Jim,

Under these circumstances, I believe the claimant is entitled to appeal to the CC.

Thanks,

Our denial letter was dated 11/7/08. It was mailed on 11/17/08. The clmt's appeal request was received by the Clerk's Office and our office on 12/3/08. The appeal request, under the current guidelines, would be considered to be filed timely from the mailing date but not from the date of the letter. In light of this, I ask that the clmt's appeal be allowed to be heard and that the Clerk's Office send a letter to the clmt advising him of this (with a copy of the letter being sent to our office). Thank you.
