2. USE OF PERMANENT PUBLIC EASEMENT. Subject to the terms of this Agreement, City and members of the public may use the Access Easement Area (in common with Grantor and its tenants, invitees, employees, licensees, customers, successors and assigns) for bicycle and pedestrian ingress and egress to and from West Legion Street, to and from South 24th Street, to and from West Rogers Street, and for access to and for ingress and egress to and from any property adjacent to the Access Easement Area, subject to the provisions herein. Further, City maintenance and emergency service vehicles may use the Access Easement Area for vehicular ingress and egress to and from West Legion Street, to and from South 24th Street, to and from West Rogers Street, and for access to and for ingress and egress to and from any property adjacent to the Access Easement Area solely to the extent such vehicular ingress and egress may be reasonably necessary. The use of the Access Easement Area shall be for normal and customary access by City and the public in accordance with all applicable federal, state and local laws, statutes, ordinances, codes and regulations. The rights of City and the public to use the Access Easement Area shall not extend to any unusual uses such as loitering, heavy truck traffic (by trucks weighing more than three tons and other than customary truck traffic for deliveries to adjoining properties) or other types of uses that may constitute a public or private nuisance or which may unreasonably interfere with Grantor's use and enjoyment of the Grantor Property. Grantor reserves the right to grant to third parties additional easements for access and/or utilities affecting the Access Easement Area or portions thereof without City's prior consent, provided the additional easements do not unreasonably interfere with City's use. Notwithstanding anything herein to the contrary, neither Party's use of the Access Easement Area shall unreasonably interfere with the use of the Access Easement Area by the other Party and its respective tenants, invitees, employees, licensees, customers, successors and assigns.

3. PUBLIC ACCESS. The Access Easement Area shall be available for public use at all times, except for such times as the Access Easement Area must be closed for maintenance or repair, to avoid the acquisition of adverse or prescriptive rights or for special events benefiting the public. Further, Grantor may, from time to time, vary or relocate the paved areas on the Access Easement Area available for use by the public and Grantor may, from time to time, restrict use of portions of the Access Easement Area by members of the public in favor of Grantor or its lessees, or Grantor's successors' or assigns' exclusive use; provided that, the prior written notice is provided to the City. City shall keep the Grantor Property and surrounding areas free from accumulation of waste materials and rubbish caused by any exercise of the rights under this Agreement. If City fails to complete such obligation in a reasonable time, Grantor may do so and Grantor shall be entitled to reimbursement from City.

4. CONSTRUCTION AND RIGHT OF ENTRY. Grantor hereby grants to the City temporary permission to enter over, on, across, and under the Grantor Property for the purposes of staging heavy equipment and vehicles for construction consistent with the "Pedestrian Mall Construction Plans," as depicted in the attached **Exhibit B**, provided that such heavy equipment and vehicles shall not unreasonably interfere with Grantor's, or its invitees, employees, customers, successors' or assigns' open access to the Grantor Property and the improvements thereon except as may be previously consented to by Grantor in writing. Any work beyond the items identified in the Pedestrian Mall Construction Plans requires prior written notice to Grantor and Grantor's consent which may be withheld in Grantor's reasonable discretion. City agrees that no heavy

equipment or vehicles used for the purposes of the Pedestrian Mall Construction Plans will remain above, on, or below the Grantor Property after completion of the Pedestrian Mall Construction Plans. All work connected to the Pedestrian Mall Construction Plans shall be performed by experienced, duly licensed personnel outfitted with the appropriate tools and equipment to complete the job correctly and shall be of the standard and quality which prevail among contractors of professional knowledge and skill engaged in such practices throughout the United States under similar circumstances involving the construction of a similar project. City shall perform all Pedestrian Mall Construction Plans work in a safe manner as permitted and required by applicable laws, statutes, ordinances, codes, rules, regulations, and lawful orders of public authorities. The temporary rights of construction and entry as set forth in this Section 5 shall terminate and be of no further force or effect on the earlier of (i) the date that is ten (10) days after the Pedestrian Mall Construction Plans are substantially completed, or _____.

5. GRANT OF PERMANENT EXCLUSIVE EASEMENT FOR PLACEMENT OF INSTALLMENTS. Grantor hereby grants to City a permanent exclusive easement for the placement of the items to be constructed on the Grantor Property including the “Amphitheater” and “Play Area” as shown in the Pedestrian Mall Construction Plans as depicted in the attached **Exhibit B**. City shall be the sole owner of, and hold title to, any such improvements placed on the Grantor Property.

6. CONSTRUCTION WASTE. City shall keep the Grantor Property and surrounding areas free from accumulation of waste materials and rubbish caused by operations as identified in Section 4. At the completion of the Pedestrian Mall Construction Plans work, City shall remove waste materials, rubbish, City’s tools, construction equipment, machinery, and surplus materials from and about the Grantor Property within fifteen (15) days of the completion of the Pedestrian Mall Construction Plans work. If City fails to clean up as provided in this Agreement, Grantor may do so and Grantor shall be entitled to reimbursement from City.

7. CONSTRUCTION RISK. City shall enter on the Grantor Property at its own risk and shall be solely responsible for all costs and expenses in connection with the Pedestrian Mall Construction Plans work detailed herein and further shall assume all responsibility and liability for any damage to Grantor’s personal property or fixtures located within the Access Easement Area during City’s use. If City fails to repair, replace, and restore any Grantor personal property or fixtures damaged in the course of City’s work, Grantor may do so and Grantor shall be entitled to reimbursement from City.

8. GRANT OF NON-EXCLUSIVE DRAINAGE EASEMENT. Grantor hereby grants to City a permanent drainage easement to allow storm water from the City Property to flow over and across the Access Easement Area, provided, at no time shall the grant of drainage rights hereunder be exercised in such a manner as to interfere with or otherwise unreasonably affect Grantor’s improvements on the Grantor Property. For the purposes of this Section, City shall install, repair, maintain, and replace and maintain the drainage basins and associated facilities as identified in **Exhibit B**.

9. AREAS EXCLUDED TO PUBLIC ACCESS. All areas of the permanent Easements described herein shall be open to the general public, except for the following identified areas:

- a. City shall construct and build five (5) parking spots for the sole use and benefit of Grantor and as identified in the attached **Exhibit B.**
- b. The “Amphitheater” and “Play Area” as depicted in the Pedestrian Mall Construction Plans and as identified in the attached **Exhibit B shall be subject to the exclusive control of the City.** The City agrees to cooperate with Grantor in allowing Grantor to use the Amphitheater at reasonable times when not in use by the City. The City hereby warrants that the Amphitheater and Play Area shall at all times be kept in a safe and clean condition and, if the City fails to maintain the Amphitheater and Play Area in such condition, Grantor may do so and Grantor shall be entitled to reimbursement from the City for the costs Grantor incurs related to such maintenance and cleaning of the area.

10. MAINTENANCE AND REPAIR. City shall be solely responsible at its expense for the maintenance, repair, replacement, alteration (to the extent permitted under this Agreement) and/or operation of the Access Easement Area and all improvements thereon in a good condition and repair and in compliance with all applicable laws and safety standards. Such maintenance shall include, but not be limited to, sealing, striping, repaving, and snow and ice removal, as determined by City in its reasonable discretion. City shall provide Grantor with reasonable prior written notice of any such maintenance, repair, replacement, or alteration work and shall obtain Grantor’s prior written consent for any such work (other than ordinary maintenance), which shall not be unreasonably withheld. Grantor shall be solely responsible at its expense for the maintenance of the remaining adjacent landscaping portions of the Access Easement Area not covered by concrete and asphalt. At all times, City shall maintain signage as required by laws and applicable safety standards related to its ownership of all improvements permitted by this Agreement and disclaiming any liability or responsibility on the part of Grantor in relation to the use of such improvements. If City fails to complete such obligations as set forth in this Section 10 within a reasonable time and after reasonable written notice to City from Grantor, Grantor may do so and Grantor shall be entitled to reimbursement from City.

11. RELEASE; SAVE HARMLESS. City shall forever release and save Grantor and its employees, officers, and directors harmless from any and all claims, demands, suits, losses, damages, costs, expenses, obligations, judgments, or other forms of injury or liability arising out of or resulting from negligence or intentionally wrongful act or omission of the City or its employees, officers, directors, contractors and representatives acting within the scope of their employment or engagement in connection with the exercise of any rights hereunder; provided, however, that these provisions are subject to the legal defenses which, under law, City is entitled to raise. City hereby acknowledges that its obligations under this paragraph 13 shall survive the expiration or earlier termination of this Agreement for acts or omissions allegedly occurring before the expiration or termination of this Agreement.

12. INSURANCE. Grantor shall maintain a policy of comprehensive general liability insurance with respect to the Access Easement Area consistent with that held by the owners of similarly situated properties subject to public easements in the City of Milwaukee.

13. NON-USE. Non-use or limited use of the Access Easement Area and the rights granted herein shall not deprive City from later use of such Access Easement Area and City's exercise of such rights to the fullest extent authorized under this Agreement.

14. LIENS. City shall not allow any construction or materialmen's lien to be filed against the Grantor Property arising out of any exercise of the rights granted to or obligations conferred upon City under this Agreement unless such lien is contested in good faith by City. In the event such a lien is filed against the Grantor Property, City shall have thirty (30) days after written demand from Grantor to satisfy the lien, to bond over the lien in an amount sufficient to clear title to the Grantor Property, or to provide Grantor with title insurance or other security in a form or amount reasonably requested by Grantor.

15. GOVERNING LAW; VENUE. This Agreement shall be construed and enforced in accordance with the laws of the State of Wisconsin. Venue for any action arising out of or in any way related to this Agreement shall be exclusively in the Circuit Court of Milwaukee County for matters arising under state law and in federal district court in the eastern district of Wisconsin for matters arising under federal jurisdiction.

16. ENTIRE AGREEMENT; AMENDMENTS. This Agreement sets forth the entire understanding of the Parties with respect to the subject matter hereof and may not be changed, modified, or amended, except by a written document executed and acknowledged by both Parties to this Agreement, which shall only become effective upon its recordation in the Office of the Register of Deeds for Milwaukee County, Wisconsin.
