Milwaukee Common Council

Honorable Members,

Please be advised that, on June 26, 2024, the Zoning Code Technical Committee met to review Common Council File Number 240151, an ordinance relating to floodplain and shoreland-wetland zoning regulations. The Committee unanimously approved a motion finding that the proposed ordinance meets the three review criteria: legality and enforceability, administrative efficiency, and consistency with the format of the zoning code.

Sincerely,

*Jeff Osterman*
