Lastly, the truck is causing damage to the fence since they are parking it in the driveway of the property.

DNS and Health, Can you please have someone look into this matter?

Hello,

On 08/30/2023 I spoke with the owner/operator at this location. The food truck was legally parked and there was no extension cords.

They had all their license correctly posted and provide information for their base kitchen locations. Apparently they are having a dispute to parking. The operator stated no matter what side of the street they legally park I wasn't able to verify if they are bringing food in/out the home.
