PSI Services LLC Acquires EB Jacobs, Leaders in Public Safety Assessment

October 4, 2017

Glendale, CA – October 4, 2017 – PSI Services LLC (PSI), a worldwide, industry-leading professional testing services provider to corporations, federal and state government agencies, professional associations, certifying bodies and leading academic institutions, today announced the acquisition of **EB Jacobs**. The acquisition enhances PSI's solutions for public safety organizations and helps EB Jacobs bring new capabilities to its clients spanning selection through promotion.

John Weiner, Chief Science Officer of PSI said, "We're thrilled to have EB Jacobs join PSI as we develop scientifically grounded solutions guiding the employee lifecycle. They bring industry-leading assessments to PSI's rich portfolio including Law Enforcement Aptitude Battery, Fire Service Assessment Battery, and Bus Operator Selection System, along with a staff with deep experience solving today's talent challenges in high-stakes positions where effective and fair employment practices are paramount."

Rick Jacobs, CEO of EB Jacobs commented, "EB Jacobs and its predecessor organizations have been part of the public service testing scene for more than 35 years with a tradition of excellence in both consulting and products. We're excited to join PSI and bring new levels of test center options, technology innovations, and content development to our clients."

Both companies are dedicated to bringing testing innovations to the public sector as states, municipalities, agencies, and leading organizations recruit and develop the next generation of public servants.

About PSI

PSI Services LLC (PSI) has over 70 years of experience providing worldwide testing solutions to corporations, federal and state government agencies, professional associations, certifying bodies and leading academic institutions. PSI offers a comprehensive solutions approach from test development to delivery to results processing, including pre-hire employment selection, managerial assessments, licensing and certification tests, distance learning testing, license management services and professional services.
