Honorable Robert Bauman
Alderman, 4th Aldermanic District
Room 205, City Hall

SUBJECT: 4TH ALDERMANIC DISTRICT – FILE #040474
REMOVE PARKING RESTRICTIONS
VARIOUS LOCATIONS IN THE
4TH ALDERMANIC DISTRICT

Dear Alderman Bauman:

As part of our on-going effort to verify field parking sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the parking restrictions listed below are not present in the field. The area residents or businesses have not questioned the absence of these signs, and we believe that the restrictions are no longer needed. We, therefore, recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. North 8th Street, from West Clybourn Street to a point north – No Parking
2. North 10th Street, from West Highland Avenue to West Juneau Avenue – No Parking
3. North 15th Street, from West Clybourn Street to a point south – Two Hour Parking

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Alderman, 4th Aldermanic District

SUBJECT: 4TH ALDERMANIC DISTRICT – FILE #040474
INSTALL NO PARKING ON THE SOUTH
SIDE OF WEST STATE STREET FROM A POINT
125 FEET EAST OF NORTH 14TH STREET TO A
POINT 40 FEET EAST THEREOF

Dear Alderman Bauman:

This is in response to your request on behalf of Sinai Medical Center located at 945 North 12th Street to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that parked vehicles obstruct the view of on-coming vehicles on West State Street making it difficult for motorists to exit the driveway from the hospital emergency room. We, therefore, in the interest of public safety, recommend the above-captioned traffic parking change.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P. E.
City Engineer
