To Whom it May Concern,

I would like to be considered for the newly created Pedestrian and Bicycle Advisory Committee. As a two-time member and current Vice-Chair of the Bicycle and Pedestrian Task Force in the City of Milwaukee, I am confident I have the prerequisite knowledge and experience to immediately be a contributing member of the new committee. I have the leadership skills needed to advance the goals of the committee that will be integral to ensuring safe and equitable streets throughout Milwaukee. As a daily biker, I know firsthand the danger and possibilities of our streets. Given the opportunity, I will use that experience to fight for a better future for Milwaukee.

Sincerely,
