Re: Langley/Lappen 1-27-05 Correspondence to Milwaukee Aldermanic Council
McNeely v. McNulty, Case No. 03-C-0823

Dear Mr. Owczarski:

I am writing following our telephone conversation, earlier today, to express my gratitude for your decision to post, onto the Internet, my 3-26-06 correspondence, addressed to Chairman Roy Evans of the Administrative Review Appeals Board. As you noted, that (3-26-06) correspondence will be posted "right next to" the above-captioned Langley/Lappen 1-27-05 correspondence.

You may recall my having expressed appreciation during our phone conversation while also mentioning that I still intended to pursue the above-captioned matter, further. However, upon reflection, it has occurred to me that your decision to post my correspondence resolves the matter of my concerns because my 3-26-06 correspondence constitutes the clarifying memorandum I was seeking from the City Attorney's Office. Consequently, with the posting, I now regard the matter of the concerns I have raised to be resolved, fully.

Again, please know that I am most appreciative of your resolution of my concerns. I thank you for your graciousness.

Respectfully,
R.L. McNeely
