Re: File No. 020230, Ordinance Relating to Health Department Licensing Regulations

We are approving this ordinance as being legal and enforceable. However, with respect to the fees that have been established in various provisions of this file, please be advised that such fees cannot exceed the actual, necessary and direct costs of licensing and regulating the establishments in question. We have been advised that none of the fees specified in the ordinance exceed the actual costs of such licensing and regulation. On that basis, we are approving this file.

Very truly yours,
