Good
afternoon,

I work with Near West Side Partners and we are providing matching grants for home repairs in our neighborhood. Prior to approving the grant request for Don Pannell at 3014 W McKinley Blvd. I wanted to confirm that his project has the approval of HPC. He forwarded me the email below, but it's unclear whether a COA is required/has been issued for this project.

Please advise.

Please complete the attached application. I would ask that you copy the column capitals from the port cochere (see below), but otherwise, you can continue as planned.
