RE: Wisconsin Center District 'Walk of Fame' Project

Dear Mr. Polenske,

The Wisconsin Center District is in the process of coordinating plans for the "Walk of Fame Project". During our discussions, we have been advised that approval must be received from the City Common Council to install light fixtures in the City sidewalk at the east side of the new precast concrete piers. The next meeting of the Common Council is scheduled for Wednesday, May 30, 2001, and the District is requesting this item be on the agenda. The purpose for my letter is to enlist your assistance in gaining this approval.

Please contact Robert Seefeld, Director of Building Services at 908-6054, or myself, at 908-6050 if you have any questions or require additional information.

Thank you in advance for your assistance.

Sincerely,
Wisconsin Center District

Richard A. Geyer
President & CEO
