Subject: Honorary Street Name Request.
North 21st Street
Between West Clarke Street and West Center Street to Rev. George Reynolds.

Dear Honorable Members:

This letter is in reply to a notice dated July 11, 2018 regarding a request for an honorary street name on North 21st Street between West Clarke Street and West Center Street.

Chapter 113-3 of the Milwaukee Code of Ordinances provides the guidelines to consider when reviewing honorary street name requests. The guidelines provided in the code have been reviewed and the following comments are offered.

The rationale submitted explains that Rev. George Reynolds was a pastor at Ellison Chapel AME Church since 1985. The church is located at 2100 West Clarke Street. The church, under the guidance of Rev. George Reynolds, fed the hungry within the community, and hosted an annual back to school event.

The request to have the honorary street name of "Rev. George Reynolds" includes 19 letters and spaces. The letter size of the Honorary street name will be sized to fit the standard honorary street sign space.

Two blue honorary street signs are required and will be mounted at West Clarke Street, and at West Center Street along North 21st Street. The signs will be mounted below the North 21st Street sign at each location. The existing Official Street signs at each location will remain. The petitioner may choose to furnish the honorary street signs but they must be fabricated to established City guidelines. The City can fabricate the signs at \$50 each. In either case, the City will install the honorary street signs at a cost of \$50 per sign. The petitioner is to deposit \$100 to the City if they furnish the two signs or \$200 if the City fabricates and installs the signs. If a sign needs to be replaced in the future, the City is to be notified of the missing or damaged sign and the petitioner is to cover the cost to fabricate and mount the sign as described above with the initial installation. The City's cost to fabricate and install future signs is subject to change.

Provided that the honorary street name request meets the established design criteria and that the Department of Public Works does not incur any costs as a result of this action, we can support this resolution.

Sincerely,

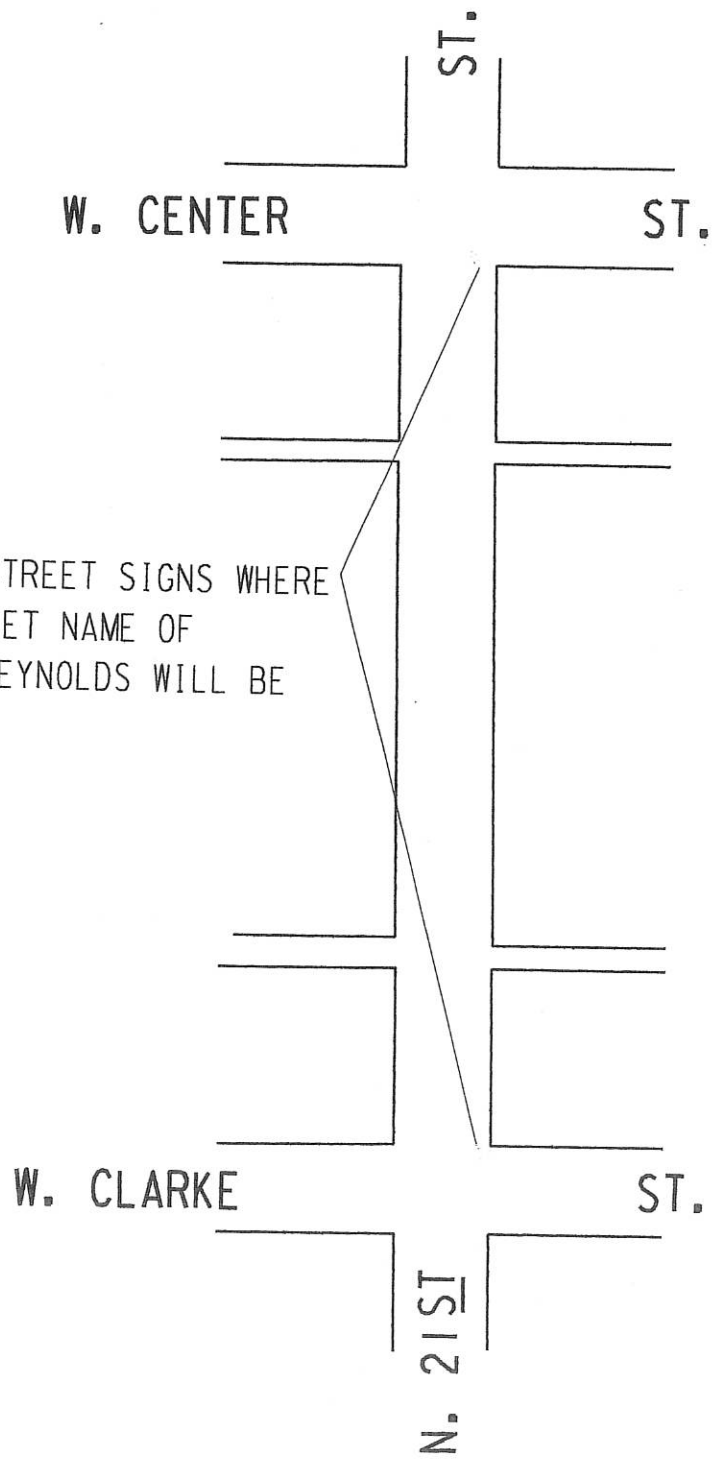

Samir Amin, P.E.
City Engineer

Jeffery Polenske
Commissioner of Public Works
