### WHY ATTEND

Our events offer an unmatched opportunity to connect with global leaders and network with industry peers. Engage in authentic dialogue with passionate leaders who believe in the power of ideas to change the world.

### IMPACT

Since 2013, over 1,700 commitments have been gathered for new and existing empowerment programs and services, volunteerism and mentorship. These commitments have supported Operation HOPE and served millions of youth and adults around the world.

### WHO WE ARE

The HOPE Global Forums are a community designed to galvanize thought and action around building an economy that works for everyone.

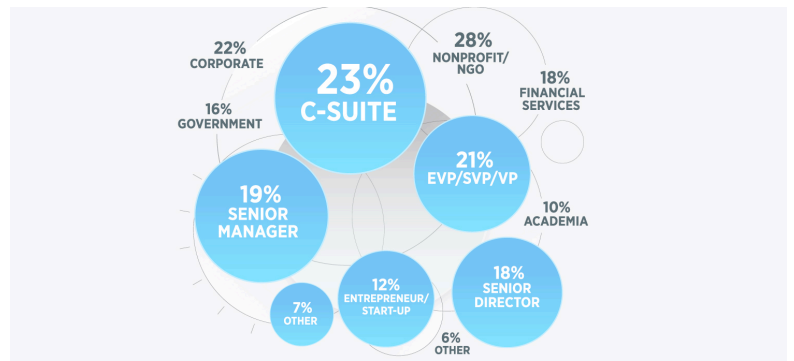

We accomplish this through a series of carefully curated thought leadership events, digital engagement, research and writings, and public policy.

### ANNUAL MEETING

With over 5,200 delegates representing 40 countries, the Annual Meeting is now the largest gathering in the world on behalf of empowering poor and underserved communities.

Our purpose - to reimagine the global economy so the benefits and opportunities of free enterprise are extended to everyone.

### WHO ATTENDS

The Annual Meeting gathers some of the most extraordinary people in the world - leaders and influencers from government, community and the private sector.
