To the Honorable, the Common Council

Subject: Federal/State Local Bridge Projects

Dear Council Members:

The following bridges are included on the Department of Public Works Local Bridge Replacement Program:

<u>Aldermanic District</u>	<u>Project Location</u>
1	North Teutonia Avenue Bridge over Union Pacific Railroad
1	North Teutonia Avenue Bridge over West Silver Spring Drive
14	East Lincoln Avenue Viaduct over Union Pacific Railroad

These bridges are eligible for 80% Federal/State cost participation for improvements under the Local Bridge Replacement Program. We have requested and received revised project agreements from the Wisconsin Department of Transportation (WISDOT) to be executed by the City for construction costs.

We have, therefore, prepared the attached resolution which authorizes and directs the Commissioner of Public Works to execute the project agreements with the WISDOT for the construction of the improvements to the aforementioned bridges with 80% Federal/State aid.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
