Honorable Robert J. Bauman
Alderman, 4th Aldermanic District
Room 205, City Hall

SUBJECT: 4TH ALD. DIST. – FILE #120107
INSTALL MIDBLOCK CROSSING ON
NORTH 8TH STREET AT A POINT 190 FEET
NORTH OF WEST STATE STREET

Dear Alderman Bauman:

This is in response to a request we received from the Milwaukee Area Technical College (MATC) to install a mid-block pedestrian crossing on North 8th Street between West State Street and West Highland Avenue to improve pedestrian safety. Due to the high volumes of pedestrians crossing North 8th Street between the MATC campus and a multi-level parking structure, we recommend the installation of the above traffic control device.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so that you may support it to the final passage. If you have any questions, please contact Scott Reinbacher of our staff at (414) 286-3232.

Very truly yours,

Jeffrey S. Polenske, P.E.
