This Amendatory Agreement for Services is made this 28th day of August, 2008, by and between the City of Milwaukee, a municipal corporation ("City"), and MATA Community Media, Inc. (formerly known as Milwaukee Access Telecommunications Authority, Inc.), a nonprofit corporation ("Contractor"), who agree as follows:

RECITALS

Whereas, Contractor is a not-for-profit corporation, organized in Wisconsin, which provides community media production, training and outreach services on a citywide basis; and

Whereas, pursuant to s. 66.0420, Wis. Stats., video service providers that receive a state franchise to operate in the City of Milwaukee are required to provide certain channels and resources dedicated for local public, educational and government use; and

Each plan will be due no later than September 30 and will include quantified objectives for each of the services required under Section 4 of this Agreement. The City Clerk, taking into consideration the funding available to Contractor, shall review the plan within 30 days. If the City Clerk determines that the plan does not reasonably provide in material respects for one or more of the objectives of Section 4, he or she shall return it to the Contractor with comments identifying the missed objectives and how the missed objectives can be achieved. If the City Clerk returns the plan, the Contractor shall make changes as necessary and within 30 days resubmit the plan to the City Clerk for review and approval. If the City Clerk determines that the revised plan does not reasonably provide in material respects for one or more of the objectives of section 4, he or she shall so inform the Common Council, which then may consider termination of this Agreement pursuant to Section 9.1.3.

6 RECORDS AND REPORTS.

- 6.1 Contractor shall maintain all necessary books and records, as determined by the City Clerk, in accordance with generally accepted accounting principles for a period of at least six years.

- 8.1 The City shall make payments to the Contractor in accordance with the following schedule:
 - 8.1.1 Beginning January of 2001, the City shall pay the amount of \$125,000 per quarter upon receipt of a duly authorized invoice submitted by Contractor to the City Clerk on or after February 15, May 15, August 15 and November 15 of each year; provided, however, that beginning January of 2006, the quarterly payments shall be in the amounts specified on a schedule developed by the City Clerk (See Exhibit B) to reflect the sale of such limited number of investments, made by the City Treasurer using PEG Grant funds previously received by the City, as is necessary to fund the grant set forth in Section 8.1.2.
 - 8.1.2 Upon approval by the City Clerk, the City shall provide a grant in the amount of \$1,300,000, restricted for use in satisfying, in their entirety, all mortgage liens on Contractor's real property other than liens of the City, upon receipt of a duly authorized invoice submitted by Contractor to the City Clerk with such supporting documentation as the City Clerk shall require.
 - 8.2 Under a schedule established by the City Clerk, but not less than annually, the City shall provide an additional amount to Contractor equal to two-thirds of the PEG Grant payments received under s. 66.0420, Wis. Stats.
 - 8.3 The City reserves the right to request modifications to, or to seek early termination of this Agreement because of any changes in federal or state law which impair its ability to comply with the funding obligations set forth in Section 8.1. The Contractor

reserves the right to request modifications to, or to seek early termination of, this Agreement because of any changes in federal or state law which impair the Contractor's ability to comply with the service obligations set forth in Sections 4, 5 and 6 of this Agreement.

9 REGULATORY PROVISIONS.

9.1 This Agreement may be terminated, after notice and hearing, upon a determination by the City, that:

9.1.1 Funds or assets the Contractor has acquired from the City are in immediate danger of waste;

9.1.2 After reasonable opportunity to do so, the Contractor has not remedied the deficiencies giving rise to the City determinations under Section 9.1.1 or, after reasonable notice and opportunity to do so, the Contractor has failed to remedy any violation by Contractor of a material provision of this Agreement;

9.1.3 Contractor, taking into account available funding, fails to propose satisfactory levels of service pursuant to Section 4 of this Agreement.

9.2 In the event of contract termination, Contractor dissolution, or failure of the City to extend this Agreement beyond the date set forth in Section 7, and the City so directs by resolution, the Contractor shall pay and transfer to the City or pay and transfer to an organization or organizations, tax exempt under Section 501(c)(3), designated by the City any unexpended funds, and earnings thereon, received by the Contractor at any time from the City and, subject to purchase-money liens and encumbrances, title to all real and personal property owned by the Contractor and all leasehold or other rights held by Contractor in real and personal property not owned by Contractor, provided the ownership or rights were obtained by the Contractor from the City.

9.3 Nothing herein shall entitle the City to recover funds or property identified in Exhibit A or to recover funds or property provided by sources other than the City.

9.4 The City may only consider the content of programming, including the Contractor's or a producer's choice of subject matter and the point of view expressed, in order to make a determination of whether the Contractor has complied with its obligation under Section 4.1.

10 ASSIGNMENT. The Contractor shall not assign or transfer any interest in this Agreement without prior written consent of the City, provided, however, that nothing herein shall

prevent the Contractor from subcontracting the performance of any provision or obligation required by this Agreement, so long as the Contractor remains primarily responsible to the City for the performance of such provision or obligation.

11. GENERAL PROVISIONS.

- 11.1 The Contractor shall make payment promptly as due to persons supplying services for work provided under this Agreement.
- 11.2 The Contractor shall not cause any lien or claim to be filed or prosecuted against the City on account of labor furnished or materials or equipment installed.
- 11.3 Contractor shall maintain in full force and effect at all times during the term of this Agreement insurance as required by this Section, unless waived by the City Clerk. The cost of such insurance shall be borne by Contractor.
- 11.3.1 *Comprehensive Liability Insurance.* Comprehensive liability insurance, including protective, completed operations and broad form contractual liability, property damage and personal injury coverage, and comprehensive automobile liability including owned, hired, and non-owned automobile coverage. - 11.3.3 *Workers' Compensation.* Full Workers' Compensation insurance and Employer's Liability with limits as required by Wisconsin law with an insurance carrier satisfactory to the City.
- 11.3.4 *Video Service Provider's Errors and Omissions Insurance.* Contractor shall maintain insurance to cover the content of programming on the access channel in, at minimum, the following areas: libel and slander; copyright or

trademark infringement; infliction of emotional distress, invasion of privacy; plagiarism; misuse of musical or literary materials. This policy shall not be required to cover individual access producers. The City Clerk may waive this provision if Contractor demonstrates that this type of coverage is either not available or only available at unreasonable costs.

11.3.5 *City as Co-insured or Additional Insured.* The City, its officers, employees and agents shall be named as a co-insured or additional insured on all aforementioned insurance coverage. The policies shall provide that no cancellation, major change in coverage or expiration may be affected by the insurance company or Contractor without first giving the City 30 days written notice prior to the effective date of such cancellation or change in coverage. Any insurance or self-insurance maintained by the City, its officers, agents, employees, or volunteers shall be in excess of the Contractor insurance and shall not contribute to it.

11.7.2 Contractor and the City shall indemnify, defend, and hold harmless the other party, its officers, agents, and employees from and against any and all claims, suits, actions, causes of action, losses, damage, or liabilities of any kind, nature or description, including payment of litigation costs and attorneys' fees, brought by any person or persons for or on account of any loss, damage or injury to any person, property or any other interest, tangible or intangible, sustained by or accruing to any person or persons, howsoever the same may be caused, directly or indirectly arising or resulting from any alleged acts or omission of the party, its officers, employees, agents or subcontractors arising out of or resulting from the performance of this Agreement, or arising from or in connection with claims or loss or damage to persons or property arising out of the failure to comply with any applicable laws, rules, regulations or other

requirements of local, state or federal authorities, for claims of libel, slander, invasions of privacy, or infringement of common law or statutory copyright, for breach of contract or other injury or damage in law or at equity which claims, directly or indirectly, result from the use of channels, funds, equipment, facilities or staff granted under this Agreement or the Franchise Agreement.

Contractor will also notify any institution with which it now or hereafter maintains any deposit account containing the above funds of the existence of the City's security interest in the account.
- 12.4 The City agrees to subordinate its interest if necessary to finance the purchase of equipment or property. The subordination shall only be with respect to the specific equipment or property that Contractor might wish to finance.
- 12.5 To separately evidence and secure the grant set forth in Section 8.1.2, Contractor shall execute a note and mortgage to the City, in form satisfactory to the City Clerk, in the amount of the grant, without interest, payable only in the event of default and foreclosure during the term of the Agreement, and subordinate only to the previously recorded mortgage in favor of the City. Contractor shall not permit any other liens to be placed upon the Property without the express written consent of the City Clerk. If Contractor shall fully perform its obligations for the entire term of the Agreement, then at the expiration of the term such note and mortgage shall be deemed satisfied.

13 NON-DISCRIMINATION IN EMPLOYMENT AND SERVICE. Contractor shall not

discriminate against any person, employee or applicant for employment or subcontractor on the basis of race, color, creed, religion, sex, sexual preference, marital status, ancestry, national origin or physical or mental handicap.
