MR Langley / Robert Overholt

Yes I would like to appeal  
the damage done on my property

By MPO I am not saying

They didn't have a lawful search warrant

I am saying I was there it was no

need to break down the doors

or cause the damage they did

What are you both saying cause

they have a search warrant

they have the right to damage or

break down door if they chose to

even if the landlord is telling

them she could open the door

enough of this yes I want

to appeal you already deny the

other claim I had not this one

And I did do it in the time I had  
I was out of town when the letter  
came so how do I know you going  
to send a letter when I leave but  
when I got back I got every thing  
together and sent it to you all  
And this letter I just got is  
dated Nov. 8 but I receive it  
on Nov. 16 so that why this  
letter looks the way it does trying  
to get it back in a timely manner  
So yes what ever you need to do  
for me to appeal please do it I  
want a hearing or should I  
say I am requesting a hearing
