were on patrol in the 500BLK of N. Broadway monitor the area around 622 N. Water S. (Club 618). While traveling northbound in the alley behind the address of 518 N. Water St, I heard 4 gunshots, which sounded like they came from the northeast direction of our location, the gunshots sounded very close to our location. Directly after the gunshots, I observed two citizens run towards the Hilton Garden Inn, which is on the northwest corner of E. Michigan St. and N. Broadway. I advised PO BRADLEY to radio in the shots fired to the dispatcher. I exited our marked squad car and ran in a northeast direction until I reached N. Broadway. Once I reached N. Broadway, I observed 2 Black males carrying another Black Male under the armpits. They were walking sound bound on N. Broadway and just crossed E. Michigan St. I drew my duty weapon and ordered everyone to show me their hands. Every showed me their hands and advised me that their friend was shot. I observed a Black male later identified as Desmond D SMITH (B/M, 01-26-96) with a single gunshot wound to abdomen. While getting ready to attend to SMITH, I was advised by another B/M later identified as Jubre T MILLER (B/M, 08-20-94) that he was also shot. Sq. 9559 (Det. Luke O'Day) responded to Children's Hospital. Det. O'DAY directed me to interview Smith's brother who was also downtown.

I interviewed Myron Q. SMITH (B/M, 02-17-87). M. SMITH stated that he was inside "Club 618" with his friends from Miller Records who brought a group of rappers from Detroit, MI called "Dough boys, Cash Out". M. SMITH stated that while they were performing his friends from Miller records had the concert stop and announced his name and stated that his brother was shot. M. SMITH stated he went outside and didn't observe anything so he came straight to the Hospital. M. SMITH stated that he didn't call his mother because she doesn't have a cell phone. M. SMITH stated that his friend drove him to the hospital in a Red, Ford Escape. M. SMITH stated that his brother was with his friends Hayden Harris and Koran Harris also with his other friend "Dre" (MILLER). M. SMITH also stated that his other brother was also downtown by the shooting but was told by the police to leave because he was on probation. M. SMITH identified his other brother as Tamaris SMITH (B/M, 06-27-88, PH# 414-233-3139).

On Friday, July 5, 2013 at 7:30P, I contacted Communications division regarding the Pole Camera located on the Southwest corner of N. Water St and E. Wisconsin St. I had PA Zach GINSTER make me a copy of the video from the time of 12:50A to 1:10A on July 5, 2013.

I watched the video and at 12:58:06, I observed what appeared to be a Nissan Altima, 4DR, Black in color along with what appeared to be a Kia Optima, 4dr, Burgundy in color with dark tint window drive northbound on N. Water St from E. Wisconsin Av. It appears that these two cars disregard the red traffic light as other pedestrians are stopped waiting for traffic. The video also shows another Silver; 4dr, with a sunroof possibly a Toyota violate the red traffic light, but turn westbound onto E. Wisconsin Av from N. Water St

I placed a copy of the video on INV# 13020697

PA-33E Narrative

This report is submitted by P.O. Paul BJORKQUIST, assigned to District One, Squad 1243, 3:00PM-11:00PM.

On Sunday, June 2, 2013, at 2:13AM, while on duty, assigned to the downtown Code Red Deployment, I responded to a confirmed shooting at the address of 225 E Michigan Street, in the rear parking lot. Upon my arrival I spoke with the victim, Cortez CANFIELD, B/M, 11-28-88, who stated he had been shot by an unknown B/M during a fight in this lot, after he had exited the club "618 Live on Water." I observed a small gunshot wound to his lower, right side waist area.

On Sunday, June 2, 2013, at approx 3:00PM, I responded to 611 N Broadway, the Hilton Gardens Hotel, and obtained video of the above shooting which revealed (4) unknown B/Ms exit a SUV at approximately 1:02AM and walk west to the alley between N Water Street and N Broadway.

On Tuesday, June 4, 2013, at 11:19PM, I responded to 622 N Water St, which is the location of the club "618 Live on Water" and met with Habib MANJEE, I/M, 7-16-64, and obtained video surveillance footage which shows the same (4) B/M suspects who were observed on the video obtained from the Hilton Gardens Hotel, enter the club at 1:07AM. These same (4) B/M suspects return to the SUV at approximately 1:55AM after exiting the club. These suspects are observed on video surveillance footage fighting with the victim and witnesses immediately prior to the shooting.

MANJEE assisted in identifying the (4) B/M suspects/patrons of "618 Live on Water" through the archives of the photo I.D. system which he utilizes. (2) of the (4) B/M suspects were not required to scan their photo I.D. cards at the door on the night of the shooting because they frequent the club often. With MANJEE'S assistance all of the (4) B/Ms have been identified.

This case remains under investigation.

This supplement report is being submitted by, Detective Edmund FITTING of the Criminal Investigation Bureau, late power shift, assigned to Squad 9393.

On Sunday, June 2nd, 2013, at approximately 2:55am, Lieutenant Sean HANLEY requested I respond to the area of East Michigan Street and North Broadway Street regarding a Shooting investigation. This offense was found to have occurred at approximately 2:10am in a south parking lot area with a location of 225 E. Michigan Street.

Upon arrival at the scene, I met with Squad 9202 (Lieutenant Paul LOUGH) and Squad 1243 (Police Officer Paul BORQUIST), where I was briefed regarding the incident and possible witnesses needing to be interviewed. Squad 9287 (Police Officer Brian STOTT) also arrived on scene to assist in interviewing witnesses. It was related that the Victim and Victim's friends had gotten into a physical altercation / fight with the Suspect and at least two Suspect's friends, and as a result, the Victim was shot. Suspect and Suspect's friends fled in a dark colored two toned SUV style vehicle; possibly a Chevy Blazer or Ford Explorer.

Police Officer BORQUIST related Squads were dispatched at approximately 2:13am regarding the Shooting. Upon arrival, secured the scene and found the Shooting Victim in the parking lot who had sustained a gunshot wound to the right mid section. The Victim was identified as, Cortez D. CANFIELD (B/M, 11-28-88), who resides at 3409 N. 46th Street, with a cell phone contact number of 502-6674. CANFIELD was subsequently conveyed by ambulance to Froedtert Memorial Hospital for medical treatment. Squad 9392 (Detective Marlon DAVIS) was dispatched to the hospital to interview and check on the condition of the victim, and will file a supplement report regarding:

It should be noted, two of the Victim's friends / witnesses, who were involved in the fight with the Suspect group, were to intoxicated at the scene to be interviewed at this time. Both had out standing warrants and were subsequently taken into custody based on those warrants, and conveyed to the Prisoner Processing Section (PPS) to be interviewed at a later time, once they sobered up, regarding any information, details, or observations that may lead to the identity of the Suspect(s) or how the physical fight may of started. Witnesses to be interviewed are identified as Emmanuel P. HARRIS III (B/M, 08-25-89) and Mack J. FIELDS (B/M, 03-26-90).

Hotel with the address of 225 E. Michigan Street. Besides the building of the Grain Exchange Hotel to the north, the parking lot is bordered by N. Broadway Street to the east, E. Clybourn Street to the south, and a south-north alleyway to the west. There are two entrances to the parking lot off of N. Broadway Street, and access can also be gained from the alleyway on the west side and south west corner of the parking lot. The physical altercation / fight and eventual shooting occurred on the north portion of the parking lot near to the building (Grain Exchange Hotel) and near to the first northern most entrance to the parking lot from N. Broadway Street.

It was related through witness interviews that the Suspect vehicle had been parked in the second row to the east from the alleyway, and at about the third or fourth parking spot to the south from the building of the Grain Exchange Hotel. Witnesses could not relate in which direction the Suspect Vehicle had fled the scene.

It should be noted, the only surveillance video camera observed in the area that would of captured this incident is located attached towards the south side rooftop of the Grain Exchange Hotel and points downward to the south over-looking the entire parking lot area where the incident occurred. It was not available at this time to view any possible video capturing the incident. The camera is maintained and controlled by Hilton Garden Inn located at 611 N. Broadway Street (listed phone number of 271-6611), no one was readily available to view any video surveillance, and follow-up will be to view, and recover video during regular business hours. I contacted Hilton Garden Inn who related the contact person in order to view the video is the **Manager Penny LENZ** who will be available between the hours of 3:00pm to 11:00pm to recover the video.

On the ground approximately 33 feet directly to the west as you enter the northern most entrance to the parking lot from N. Broadway Street was located the Victim's white short sleeve "Polo Ralph Lauren" Tee shirt and white tank top. Both items of clothing had been cut off by medical personnel at the scene, and both items of clothing besides being partially blood stained had noticeable powder burns from the discharged firearm, and it appeared from the amount of charring that the firearm had been discharged only a few inches from the Victim.

Approximately 10 feet to the north west of the Victim's clothing was a gray 4-door 2013 Nissan Altima with two Wisconsin license plates of 465-RLK (vin: 1N4AL3AP5DC208796), and was identified as a rental vehicle registered to Enterprise Rent-a-Car. From the rental agreement in the vehicle and from witness statements, the vehicle had been operated and rented by the Victim's brother **Mack J. FIELDS**. This vehicle was not in a parking slot, but currently parked in the lot facing southbound within the first row towards the northeastern part of the lot. The front passenger side of the windshield was cracked. Observed in the rear driver side passenger door was a bullet hole that penetrated through the door breaking the door's window, continuing to travel through the rear driver side seat, and the bullet eventually coming to rest inside the trunk compartment. The bullet had traveled in a northwesterly direction. Inside the trunk compartment was located a copper jacketed projectile / bullet, which appeared to be similar in size as having been fired from a 40 caliber firearm.

On the ground approximately 60 feet to the northwest of the vehicle was located more clothing, which was identified as having been worn by one of the Victim's friends, involved in the fight, identified as **Emmanuel P. HARRIS III**. The clothing was laying on the ground approximately 3 feet south and 3 feet east from the rear entrance / exit door of the building. The clothing is described as a red / tan "Lords of Liverpool" long sleeve Tee shirt and a white "Hanes" short sleeve undershirt.

Squad 1921 (Forensic Investigator **James PETERSON**) was on scene and took photos depicting the overall scene, the above-mentioned evidence, and damage to the above-mentioned vehicle. After photos, the above items were recovered and subsequently placed as evidence on **MPD Inventory #13016687**, as item 1 (Victim's clothing), item 2 (bullet / projectile), and item 3 (HARRIS' clothing). **Forensic Investigator PETERSON** will be filing a report regarding. Officers subsequently had the Nissan Altima towed for safe keeping, since it belonged to Enterprise Rent-a-Car, and all processing / photos and evidence (bullet) was collected from the vehicle and it was no longer needed.

Witness interview: **Dustin A. RODRIGUEZ (H/M, 06-21-87)**

While at the scene, I had the opportunity to interview a witness / security guard who was on duty at the time within the parking lot when the incident and fight between the two groups. Wisconsin, 53402, with a cell phone contact number of (262) 995-8868. RODRIGUEZ related he has been employed for the past year as an Armed Security guard for United Security Services, located at 9401 W. Beloit Road, Milwaukee, Wisconsin, 53227, with a work contact number of 333-0096.

RODRIGUEZ was in full security uniform, scheduled work hours of 9:00pm to 4:00am, assigned as a security guard for the parking lot area where this offense occurred, and was present when the incident / fight began. Although, RODRIGUEZ related, he did not actually observe the Shooting or observe anyone with a gun.

RODRIGUEZ related he was seated inside his security vehicle and parked in the north east corner of the lot against the fence line off of N. Broadway Street. RODRIGUEZ indicated, an argument began between two groups of subjects, and that a physical fight broke out in the parking lot between two of the individuals. RODRIGUEZ indicated that the clothing on the ground near to the rear entrance door of the hotel had been worn by one of the individuals he had observed fighting. This clothing RODRIGUEZ mentioned had been identified as belonging to Emmanuel HARRIS. The subject HARRIS had been fighting with, RODRIGUEZ described as a black male, mid to late 20's, ~6'00, ~240-250 Lbs., heavy set, with a short fade hair style, and was wearing a dark colored Tee shirt. RODRIGUEZ related that this subject had been with at least two other black males, and that they had come from a dark colored two tone SUV style vehicle, possibly a Chevy BLAZER or Ford Explorer, that was parked on the other side the the lot from where he was.

RODRIGUEZ related he exited his security vehicle and yelled to the subjects to quit fighting, and was about to walk over to break up the fight when a subject who was with the above describe heavy set black male involved in the fight mentioned that his friend has a gun. RODRIGUEZ described the subject who had mentioned the gun, as a black male, late 20's, ~6'01, ~160-170 Lbs., short fade hair style, wearing a white short sleeve Tee shirt, black Jean pants, and black shoes. RODRIGUEZ related he did not observe anyone with a gun or knew who this person was referring to as having a gun.

RODRIGUEZ related he did not want to be trapped in the corner of the parking lot caught in a gun battle if someone had a gun, so he moved his security vehicle and parked away from the subjects at the southern end of the parking lot in order to call for back up. RODRIGUEZ related he gave a phone call for back-up, regarding the fight, to two other security guards who were suppose to be watching the parking lot area on the opposite side of the street on the east side of N. Broadway Street, but found out that they had already left the area and were done with there shift at 2:00am. RODRIGUEZ related he than drove out of the parking lot onto E. Clybourn Street to drive around the block and call Police for assistance. RODRIGUEZ related as he pulled out of the lot he believed he heard approximately two gunshots, but before he could call Police he heard sirens and realized Police were already on their way. RODRIGUEZ related when he drove around the block Police were already on the scene, and he observed the Victim who had been shot laying on the ground in the parking lot. RODRIGUEZ related he could not recall observing the victim as being involved in any of the physical fighting, or what the victim had been doing that lead up to being shot.

RODRIGUEZ related that there was now a gray 4-door Nissan Altima parked in the middle of the lot he had not seen earlier. RODRIGUEZ related that the Suspects and the Suspect vehicle were no longer parked in the lot, and he had not observed in which direction the Suspects and vehicle had fled. RODRIGUEZ related he could not give any description of the Shooter since he had never seen anyone with a gun, and only heard the shots.

RODRIGUEZ related he had observed about a total of six black male subjects in the parking lot, about 3 from each group, but had only observed two of the subjects physically fighting. RODRIGUEZ related it appeared the others were just watching, but his observations were only up to the point before driving to the opposite side of the lot to call for back up, and did not see anything after that.

RODRIGUEZ related he contacted Officers at the scene to inform them of what occurred and remained on scene to be interviewed. RODRIGUEZ could not recall any further details at this time, and had never seen any of the subjects before this night.

Witness interview: Dwayne W. LESLIE (B/M, 09-17-89)

While at the scene, I had the opportunity to interview a witness, identified as, Dwayne W. LESLIE (B/M, 09-17-89), who related he resides at 5368-A N. Lovers Lane Road, apartment #249, with a cell phone contact

number of 750-2748. LESLIE related he is currently unemployed.

LESLIE related he drove with his cousins Deshawn and Daren to 618 club to meet some friends Cortez, Mack, and Emmanuel. LESLIE related they got to the club sometime between 11:00pm and 12:00am, and Cortez, Mack, and Emmanuel were already there. LESLIE related Cortez and Mack are brothers, and that the 4-door gray Nissan Altima that was parked in the lot, he recalls Cortez mentioning it was a rental that Mack was driving.

LESLIE related that they (him, Deshawn, and Daren) had parked their vehicle in front of the club, and was unaware of where Cortez, Mack, and Emmanuel had parked until later when he saw the fight occurring. LESLIE related that none of them that he noticed had any problems with anybody while at the club. LESLIE related they all stayed at the club until closing time at approximately 2:00am. LESLIE related they all left out of the club and him, Deshawn, and Daren walked to their vehicle parked near by in front of the club. LESLIE related they were intending on going home after they left. LESLIE related he did not know where Cortez, Mack, and Emmanuel had walked off to or where they had parked.

LESLIE related as they drove down N. Broadway Street passing the parking lot he saw the fight occurring in the lot and realized it was Emmanuel was fighting some other subject he had never seen before. LESLIE related he also saw Cortez and Mack, along with two other subjects he did not know, and they also appeared to be fighting. LESLIE related he told Deshawn to stop the car because of the fight. LESLIE related they parked in the parking lot across the street on the east side of N. Broadway Street, and they all got out and ran to help their friends.

LESLIE related that before he could help and get to where Emmanuel was fighting he all of a sudden heard 2-3 gunshots. LESLIE related the gunshot sounded very close, and scared him to where he immediately turned around with Deshawn to run back to their vehicle. LESLIE related he had not seen anyone with a firearm and did not know who fired a gun. LESLIE related him and Deshawn jumped over the fence and were crossing N. Broadway Street when he heard someone yell, "Where's Cortez?" LESLIE related him and Deshawn ran back to the parking lot to see if Cortez, Mack, and Emmanuel were alright.

LESLIE related he recalled seeing the subjects, his friends had been fighting with, run towards a SUV style vehicle parked on the west side of the parking lot near to the alleyway, but could not give much of a color description of the suspect vehicle except that it was dark colored. LESLIE related could not give much of any kind of description of the suspects his friends were fighting with, relating, that everything happened pretty quick and he'd had several drinks while at the club. LESLIE related he did not recognize any of the suspects or the vehicle, and could not recall whether or not he had seen any of the suspects while at the 618 club. LESLIE related he did not know what started the fight, and did not see where in which direction the suspects drove off.

LESLIE related when he got back to the parking lot he saw his friend Cortez holding his stomach walking around saying that he had been shot. LESLIE related that before he could even think about calling Police, he immediately heard sirens and Police arrived very quick on the scene. LESLIE related for Police to have arrived so quick someone must of called Police regarding the fight. LESLIE related eventually Cortez laid down onto the ground from being shot, and Cortez was subsequently conveyed away from the scene by ambulance.

LESLIE related he did not see anyone with a gun, did not know who had shot his friend Cortez, and never got a good enough look at any of the suspects to be able to identify any of them if he saw them again. LESLIE could not recall any further details at this time.

This report is being submitted by Detective Octavio Delgado of the Milwaukee Police Department South Investigation Division.

On Sunday, 6/2/2013, at 1:45pm, at the PAB, Det. Delgado interviewed Mack Junior Fields, M/B, DOB: 3/26/1990 regarding this incident.

Mr. Fields stated the following: On 6/1/2013, between 11:30 pm and 12:00 am, he, his brother Cortez Canfield, and their friend Emanuel Harris went to Club 618. While inside the club, he met his friend DD, aka Darin Peet, M/B, 23 years old. They had no issues with anyone inside the club. On 6/2/2013, at approximately 2:00 am, the employees at the club were having everyone leave the club. He left the club at 2:10am by himself. He had lost track of his brother and friends, due to everyone being pushed out the club. He decided to walk to his rental car-2013 Nissan Altima, 4-door, grey in color, which was parked across the street from club 618 in a parking lot. He did enter his auto and did start the auto. He was waiting for his brother and friend Emanuel at this time. At this time, he observed two separate large groups of people in front of him in the parking lot. He assumed it was two different fights, because he could see people in the middle of the crowd on the ground. He then exited his auto to look for his brother and friend Emanuel. At this time, he heard approximately ten gun shots. He then ran to the rear of his auto and observed the driver rear door window shot out and a crack to his front windshield. He then observed his friend DD carrying his brother Canfield towards him. DD told him Canfield had been shot. He could see blood coming from the right side of his hip. A minute later, the police arrived

He did not see anyone with a gun and did not see his brother Canfield or friend Cortez in a fight. Mr. Fields stated he had been drinking alcohol during this evening.

On 6/2/2013, at 3:20 pm, at the PAB, Det. Delgado interviewed Emanuel P. Harris, M/B, DOB: 8/25/1989, regarding this incident.

Mr. Harris related the following: On 6/1/2013, between 10:30pm and 11:00pm. he, Mack Field and Cortez Canfield went to Club 618. On 6/2/1013, at 2:00 am, the bouncers at the club were having everyone leave the club. At this time, he was intoxicated and walked to the parking lot where Fields had parked the auto. He walked through an alley and decided to urinate in this alley. He then continued walking through the alley to the parking lot. Once he reached the opening of the parking lot, he came upon the following four males:

1. B/M, 20-25 yoa, 5'6" to 5'8", thin build, light goatee, wearing a light shirt, grey shorts, and light color shoes.
2. B/M, 20-25 yoa, 5'10", heavy build, clean appearance, wearing a light shirt, multi-colored shorts and armed with a silver gun in his right hand.
3. B/M, 20-25 yoa, 5'8", stocky build, clean appearance, wearing a light blue shirt, tan cargo shorts, and blue shoes. This suspect was armed with a small black gun in his right hand.
4. B/M

He could see immediately, suspect #2 and #3 were holding guns in their right hands. Suspect # 1 stated to him

"MAN BRO YOU CAN'T BE COMING OUT WHERE YOU WERE YOU ALMOST GOT KILLED". Suspect #2 stated to him, "MAN I ALMOST TOOK YOUR HEAD OFF". He attempted to walk away from the suspect, but they surrounded him. When suspect #1 said something else, he punched suspect #1 in the face, because suspect #1 got close to him. He stated "I WAS BEATING HIM". He then began to fight with suspect #2 as well. He stated he was fighting suspect #1 and #2 at the same time.

He knows he did punch suspect #2 in the face as well. As the fight continued, he observed his friend Cortez Canfield trip and began to fight with suspect #3 and possibly suspect #4. As the fight continued, suspect #3 approached a early 2000 Chevy Tahoe, tan in color. Suspect #3 was able to enter the car from the passenger side. Canfield was leaning into the car and kept fighting with suspect #3. He then approached them and he also leaning into the auto and began to fight with suspect #3. He states standing next to Canfield as they both continued to fight with suspect #3. H then heard four to five gun shots. He knew he was very close to the gun shots when he heard them. At this time, everyone ran. He stated during this confrontation, suspect #2 and #3 never pointed the guns in his direction, they just were waving the guns around while they were talking.

He did not see who had fired the gun. He stated he could identify suspects #1,#2, and #3.

He stated he was not injured from this incident. Det. Delgado did observed an abrasion to his right index finger and an abrasion to the inside right wrist at this time.

This report is submitted by P.O. Paul BJORKQUIST, assigned to The Code Red Deployment, Squad 1443, 11PM-3AM, in full MPD patrol uniform, along with my partner P.O. Jeff PIERSON.

On Sunday, June 2, 2013, at 213AM, I was preempted from my Code Red Deployment on N Old World 3rd Street at W Highland, to respond to a shooting at 225 E Michigan Street. Upon arrival I located a gunshot victim, Cortez D CANFIELD, B/M, 11-28-88, who was laying down near the east entrance/exit of the parking lot directly behind the 225 E Michigan Street address. CANFIELD was conscious and breathing and complained of a gunshot wound to his rightside-lower back area. I observed what appeared to be a gunshot wound in this area. As I began to administer First Aid, MFD Med Unit 7 arrived on scene and took over emergency medical care.

I immediately located a witness to the shooting, Emanuel Paul HARRIS, B/M, 8-25-89, who stated that he and CANFIELD were in a physical fight, in the parking lot, with (4) unknown B/M suspects. HARRIS stated that during the fight one on the B/M suspects produced a small pistol and shot at CANFIELD and other witnesses who were in the area of the fight. I did observe blood in HARRIS' lower lip and wounds to his right hand consistent with fighting injuries.

I conducted a partial canvas of the vehicles which were parked in this lot.

I located (2) video camera facing the lot of the above location and I know they are controlled by the Hilton Gardens Hotel, located at 611 N Broadway Street. On Sunday June 2, 2013 at approximately 3 PM, I responded to this location to obtain video of the shooting. I Spoke with Penny LENZ, W/F, 5-2-73, 414-748-1222 who is the assistant General Manager, who allowed us to view the video but was unable to produce a copy for evidence.

On Monday, June 3, 2013, at approximately 3PM, I responded back to 611 N Broadway, along with F.I Robbie LLOYD, Squad 1837, who was able to obtain a copy of the video surveillance footage of the incident. Due to technical difficulties, F.I. LLOYD was unable to play this video using MPD resources. It is worth noting that the surveillance system display clock is 6 minuts slow (-6 min) according to <http://time.is/>

On Tuesday, June 4, 2013, at approximately 3PM, I again responded to 611 N Broadway with F.I LLOYD, Squad 1837, to obtain the proprietary video software. We we unable to obtain the proper software, but was assisted by Maintenance Manager Kenneth MOMSEN who will re-format the video and provide MPD with a copy at a later date. F.I LLOYD, however, was able to re-format the video and the master CD recording was placed on MPD inventory #13016957 on 6-4-13 .

On Tuesday, June 4, 2013, at approximately 4PM, I responded to the Grand Avenue Club, 210 E Michigan Street, and spoke with manager Carl L LOCKREM, W/M, 9-27-75, who informed me that the exterior video camera on the south side of the building, which faces east, is defective. I observed on the video surveillance monitor that this camera is not functioning.

On Tuesday, June 4, 2013, at approximately 420PM, I responded to the club "618", located at 622 N Water Street and spoke with General Manager, HABIB NMI MANJEE, I/M, 7-16-64, who stated that he could not download video at this time but would make a copy for MPD later this evening.

This report is submitted by P.O. Paul BJORKQUIST, assigned to District One, Squad 1243, 3PM-11PM.

On Tuesday, June 4, 2013, at 1119PM, I responded to Club "618" to view video surveillance of possible suspects of this RES/Shooting. Upon arrival I spoke with General Manager Habib NMI MANJEE, I/M, 7-16-64, who had provided me with video of the entrance cameras of this club. These cameras are located both inside and outside of the club.

I asked for video surveillance of (4) unknown B/Ms who may have entered the club after the time of 102AM on Sunday, June 2, 2013. I observed the (4) B/M suspects exit a light color 4 door SUV in the lot directly behind the 225 E Michigan Street building at approximately 102AM on 6-2-13 prior to the shooting. The video which shows the suspects exiting the vehicle and walk westbound to the alley and then out of camera sight. Video of the RES/Shooting incident was placed on MPD inventory # 13016957.

MANJEE provided video of his outside sidewalk cameras which show the (4) suspects reach the intersection of N Water Street and E Michigan St at approximately 105AM. The suspects then walk northbound to the club where they wait in a short line and enter at approximately 107AM. The suspects then can be observed entering the club and going through the Club's security check-point before entering the main bar area.

MANJEE provided me with an ID scanner text print-out of the patrons who entered the Club at this time. The suspects entered in the following order:

1. B/M, wearing a Lt. blue polo type shirt with pinkish short sleeves. He is wearing a larger necklace, dark jeans, and tan shoes. MANJEE states that he did not scan this suspect's ID card because he frequents the club often. MANJEE states that he only knows this suspect by the name of "G.A." MANJEE, prior to my arrival, had printed several novelty pictures of "G.A." which were taken inside the club. These photos show "G.A." posing with suspect named "Josh", who may be a brother of "G.A." this photo was placed on MPD inventory 13017006.
2. B/M, wearing a white T-shirt with a design on the front, jeans, and a white baseball cap. MANJEE stated he scanned this suspect's ID and provided the name of Tyerine R CULLIN, B/M, 3-1-87. MANJEE, prior to my arrival, had printed CULLIN'S picture from a website called www.mugshots.com and stated this was the suspect who was wearing the white T-shirt and white baseball cap. I did not direct MANJEE to search for a picture of this suspect from the internet. This photo was placed on MPD inventory 13017006.
3. B/M, wearing a horizontal wide stripe shirt which alternates dark blue and lighter blue colors. This shirt has a white collar. He is also observed wearing jeans and white shoes. MANJEE scanned this ID and provided the

4. B/M, (possibly a brother of "G.A.") wearing a white shirt with epaulets on the shoulders, jeans, and white shoes. MANJEE did not scan this suspect's ID because he frequents the club. While searching MPD databases for possible associates of CULLEN, I found the name of Glen Joshua MURPHY, B/M, 3-25-81. I located a photo of MURPHY in the Case Follow-Up Analysis Management System and it appears to match the photo provided by MANJEE which was item #4 on MPD inventory # 13017006.

More follow-up will be completed to verify and complete the identifications of the suspects who were involved in this incident.

This report is written by Detective Raena Melk, assigned to the Criminal Investigation Bureau, South Investigations Division, Early Shift.

On Friday, 06/07/13, at 6:41 pm, I showed the victim in this offense, Cortez D Canfield, B/M, 11/28/88, Milwaukee Police Department Photo Array #55055, on the first floor of the Police Administration Building.

This photo array was shown to Canfield using the eight folder method. The target of this photo array was Glen J. Murphy, B/M, 03/25/81 (MPD booking photograph #111013485).

The fillers in this photo array included as follows:

1. Devin L. Wright, B/M, 05/11/88 (MPD booking photograph #11131427).
2. Prentice L. Ross, B/M, 10/05/84 (MPD booking photograph #111314019).
3. Anthony M. Johnson, B/M, 11/03/83 (MPD booking photograph #111313820).
4. Conelius D. Maclin, B/M, 08/30/84 (MPD booking photograph #111314228).
5. Deon M. Jenkins, B/M, 10/15/84 (MPD booking photograph #111313681).

The photograph depicting the target, Murphy, was included in the fourth folder in the photo array. Folder number seven and eight were intentionally blank and did not contain photographs.

Canfield identified the person depicted in folder number four (Murphy) as the person who shot him. Canfield signed and dated the back of Murphy's photograph. Canfield wrote on the back of the photograph "This is the person that shot me."

Canfield completed the Supplementary Report On Photo Array Identification Form and indicated on the form that the photo he identified was contained in folder number four. Canfield signed and dated this form.

Canfield stated that he observed this person (Murphy) start a fight with his friend, Emmanuel Harris, outside of the club, in a parking lot. Canfield stated that he approached Murphy and Harris. Canfield stated that six other people were standing near Murphy. Canfield stated that Murphy said, "You calling somebody?"

Canfield stated that Murphy was holding a small black gun in his hand. Canfield stated that another person "flashed" a gun. Canfield explained that this person removed a gun from their waistband and had the gun in their hand. Canfield described this person as a black male, twenty-three years of age, 509, 200, wearing a red shirt.

Canfield stated that he told Harris, "Let's just go. There's too many of them." Canfield stated that Murphy walked to a vehicle and placed the gun that he was holding in the rear seat of the vehicle.

Canfield stated that Murphy said, "It's too late. It's too late." Canfield stated that Murphy struck Harris, and he and Harris began to fight. Canfield stated that he (Canfield) was "jumped" by some of the other people that were with Murphy. Canfield stated that he fell to the ground and was kicked and punched.

Canfield stated that these people got off of him, and he got up off of the ground. Canfield stated that he saw that two or three people had "jumped in" the fight with Harris, and Harris was now fighting with Murphy and these other people.

Canfield stated that he "jumped in" this fight to help Harris. Canfield stated that the fight moved towards the vehicle that Murphy had placed the gun in. Canfield stated that Murphy opened the rear passenger door of the vehicle and removed the small black gun from the rear of the vehicle.

Canfield stated that he was standing approximately two feet from Murphy. Canfield stated that Murphy turned towards him with the gun in his hand. Canfield stated that Murphy fired a shot from the gun.

Canfield stated that he walked around the parking lot and saw that his shirt was torn. Canfield stated that he

was bleeding and realized that he had been shot. Canfield stated that he walked to where his brother's car was parked, and he collapsed on the ground outside of his brother's car.

Canfield stated that he does not know why Murphy and Harris argued or had gotten into a fight. Canfield stated that he does not know Murphy and had never seen Murphy prior to this incident.

I placed the Milwaukee Police Department Lineup Image and Data Pages, the Supplemental Report on Photo Array Identification Form signed by Canfield, and the six individual booking photographs from this Photo Array under Milwaukee Police Department Inventory #13017320.

photo arrays. A subject who identified himself as HARRIS answered the phone. Upon my request he stated that it would be a waste of time looking at the photo arrays because he was too intoxicated at the time of the incident and did not get a good look at the suspects. With this information I did not proceed to HARRIS's location to show the photo arrays.

I also called the cell phone number of the victims brother, Mack FIELDS, b/m, dob, 03/26/1990. The subject who answered the phone identified himself as FIELDS. I advised FIELDS that I had some photo arrays for him to view regarding his brother being shot. FIELDS responded by indicating that he was not interested because he does not tell or point the finger at anyone.

Detective Rudy Gudgeon assigned to the Criminal Investigation Bureau (C.I.B.)/ day shift submitted this report.

On Wednesday, July 3rd, 2013, I (Detective Gudgeon) was assigned to conduct an interview of Mr. Glen MURPHY (B/M dob 03-25-1981) who was arrested on July 2nd, 2013 on charges related to a narcotics investigation at 5101 N. Teutonia Av., filed under IR# 13-183-0079. He was also arrested on a 1st degree Recklessly Endangering Safety charge related to the investigation of a "shooting" that occurred on June 2nd, 2013 at 225 E. Michigan Av., filed under IR# 13-153-0028.

At about 3:00pm, date, I walked Mr. MURPHY from the Prisoner Processing Section to a 4th floor interview room at the C.I.B. During that time he asked me what was going on with his arrest and what charges he had. I briefly informed MURPHY that he had charges related to Possession of Cocaine and a separate investigation related to a shooting.

I began an interview of Mr. MURPHY at about 3:10pm in room 3:18pm of the Criminal Investigation Bureau (CIB)/ day shift. During that time, at his request I informed him of the charges which he was arrested for. I advised Mr. MURPHY of his Miranda rights which he stated he understood and was willing to answer questions.

I explained to Mr. MURPHY that according to the police reports filed relating to charges against him for

Possession of Cocaine, he, along with two other guys were sitting in his SUV. I informed him that the report indicates that after seeing a hand-to-hand transaction, officers report that a quantity of 55.14 grams was recovered from the backseat in his car. The report also stated there was 0.34 grams of cocaine in the center console. I informed him that a police dog was run through his car. He acknowledged that he saw that the police found "that", referring to the larger amount of suspected cocaine, but he was unaware of any other drugs.

In summary, Mr. MURPHY, didn't admit or deny possession of any of the suspected cocaine found in his vehicle. He stated that he wasn't worried about it and wanted to talk about the Recklessly Endangering Safety I referred to.

I then informed Mr. MURPHY of the nature of an R.E.S/ shooting investigation that occurred on East Michigan Av. (IR# 13-153-0028), and some details of what that investigation revealed: I informed him that the victim that was shot identified him (Murphy) the through a photo array, as the person who shot him. In summary, Mr. MURPHY denied any involvement or knowledge of this incident. He stated, "I didn't shoot nobody and I didn't see nobody get shot"! He stated that he was willing to take a lie detector test to answer those two questions. He continued to deny any involvement in the shooting.

During this interview Mr. MURPHY asked to speak with me in the hall, off camera and recording. As he requested, we moved to the hall and into room 419, which is not equipped with a recording device.

During that time, Mr. MURPHY suggested that its possible that someone he was with shot the victim. He stated that he would never testify against anyone related to this case, because he claims that he didn't actually witness the shooting. He also suggested that officers positively identify the person that the club owner called "GA". Mr. MURPHY stated that he would consider providing some information to the District Attorney that may be useful in proving that he (Murphy) is not the person who shot the victim, however that would refuse to testify against anyone else.

Mr. MURPHY noted that even according to the club owner, "Habib", who is familiar with both he and "GA", thought that they might be brothers. He stated that the owner probably thinks that because he and "GA" have a similar appearance. He refused to identify who "GA" is by name.

NARRATIVE SECTION: This report is typed by Police Officer Michael LEES, assigned to the First District, Late Shift.

On Saturday, January, 26th, 2013, at 12:03am, while assigned to squad 1341, I was dispatched to a Noise Complaint at 622 N Water St (Club 618 live on water/ Lady bug club).

Upon arrival I went to the Hilton Garden located at 611 N Broadway. The complaint/caller was later identified as being Diresha TAYLOR (F/B, 01/06/88, # 277-7622) who is employed as a Security Officer for said business. TAYLOR stated that she was making her rounds throughout the hotel at about 11:45PM, and heard bass and loud music coming into the westside of the building in the basement. TAYLOR stated that she then went outside into the alley and noticed that the business to the west of them was playing very loud music. The business was Club 618. TAYLOR then notified her boss, Kanitra MURPHY (F/B, 01/06/88, #271-6611) who was instructed by the GM Lisa FARRELL to call the police. MURPHY, TAYLOR all wanted to press charges. MURPHY who is the Night Auditor stated that this isn't the first time they had this problem, that this is an ongoing problem and that they've had to comp people's rooms because of the music. MURPHY stated, that tonight people were enjoying an Art gallery and people were complaining about the noise as well. MURPHY stated that she'd probably have to comp people again in the morning because of the club's music.

I then asked if I could go where they heard the music. I was escorted by TAYLOR who had taken me to the first floor hallway which leads to the alley's exit. I could hear at approximately 12:09am, loud music, bass inside the concrete structure hotel. I was approximately 30 feet away from the exit door. Leading outside was an alley that's behind the Club. The alley is about 20 feet wide.

I then went to Club 618 Live on water (Lady Bug Club) located at 622 N Water St (sometimes they go with the address of 618 N Water St) and spoke with the owner, later identified as being Habib MANJEE (I/M, 07/16/64) who stated that the music was fine and that he has no bass in the back. It should be noted that in the front of the building I could hear, with the doors closed and cars passing by, his music and bass on the sidewalk. MANJEE stated he wanted to hear for himself the music and demanded to know who the complaint was. MANJEE stated the front of the building didn't count and that he hired a professional to do sound checks and that he's asked numerous times to speak with the Hotel management. I along with MANJEE then walked in the alley where I could still hear the music and feel the bass. I also heard a subject over a PA system yelling something in the Club. MANJEE stated, "What this is fine I see no problem!" I then instructed MANJEE that the music was unacceptable and that there was a complaintant that wanted a citation issued. At that time MANJEE became upset, stated that the police, the alderman were out to get him and are trying to close down his establishment. MANJEE said I was a one tracked police officer and only took one side of the story and that he was going to start calling on the hotel. MANJEE further stated that he wanted a supervisor because he didn't like how I was investigating this assignment. MANJEE said, "I'm going to pay bums to sit in front of the hotel and go inside" In an attempt to hurt the hotel.

Sgt. Scott RANDOW then arrived on scene at which time the music was still very loud. I was then instructed to do a tavern report and Per Captain Stephen BASTING I was not to issue a citation at this time.

End of report.

Subject: : Cover letter to Captain Basting

Good Afternoon Captain Basting,

I want to thank you for meeting with Mike and myself on Monday. I believe that the meeting was productive and beneficial.

I also believe that someone from the Hilton Garden Inn should have also met with us so we can put all of our grievances on the table.

I attached the letter that I previously discussed with you in regards to our future plans.

I had already decided to adjust our plan of operation prior to the recent incidents.

It's very disheartening that my business is blamed for incidents that occur in other areas outside of my immediate control.

Why is it that the CPS Parking Lots that are in our area, who collect a fee for their services, are not required to provide security for their customers? Or, why is it that when they do have security on duty, the security guards don't act or react to potential problems or issues? It seems that they simply look the other way.

What happened to personal responsibility?

How can we or I be held accountable for actions by people who may or may not have been my patron. Especially when they are beyond the perimeter of our venue that we patrol and are responsible for?

It's funny, but it's been my experience over the years that whenever a minority owned business or a business that welcomes all minorities to frequent their establishment is in operation, a double standard ensues. A double standard that is frankly unfair and probably illegal. It seems that establishments like mine are held to a much higher standard simply because of the clientele that we welcome and attract. This is unjust and

sad.

I know that I have the undying support of hundreds, if not thousands, of people in the urban community.

Believe it or not, we are highly respected by many people and businesses within that community.

I am certain that if I needed their voices to be heard, they would all come to support me.

Ladybug Club LLC has been at this location for almost 9 years now and I would hope that our new neighbors would sit down and work with us in good faith to come up with a resolution that will benefit everyone.

Unfortunately, resolutions can never be achieved if only one party is sitting at the table.

From day one, we have been reaching out to open a dialogue to discuss a mutual agreement or understanding between neighbors. Hopefully you can facilitate this.

I have friends and family members that have businesses all over the country and they are unanimous in their opinion that Milwaukee is the most segregated city where this kind of pressure is put on business owners that welcome minorities, and it's very sad.

My wish is that others were as open minded and fair as you and your staff have been with us over the years. We appreciate you and hope to continue our productive relationship in the future.

Thank you for your time,
Habib Manjee

Captain Basting,

In the spirit of being a good neighbor we will be take the following actions:

As you know, we previously cancelled certain high-profile musical artists that have caused issues in other communities. We will continue to work with MPD to insure that we honor its requests regarding these issues. In addition, we will no longer book high profiled hip-hop musical artists.

We have cancelled shows during the week of the Governor's Convention. We will work with the Milwaukee Convention and Visitor Bureau to insure we know when and when not to schedule events at our Club.

We intend to close our doors in early October for roughly a month to revamp our plan of operation and re-launch a new musical format, which will hopefully address concerns previously raised by neighbors.

We are making these changes to accommodate both residential and the commercial neighbors. We hope that these neighbors will also reciprocate and meet with us and work with us on an ongoing basis. Specifically, we hope that the Hilton Garden Inn will finally agree to meet with us to work together to address its concerns.

2. I live in the immediate neighborhood of 618 Live Club located at 618-622 North Water Street.
3. The operation of the 618 Live Club has had a substantial adverse effect on the safety, enjoyment and prosperity of myself and our neighborhood.
4. On July 5, 2013 I heard gunshots in the close proximity of my residence, I awoke and witnessed two gunshot victims laying on the sidewalk on the corner of Broadway and Michigan Streets. Subsequent police investigations have indicated that the victims were present in the area because of the operation of the 618 Live Club.
5. June 2, 2013 I heard gunshots in the close proximity of my residence. A subsequent police investigation concluded that the incident was connected to patrons of the 618 Live Club.
6. On July 13, 2013 I heard gunshots in close proximity to our residence. A subsequent police investigation discovered that the incident was connected to the operation of the 618 Club.
7. From my residence I am routinely woken up by arguments, swearing, bottles breaking, horns and loud music. These activities almost always occur during the 618 Live Club hours of operation—especially after closing. Other incidents that occur almost exclusively during the operating hours of 618 Club include:
 - a. Pubic urination.
 - b. Fighting and brawls.
 - c. Traffic and accompanying noise, including extremely loud music and horns.
 - d. Swearing and shouting.
8. Approximately 9 months prior I witnessed a fist fight directly in front of my building where a man was knocked out flat on the sidewalk that and was hit over and over, along with being kicked. The parties then robbed him by taking items from his person. I observed the parties come directly from the vicinity of the 618 Live club. This incident occurred during the operating hours of 618 Live Club during their hours of operation.

10. In the past security officials of 618 Live have frequently shone flashlights in the buildings in our vicinity, including our home.
11. The 618 Club frequently utilizes a loud megaphone/microphone to direct the crowds to disperse after closing.
12. Every weekend the club is in operation and I am present at my residence, I observe or hear very loud noise, including swearing and arguments—especially at time of close around 2:00 am.
13. I am not aware of any other club or bar near this location that results in large crowds of people at times these disturbances, other than 618 Live.
14. The above listed activities rarely, occur unless the 618 Live Club is in Operation.
15. As a result of the nuisance activity I have been required to install a security camera on my building and have acquired a concealed and carry weapon permit.
16. During the operation of the club the police are constantly required to be on scene. Frequently, at time of closing of the 618 Live Club, the roads are congested with traffic as crowds of people leave the facility. As a result, there is no ability to for traffic, no-less emergency vehicles to pass.

AFFIDAVIT OF BRIAN WARD

2. I live in the immediate neighborhood of 618 Live Club located at 618-622 North Water Street.
3. During hours of operation there are large disorderly crowds from the 618 Club blocking traffic, and emanating loud noise. I have on many occasions viewed public intoxication, urinating and other disorderly behavior—all at times of 618 Clubs operation.
4. Of recent note, on July 13, 2013 at approximately 2:00 am I was arriving at my studio. The street was extremely crowded and loud. I then heard shots like a firecracker. Immediately squads and individual officers were running down the street. The officers were running with their guns drawn. I saw officers stop a white conversion van.
5. On July 13, 2013 was similar to many nights of 618 Live operation, there are large boisterous crowds occupying the streets. Cars are constantly honking and will stop to yell at others. Often security from the club, or the police yell out orders from a mega-phone that can be heard from a long distance. Often the police will shut down streets. Often there are large amounts of trash in the parking lots immediately after closing—such as liquor bottles—although much is cleaned up after closing. This is a common occurrence that takes place about every weekend that the 618 Club is open.
6. It appears that every night of operation there is some dedicated police presence in our neighborhood to monitor the 618 Live club.
7. I am not aware of any other establishment, or tavern, in the immediate neighborhood which has anything close to the capacity of 618 Live or has such problems with their clientel.

7. In the last 60 days of my employment I witnessed a total of three people shot and multiple instances of shots fired.
8. Patrons of the 618 Club frequently and without permission use our parking lot, which has been reserved for guests to park. I regularly inform those 618 patrons they are prohibited from parking there, but they refuse to move. I observe regular and frequent instances of open intoxicants and litter.
 - i. I have seen young people drinking on our lot and leave there open containers on the floor.
 - ii. I have called the City of Milwaukee parking on multiple occasions to ticket vehicles that are parked in front of our hotel which is a loading zone.

- iii. I have heard frequent arguments very loud while inside of the hotel.
 - iv. Even without shootings around 2 a.m. you hear loud car engine and loud music/base being emanated from vehicles. It doesn't matter what room you are in you will hear these noise.
9. As a result of this, and the patron's behavior, we have requested that our parking provider utilize an armed guard.
10. As a result of violence and nuisance activity from of the 618 Club we the hotel has implement the following procedure for our establishment.
 - a. I have escorted employees to vehicles.
 - b. Front entrances are locked at 9:00 pm.
 - c. Employees are not permitted to go outside during the operating hours of the 618 Live Club.
 - d. Patrons of 618 Live frequently enter the hotel with the intent of using our bathrooms. Many times they are very intoxicated.
11. On July 5, 2013 in the corner of Michigan & Broadway. I heard 3-4 shoots and I came outside and I saw two young men fall to the ground. One had been shot on the leg and the other on the stomach. I was there until the ambulance arrived to give them medical attention. I was forced to lock the doors of the hotel. Many of our guests were scared and inquired as to their safety in this area. I would note that the two young individuals were shot in the parking lot adjacent to our establishment. Police investigations indicated the shooting was connected to the operation of 618 Live. As a result of this incident, many calls and inquires have been made by potential and existing customers regarding the safety of this area during weekend nights.
12. On July 13, 2013 Officers I heard multiple shots fired in the very close vicinity of the hotel. We were forced to lock the front of the hotel because of danger to the customers as well as police being located in front of hotel. Police investigated shots fired in the vicinity near our location at 630 N. Broadway. Police investigations later connected this incident to the operation of the 618 Live Club. I was asked by multiple guests what was going on, if they should take extra safety precautions, and whether this is something that has happened before.
13. During the shootings that have occurred and the streets have been taped off during the police investigations I have escorted several of our hotel residents through the tapped areas to get back into the hotel.
14. The operation of the 618 Club substantially interferes with our ability to operate our establishment, presents a danger to our guests and employees, and substantially interferes with our ability to operate our business.
15. There are no other major clubs or taverns in the immediate vicinity from which these nuisance activities may occur.

16. A major reason that I left the Hilton is because I wanted to get a job whereby my life is not in danger, where there are not shootings, and I am not constantly confronted with problems of violence from the 618 Live Club.
