Your Complaint

Several health code violations non functional or non existent smoke detectors. Locked unusable points of egress, obvious prostitution and human trafficking happening out of the building. I was propositioned to buy sex or drugs numerous times while there even in the lobby directly in front of the front desk and staff. Had to ask to be moved numerous times due to no running water, no lights or flickering light fixtures. The staff had no care or sympathy for the conditions and when I spoke to the manager and owner he called us names and insulted us. Then threatened to keep our security deposit for complaining. This place is a cancer and needs to be shut down for the sake of the community. They are greedy money gouging thieves with no respect or care for the safety of the public. They are harboring drug dealers, prostitutes, and human trafficking. Please do something.

LICENSED PREMISE REPORT

Ward, Michael S 024624

01/09/2025

This report is written by Police Officer Michael WARD, assigned to District 6 Community Liaison Office. On this day I was assigned to Squad 6164 with Police Officer Fabian GARCIA.

On Wednesday, January 9th, 2025, we received an email from Norma Avila from the City of Milwaukee Health Department, regarding an email complaint that her office received from the State.

The complainant reads:

"Several health code violations non functional or non existent smoke detectors. Locked unusable points of egress, obvious prostitution and human trafficking happening out of the building. I was propositioned to buy sex or drugs numerous times while there even in the lobby directly in front of the front desk and staff. Had to ask to be moved numerous times due to no running water, no lights or flickering light fixtures. The staff had no care or sympathy for the conditions and when my wife and I spoke to the manager and owner he called us names and insulted us. Then threatened to keep our security deposit for complaining. This place is a cancer and needs to be shut down for the sake of the community. They are greedy money gouging thieves with no respect or care for the safety of the public. They are harboring drug dealers, prostitutes, and human trafficking. Please do something."

On Wednesday, January 8th, 2024, Police Officer GARCIA and I went to the location for an unscheduled walkthrough of the property. Owner Hetel PATEL was on site and joined us during our inspection.

We spoke with PATEL and her assistant manager "KADEN" who were familiar with an incident that occurred during the time frame in late December. We were advised two subjects were not happy with the front desk who was unwillingly to allow the subjects to have late check out for free. The subjects advised the front desk they would be filing a complaint against them. PATEL stated the subjects, who were identified as the complainant of the complaint, stayed at the location from December 25th to December 30th. KADEN stated there is no record of the subjects being reassigned another room during that time frame.

749 W. State Street Milwaukee, WI 53233

414-933-4444

Case #:C2501080096

OtherEvent #: 25-LP-0029

During the inspection, we observed all entrance and exit points to be labeled (emergency/exit only), and all locking mechanisms in working order. No doors were observed blocked or obstructed. Lighting throughout the building was in working order. PATEL gave us access to the room (228) where the complainant was staying in and we observed working lights, fridge, toilets, stovetop, and sinks. The security cameras at the location were in working order.

A discussion was had regarding prostitution and drug dealing at the location with PATEL. There have been no complaints regarding either topic to the location. In the past three months there has been one overdose recorded at the location. No observations of drug dealing or prostitution was observed during the walkthrough. PATEL was advised we would be monitoring the location and conducting regular business checks of the property.

PATEL has been cooperative with MPD investigations. She has been very receptive to any Crime Prevention Through Environmental Design (CPTED) suggestions we have to offer. PATEL was open to routine checks on her property and requested to keep her informed if other complaints come in regarding either of her properties.

This concludes my report.

On Saturday, March 15, 2025, I was dispatched to 1300 W College Ave, for a subject wanted complaint.

Upon our arrival we spoke with the front desk clerk and asked him if he had anyone under the name of the EICHORN, CARL RALPH staying at the hotel that night. The clerk checked the computer and told us that there was nobody under that name that was staying at the hotel. We told the clerk if that gentleman does come to the hotel to reserve a hotel room to let us. A contact card was given to the clerk with District 6 phone number for the clerk to call.

Introduction

This report is written by Police Officer Kirby CARTWRIGHT, assigned to District Six, Squad 6220, Early Shift.

Call Type and Details

On Saturday, May 24, 2025, at approximately 11:15 pm, my partner, officer Eric LAUX and I were dispatched to 4400 South 27th St. (Rodeway Inn) which is located in the City and County of Milwaukee, Wisconsin for a trouble with subject complaint.

Scene Description and Observations

Upon arriving, it seemed like it was business as usual and did not observe anyone causing trouble and didn't locate the subjects around the hotel parking lots.

Interview with caller

I spoke with the store's manager and caller, Jacob BUDA, m/a, DOB 12/23/1992, phone 414-817-5004, who stated that two subjects, a man and a woman were maybe having an argument and the man was driving behind the woman walking in the parking lot.

OtherEvent #: 25-LP-2392

BUDA stated that the subjects had already left the premise before our arrival.

License Premise

The licenses were not up to date. During my investigation for the trouble with subject complaint, I did not observe any violations in the licensed premise other than the license premise being expired on 08/2024. BUDA stated that they have a new one but he doesn't know where they put it. BUDA stated that he would let his manager know that they need to replace the old license with the new license.

I am not aware of this location being a designated nuisance premise, in billing status or the business submitted an abatement plan.

Upon my arrival we observed the hotel to be with guest, and we made our way up to the room where we made contact with the caller.
