Alderman Robert Bauman
Alderman, 4th Aldermanic District
Room 205, City Hall

SUBJECT: 4TH ALDERMANIC DISTRICT – FILE #070820
INSTALL MID-BLOCK CROSSINGS ON
WEST HIGHLAND AVENUE AT VACATED
NORTH JAMES LOVELL STREET

Dear Alderman Bauman:

Due to the vacation of North James Lovell Street between West State Street and West Highland Avenue, the intersection of West Highland Avenue and North James Lovell Street no longer exists. The pedestrian crossings at this location are now considered mid-block crossings. Therefore, to maintain these crossings for pedestrians, we recommend the legislation of the above-captioned traffic control devices.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

INSTALL STOP SIGN ON WEST CONCORDIA AVENUE
AT NORTH 22ND STREET

Dear Alderman McGee:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our Traffic Engineering staff has investigated this request and found that a sight obstruction exists on the southeast corner of the intersection in the form of a hill that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop sign.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

BETWEEN NORTH 35TH STREET AND NORTH 36TH STREET

Dear Alderman Hines:

This is in response to your request on behalf of local property owners to install the above-captioned traffic control restriction.

Therefore, in an effort to stop this activity we recommend the installation of the above-captioned traffic control restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.
