INSTALL STOP SIGNS ON
NORTH 86TH STREET AT
WEST NASH STREET

Dear Alderman Bohl:

This is in response to your request on behalf of Ms. Mandy Bates to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that a sight obstruction on the southeast corner of this intersection reduces the available safe approach speed. We, therefore, in the interest of public safety, recommend the installation of stop signs on North 86th Street at West Nash Street.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.
